Case No. 2:17-cv-393-ES-SCM

**DECLARATION OF DEREK PIERCE,
PURSUANT TO 28 U.S.C. § 1746, IN
SUPPORT OF RECEIVER'S MOTION
FOR ORDER: (I) AUTHORIZING AND
APPROVING BIDDING PROCEDURES
FOR THE SALE OF SUBSTANTIALLY
ALL OF THE ASSETS OF COLUMBUS
ALF, LLC; (II) AUTHORIZING THE
SALE OF SUBSTANTIALLY ALL OF
THE ASSETS OF COLUMBUS ALF,
LLC FREE AND CLEAR OF ALL
LIENS, CLAIMS, ENCUMBRANCES,
AND OTHER INTERESTS;
III) APPROVING STALKING HORSE
PURCHASER, BREAK-UP FEE, AND
OVERBID PROTECTIONS;
(IV) SCHEDULING A HEARING TO
APPROVE THE SALE OF
SUBSTANTIALLY ALL ASSETS
OF COLUMBUS ALF, LLC; AND
(V) GRANTING RELATED RELIEF**

I, Derek Pierce, being an adult of sound mind, pursuant to 28 U.S.C. § 1746, declare under penalty of perjury as follows:

1. I am the receiver appointed pursuant to the *Order Appointing Receiver* (Dkt. No. 7) (the “**Receiver Order**”) entered in this matter.

2. I am submitting this declaration in support of the *Receiver’s Motion for Order: (I) Authorizing and Approving Bidding Procedures for the Sale of Substantially All of the Assets of Columbus ALF, LLC; (II) Authorizing the Sale of Substantially All of the Assets of Columbus ALF, LLC Free and Clear of All Liens, Claims, Encumbrances, and Other Interests; (III) Approving Stalking Horse Purchaser, Break-up Fee, and Overbid Protections; (IV) Scheduling a Hearing to Approve the Sale of Substantially All Assets of Columbus ALF, LLC; and (V) Granting Related Relief* (the “**Motion**”).¹

3. Upon my appointment, as part of my investigation of the assets of the Receivership Estate, I had title and lien searches performed to determine what liens and other encumbrances, if any, encumbered the assets of the Receivership Entities.

4. In addition, I requested that the Indenture Trustee provide true and correct copies of the documents governing the Bonds.

5. I, with counsel, have reviewed the title and lien searches and determined that, other than tax liens which will be satisfied by sale proceeds, the Indenture Trustee holds first priority, senior liens on and security interests in the Proposed Purchased Assets.

6. Attached to this declaration as **Exhibit A** is a true and correct copy of that certain Trust Indenture, dated as of July 1, 2015, by and between the Development Authority of Columbus, Georgia and BOKF, N.A.

¹ Capitalized terms used in this declaration and not otherwise defined shall have the meanings ascribed to them in the Motion.
4821-8535-4328.1

7. Attached to this declaration as **Exhibit B** is a true and correct copy of that certain Deed to Secure Debt and Security Agreement, granted by Columbus ALF, LLC to the Development Authority of Columbus, Georgia, together with UCC financing statements filed with respect to same.

8. Attached to this declaration as **Exhibit C** is a true and correct copy of that certain Loan Agreement, dated as of July 1, 2015, by and between the Development Authority of Columbus, Georgia and Columbus ALF, LLC.

9. Attached to this declaration as **Exhibit D** is a true and correct copy of that certain Land Use Restriction Agreement, dated as of July 1, 2015, by and between BOKF, N.A. and Columbus ALF, LLC.

10. Since this court's entry of the *Order Approving Receiver's Application for order Approving Employment of Marcus & Millichap Investment Brokerage Company* (Dkt. No. 85), Mr. Pardoll has vigorously marketed, among other things, the Proposed Purchased Assets.

11. Mr. Pardoll of Marcus & Millichap Real Estate Investment Brokerage Company and I collaborated to compile an offering memorandum describing all nine facilities and substantially all of the assets comprising the Receivership Estate.

12. A true and correct copy of the offering memorandum is attached to this declaration as **Exhibit E** and is incorporated in this paragraph by reference.

13. In addition, Mr. Pardoll and I collaborated in establishing a data room containing financial and other information regarding the nine assisted living facilities that would be of interest to potential purchasers.

14. As a result of Mr. Pardoll's marketing efforts, I have received multiple offers from interested parties.

15. More specifically, as a result of Mr. Pardoll's marketing efforts, ten (10) bidders have made forty-one (41) separate stalking horse offers to purchase all or some portion of the assets of the Receivership Estate.

16. With respect to the Proposed Purchased Assets, I have received six (6) offers from bidders.

17. I have evaluated the offers with Mr. Pardoll and my counsel.

18. Mr. Pardoll, my counsel, and I have negotiated price and sale terms with certain of the parties who have submitted bids.

19. As a result, with respect to the Proposed Purchased Assets, I have identified the Proposed Stalking Horse as a prospective buyer.

20. The Proposed Stalking Horse made the highest or otherwise best offer for the Columbus Facility.

21. As a result, my counsel and I have negotiated the terms of the Columbus APA, which has been executed but remains subject to this court's approval.

22. Nevertheless, I, in consultation with my counsel, Mr. Pardoll, and the Indenture Trustee, have determined that it is in the best interests of the Receivership Estate to continue marketing the Proposed Purchased Assets in an effort to locate additional interested parties and subject the Proposed Stalking Horse's initial bid to the market.

23. Accordingly, I intend to market test the Proposed Stalking Horse's initial bid for the Columbus Facility to assure it is the highest or otherwise best offer reasonably attainable.

24. To that end, I will continue marketing the Columbus Facility, in accordance with and pursuant to the bidding procedures proposed in the Motion.

25. As a result, the Columbus APA contains certain: (a) protections to incentivize and compensate the Proposed Stalking Horse for continuing to expend money, time, and effort in connection with purchasing the Columbus Facility, notwithstanding that the Proposed Stalking Horse's initial bid will remain subject to higher or otherwise better offers; and (b) bidding and auction procedures to enable me to continue marketing the Columbus Facility for sale, qualify additional interested parties as bidders, govern the submission of additional competing bids, and establish a date and time for the ultimate auction of the Columbus Facility.

26. Given the time constraints posed by, among other things, the Proposed Stalking Horse's desire to close expeditiously and the financial condition of the Columbus Facility, the protections and procedures sought to be established by the Motion fairly balance the need to market the Proposed Purchased Assets and market test the Columbus APA with the desire to minimize the risk of operating losses during any marketing and sale process.

27. In my experience and based upon my reasonable business judgment, the Bidding Procedures will assure that I receive the best offer for the Proposed Purchased Assets or any portion of the Proposed Purchased Assets, because the Bidding Procedures will expose the Proposed Purchased Assets to the market and competition amongst all parties sufficiently interested to bid for the purchase of the Proposed Purchased Assets (or any portion of the Proposed Purchased Assets).

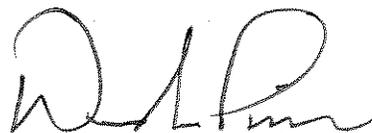

28. In particular, the Minimum Overbid was specifically negotiated with the Proposed Stalking Horse and is designed to: (a) reasonably protect the Proposed Stalking Horse by encouraging only serious additional and higher bids; and (b) protect the Receivership Estate by ensuring that any overbid covers the cost of the Break-up Fee and results in additional proceeds material enough to justify the risk of closing with a new buyer.

29. Similarly, the Break-up Fee was specifically negotiated by the Proposed Stalking Horse and is reasonably calculated to reimburse the Proposed Stalking Horse for the Proposed Stalking Horse's reasonable out of pocket expenses incurred conducting due diligence.

30. As a result, I believe the Bid Protections benefit the Receivership Estate, because they: (a) enable the Receiver to maintain the commitment of the Proposed Stalking Horse to continue expending money, time, and effort in connection with purchasing the Proposed Purchased Assets, notwithstanding that its offer is subjected to higher and better offers; and (b) guarantee a minimum bid for the auction process.

Under penalty of perjury, I declare that the foregoing is true and correct to the best of my knowledge.

FURTHER AFFIANT SAYETH NOT.

Derek Pierce

EXTRAORDINARY REDEMPTION

The Series 2015B Bonds are subject to redemption in whole, at any time, at a redemption price equal to one hundred percent (100%) of the principal amount of each Bond redeemed, as of the redemption date, plus accrued interest to the redemption date, from and to the extent of the property or title insurance proceeds, condemnation awards or proceeds of any conveyance in lieu of condemnation, which are directed to be applied to the redemption of Series 2015B Bonds pursuant to Section 301 of the Indenture.

The Bonds are subject to mandatory redemption at any time, in whole or in part, at a price of one hundred percent (100%) of the principal amount of the Bonds to be redeemed together with accrued interest to the date of redemption, in the event of any damage or destruction of the Facility to such extent that, in the opinion of an independent engineer, the Facility cannot be reasonably restored within a period of three (3) consecutive months, as more particularly set forth in Section 301 of the Indenture.

The Series 2015B Bonds will also be subject to extraordinary redemption, in whole, if legal title to the Facility shall be transferred to any entity other than the Issuer or the Borrower, or if the Borrower's interest under the Loan Agreement shall be transferred to any other entity, in either such case at a Redemption Price equal to one hundred three percent (103%) of the principal amount of the Series 2015B Bonds, plus interest accrued to the redemption date, if such transfer shall be before

August 1, 2019, and at the respective Redemption Prices set forth above in respect of an optional redemption of Series 2015B Bonds if such transfer shall be on or after such date.

This Series 2015B Bond is issued with the intent that the laws of the State of Georgia shall govern its construction.

The person in whose name this Series 2015B Bond is registered shall be deemed and regarded as the absolute owner hereof for all purposes, and payment of or on account of either principal or interest made to such registered holder shall be valid and effectual to satisfy and discharge the liability upon this Series 2015B Bond to the extent of the sum or sums so paid.

The particular Bond of this series, or portion thereof in the case of certain Series 2015B Bonds of a principal amount greater than \$5,000 to be redeemed in the case of a partial redemption under any of the provisions of the Indenture, shall be selected by the Trustee by lot or at the discretion of the Trustee with the lowest numbers being chosen first.

Written notice of the redemption in whole or in part of this Series 2015B Bond shall be given by the Trustee by first class mail, postage prepaid, mailed not less than thirty or more than forty five (45) days prior to the redemption date to the Bondholder at the last address shown on the registration book kept by the Trustee.

Upon deposit with the Trustee of the moneys required to effect any redemption, the Series 2015B Bonds or portion thereof thus called and provided for shall not bear interest after the redemption date and shall not be considered to be outstanding or to have any other rights under the Indenture other than the right to receive payment.

By the acceptance of this Series 2015B Bond, the Bondholder agrees that if less than the entire principal amount of this Series 2015B Bond is to be redeemed, payment of the redemption price will be made only upon the surrender of this Series 2015B Bond to the Trustee. Upon surrender hereof, there shall be issued to the Bondholder, without charge to the Bondholder therefor, for the unredeemed balance hereof, a Bond or Series 2015B Bonds in any of the authorized denominations as more fully set out in the Indenture.

The holder of this Series 2015B Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the agreements therein, or to take any action with respect to any "event of default" as defined in the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture. The stated maturity of this Series 2015B Bond and the stated dates for the payment of interest may be accelerated upon the occurrence of certain "events of default" as defined in the Indenture. The occurrence of certain other such "events of default" will permit the acceleration of the stated maturity of this Series 2015B Bond and the stated dates for the payment of interest as provided in the Indenture. Modifications, amendments or supplements to the Indenture may be made only to the extent and in the circumstances permitted by the Indenture.

Section 206. Delivery of Bonds. Upon the execution and delivery hereof, the Issuer shall execute the Bonds and deliver them to the Trustee, and the Trustee shall authenticate the Bonds and deliver them to the purchaser or purchasers as shall be directed by the Issuer as hereinafter in this Section provided.

Prior to the delivery by the Trustee of any of the Bonds there shall be filed or presumed to be filed with the Trustee:

(a) A copy, certified by the Secretary of the Issuer of all resolutions adopted and proceedings had by the Issuer authorizing the issuance of the Bonds, including the resolution authorizing the execution, delivery and performance of this Indenture, the Loan Agreement and the Bond Purchase Agreement;

(b) An original executed counterpart of this Indenture, the Loan Agreement, the Security Deed and the Bond Purchase Agreement and the Limited Guaranty Agreement;

(c) Copies of the Financing Statements filed to perfect the security interests;

(d) An original executed counterpart of the certification of the Issuer establishing its reasonable expectations to the effect that the 2015ABonds will not be "arbitrage bonds" within the meaning of Section 148 of the Code, together with an opinion of Sell & Melton, L.L.P., Bond Counsel, to the effect that the 2015A Bonds are not "arbitrage bonds;"

(e) An opinion of Counsel for the Borrower to the effect that the Loan Agreement, the Bond Purchase Agreement and the Security Deed have been duly authorized, executed and delivered by the Borrower and enforceable according to their terms;

(f) An opinion of Sell & Melton, L.L.P., Bond Counsel, to the effect that the Bonds have been duly authorized, executed and delivered by the Issuer and constitute legal, valid, binding and enforceable limited obligations of the Issuer entitled to the benefits of and secured by this Indenture, and the Security Deed; and that the Bonds are exempt from registration under the Securities Act of 1933 and the Indenture is exempt from registration under the Trust Indenture Act of 1939;

(g) A request and authorization to the Trustee on behalf of the Issuer and signed by its Chairman or Vice Chairman to authenticate and deliver the Bonds in such specified denominations as permitted herein to the initial purchaser or purchasers therein identified upon payment to the Trustee, but for the account of the Issuer, of a specified sum of money. The proceeds from the sale of the Bonds shall be paid over to the Trustee and deposited to the credit of the Project Fund as hereinafter provided in Article VI;

(h) Certificates of insurance required under Section 5.12 of the Loan Agreement;

(i) A written opinion of Bond Counsel to the effect described in the Official Statement;

(j) An original executed counterpart of the Management Agreement between the Borrower and the Management Company (as described in the Official Statement); and

(k) A marked-up title commitment for a standard American Land Title Association (ALTA) Issuer and Trustee Title Insurance Policy (1987 edition Form B) insuring the lien of the Trustee under the Security Deed.

Section 207. Mutilated, Lost, Stolen or Destroyed Bonds. If any Bond is mutilated, lost, stolen or destroyed, the Issuer may execute and the Trustee (upon the receipt of a written authorization from the Issuer) may authenticate and deliver a new Bond of the same aggregate principal amount and tenor in lieu of and in substitution for the Bond mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Trustee, as Bond Registrar, and in the case of any lost, stolen or destroyed Bond, there shall be first furnished to the Trustee evidence satisfactory to it of the ownership of such Bond and of such loss, theft or destruction, together with indemnity satisfactory to it. If any such Bond shall have matured or a redemption date pertaining thereto shall have passed, instead of issuing a new Bond the Issuer may pay the same without surrender thereof. The Issuer and the Trustee may charge the holder of such Bond with their reasonable fees and expenses in this connection.

Section 208. Exchangeability and Transfer of Bonds; Persons Treated as Owners. The Issuer shall cause books for the registration and for the transfer of the Bonds as provided herein to be kept by the Trustee which is hereby constituted and appointed the Bond Registrar of the Issuer.

Bonds may be transferred on the books of registration kept by the Trustee by the holder in person or by his duly authorized attorney, upon surrender thereof, together with a written instrument of transfer executed by the holder or his duly authorized attorney. Upon surrender for transfer of any Bond with all partial redemptions endorsed thereon at the principal office of the Trustee, the Issuer shall execute and the Trustee shall authenticate and deliver in the name of the transferee or transferees a new Bond or Bonds of the same aggregate principal amount and tenor and of any authorized denomination or denominations and numbered consecutively in order of issuance according to the records of the Bond Registrar.

Bonds may be exchanged at the principal office of the Trustee for an equal aggregate principal amount of Bonds of the same aggregate principal amount and tenor and of any authorized denomination or denominations. The Issuer shall execute and the Trustee shall authenticate and deliver Bonds which the Bondholder making the exchange is entitled to receive, bearing numbers not contemporaneously then outstanding.

The Trustee may require payment of a service charge for any exchange or transfer of Bond(s), together with a sum sufficient to cover any taxes or other governmental charges required to be paid with respect to the Bonds, and the same shall be paid by the holder of the Bond requesting such transfer or exchange as a condition precedent to the exercise of such privilege.

The Trustee shall not be required to transfer or exchange any Bond after the giving of notice calling such Bond for redemption or partial redemption has been made.

The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of either principal or interest shall be made only to or upon the order of the registered owner thereof or his duly authorized attorney, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

The inclusion of the foregoing provisions shall constitute the appointment of the Trustee as agent for the Issuer to do any and all things necessary to effect any exchange or transfer.

All Bonds issued upon any transfer or exchange of Bonds shall be the legal, valid and binding limited obligations of the Issuer, evidencing the same debt, and entitled to the same security and benefits under this Indenture as the Bonds surrendered upon such transfer or exchange.

Section 209. Book – Entry – Only System. The Depository Trust Company (“DTC”), New York, New York, will act as securities depository for the Series 2015 Bonds. The Series 2015 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee). One fully-registered certificate will be issued for each maturity of the Series 2015 Bonds, in the aggregate principal amount of such maturity of the Series 2015 Bonds, and will be deposited with DTC.

DTC is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds securities that its participants (“Participants”) deposit with DTC. DTC also facilitates the settlement among Participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerized book-entry changes in Participants’ accounts, thereby eliminating the need for physical movement of securities certificates. Direct Participants include securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations. DTC is owned by a number of its Direct Participants and by the New York Stock Exchange, Inc., the American Stock Exchange, Inc., and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as securities brokers and dealers, banks and trust companies that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). The Rules applicable to DTC and its Participants are on file with the Securities and Exchange Commission.

Purchases of Series 2015 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2015 Bonds on DTC’s records. The ownership interest of each actual purchaser of each Series 2015 Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to

receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2015 Bonds are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2015 Bonds, except in the event that use of the book-entry system for the Series 2015 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2015 Bonds deposited by Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. The deposit of Series 2015 Bonds with DTC and their registration in the name of Cede & Co. effect no change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2015 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2015 Bonds are credited, which may or may not be the Beneficial Owners. The Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Neither DTC nor Cede & Co. will consent or vote with respect to the Series 2015 Bonds. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2015 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the Series 2015 Bonds will be made to DTC. DTC's practice is immediately to credit Direct Participants' accounts on the payable date in accordance with their respective holdings shown on DTC's records unless DTC has reason to believe that it will not receive payment on the payable date. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee or the Issuer, subject to any statutory and regulatory requirements as may be in effect from time to time. Payment of principal and interest to DTC is the responsibility of the Issuer or the Trustee, disbursement of such payments to Direct Participants shall be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services with respect to the Series 2015 Bonds at any time by giving reasonable notice to the Issuer or to the Trustee. Under such circumstances, in the event that a successor securities depository is not obtained, certificates are required to be printed and delivered. The Issuer may decide to discontinue the system of book-entry transfers through DTC (or a successor securities depository). In that event, certificates will be printed and delivered.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Issuer believes to be reliable, but the Issuer takes no responsibility for the accuracy thereof.

Section 210. Additional Bonds. So long as no Event of Default has then occurred and is continuing the Issuer at the request of a Borrower Representative may issue Additional Bonds for the purpose of (i) financing the costs of making such modifications to the Facility as the Borrower may deem necessary or desirable, (ii) financing the cost of completing any such modifications, (iii) refunding any Series 2015 Bonds, and (iv) in each such case, paying the costs of the issuance and sale of the Additional Bonds, paying capitalized or funded interest and such other costs reasonably related to the financing as shall be agreed upon by the Borrower and the Issuer. The terms of such Additional Bonds, the purchase price to be paid therefor, and manner in which the proceeds therefrom are to be disbursed shall be determined by the Borrower, and the sale of any Additional Bonds shall be the sole responsibility of the Borrower. The Borrower, the Trustee and the Issuer shall enter into an amendment to the Loan Agreement to provide for additional loan payments in an amount at least sufficient to pay principal of, premium, if any, and interest on the Additional Bonds when due and to provide for any additional terms or changes to the Loan Agreement required because of such Additional Bonds. The Issuer and the Trustee shall enter into such amendments or supplements to this Indenture as are required to effect the issuance of the Additional Bonds. An amount equal to any increase in the Debt Service Requirement attributable to issuance of the Additional Bonds shall be deposited into the applicable account of the Bond Fund at the time of delivery of the Additional Bonds.

Section 211. Delivery of Additional Bonds. Upon the execution and delivery in each instance of an appropriate indenture supplemental hereto, the Issuer shall execute and deliver to the Trustee and the Trustee shall register and authenticate Additional Bonds and deliver them to the purchaser or purchasers as may be directed by the Issuer, as hereinafter in this Section 2.11 provided. Prior to the delivery by the Trustee of any such Additional Bonds, there shall be filed with the Trustee:

(a) a Certificate from a Certified Public Accountant concluding that (i) for the two (2) complete Fiscal Years immediately preceding the date of issuance of the Additional Bonds, the Debt Service Coverage Ratio was at least equal to 1.10, and the Borrower complied with the Days Cash on Hand and Trade Payables covenant; and (ii) (A) for each of the Fiscal Years in which any construction is to take place, the Debt Service Coverage Ratio is projected or forecasted to be at least equal to 1.10; and (B) for each of the two (2) Fiscal Years immediately following the completion of any such construction, the Funds Available for Debt Service is projected or forecasted to be at least equal to 1.20, and the Borrower is projected or forecasted to have at least forty five (45) Days Cash on Hand at the end of each fiscal quarter during each such year.

(b) a valid and effective amendment to the Agreement providing for the inclusion of any real estate and interests therein and any buildings, structures, facilities, machinery, equipment, and related property to be acquired by purchase or construction from the proceeds of the Additional Bonds and providing for an adjustment to the loan obligations of the Borrower to cover the Debt Service Requirements of the Series 2015 Bonds that will be Outstanding after the issuance of the Additional Bonds, and providing any other changes in connection with the issuance of Additional Bonds;

(c) a valid and effective supplemental indenture providing for the issuance of such new series of Additional Bonds and securing such Additional Bonds by the lien and security interest of the Trust Estate;

(d) a valid and effective amendment to the Security Deed subjecting to the lien of the Security Deed any and all real estate and interests therein and any buildings, structures, facilities, and related property acquired by purchase or construction from proceeds of such Additional Bonds and assigning and pledging to the Issuer and the Trustee the Borrower's interest in the leases, rents, issues, profits, revenues, income, receipts, money, royalties, rights and benefits thereof and therefrom and granting a security interest to the Issuer in the Borrower's interest in the machinery, equipment, and related property acquired by purchase or construction from the proceeds of the Additional Bonds, in any inventory then or thereafter located at the real estate or interests therein and any buildings, structures, facilities, and related property to be acquired by purchase or construction from the proceeds of the Additional Bonds, and in the accounts, documents, chattel paper, instruments, and general intangibles arising in any manner from the Borrower's operation of any real estate or interests therein and any buildings, structures, facilities, machinery, equipment, and related property to be acquired by purchase or construction from the proceeds of the Additional Bonds;

(e) a copy, duly certified by the Secretary of the Issuer, of the resolution of the members of the Issuer, authorizing the execution and delivery of the supplemental indenture, amendment to the Loan Agreement, amendment to the Security Deed and issuance of the Additional Bonds;

(f) a request and authorization to the Trustee on behalf of the Issuer, signed by the Chairman of the Issuer or such other officers of the Issuer as are designated by the Chairman of the Issuer, to authenticate and deliver the Additional Bonds to the purchaser or purchasers therein identified upon payment to the Trustee, for the account of the Issuer, of a specified sum plus any accrued interest; the proceeds of the Additional Bonds shall be paid over to the Trustee and deposited to the credit of the Bond Fund or to such other funds as are provided and created by the supplemental indenture;

(g) a certificate signed by the Borrower Representative to the effect that no Event of Default under this Indenture the Loan Agreement has then occurred and is continuing;

(h) a favorable opinion of Bond Counsel with respect to the "Series 2015A Bonds" and, if issued as tax-exempt Bonds, the Additional Bonds addressing the satisfaction of the conditions precedent identified in this Section 211;

(i) an endorsement of the Title Policy, which endorsement includes any additional real property made subject to the Security Deed and increases the face amount of the policy to an amount equal to the principal amount of the Outstanding Series 2015 Bonds; and

(j) such other documents as the Trustee may require to evidence compliance with this Indenture, the Loan Agreement and the Security Deed.

Section 212. Original Issue Discount – Series 2015A Bonds. A portion of the Series 2015A Bonds (the “Tax-Exempt Discount Bonds”) will be issued at an initial public offering price which is less than the amount payable on the Tax-Exempt Discount Bonds at maturity. The difference between the initial public offering price of the Tax-Exempt Discount Bonds and the principal amount payable at maturity constitutes original issue discount which, in accordance with the accrual conventions described below, is treated as interest, and is excludable from gross income for federal income tax purposes to the same extent described above. In the case of a holder of Tax-Exempt Discount Bonds, the amount of such original issue discount, which is treated as having accrued with respect to the Tax-Exempt Discount Bonds, is added to the cost basis of the holder in determining, for federal income tax purposes, gain or loss upon disposition (including sale, redemption or payment at maturity). For federal income tax purposes, any holder of a Tax-Exempt Discount Bond will recognize gain or loss upon disposition of such Tax-Exempt Discount Bond (including sale, redemption or payment at maturity) in an amount equal to the difference between (i) the amount received upon such disposition, and (ii) the sum of (a) the holder's cost basis in the Tax-Exempt Discount Bond, and (b) the amount of original issue discount attributable to the period during which the holder held the Tax-Exempt Discount Bond. Original issue discount on Tax-Exempt Discount Bonds will be apportioned to an owner of the Tax-Exempt Discount Bonds under a “constant accrual method,” which utilizes a periodic compounding of interest.

ARTICLE III.

REDEMPTION OR PURCHASE OF BONDS BEFORE MATURITY

Section 301. Redemption Dates and Prices.

EXTRAORDINARY REDEMPTION

The Bonds are subject to redemption in whole, at any time, at a redemption price equal to one hundred percent (100%) of the principal amount of each Bond redeemed, as of the redemption date, plus accrued interest to the redemption date, from and to the extent of the property or title insurance proceeds, condemnation awards or proceeds of any conveyance in lieu of condemnation, which are directed to be applied to the redemption of Bonds pursuant to the Indenture in the event: (a) the Facility shall have been damaged or destroyed to such extent that, in the opinion of an independent engineer (expressed in a certificate filed with the Issuer and the Trustee within sixty (60) days after such damage or destruction), (i) the Facility cannot be reasonably restored within a period of three (3) consecutive months from the date of such damage or destruction to the condition thereof immediately preceding such damage or destruction, (ii) the Borrower is thereby prevented or is reasonably expected to be thereby prevented from carrying on its normal operations within the Facility or such portion thereof for a period of one (1) year from the date of such damage or destruction, or (iii) the restoration cost of the Facility or any portion thereof would exceed the total amount of all insurance proceeds, including any deductible amount, in respect to such damage or destruction; or (b) title to, or temporary use of, all or substantially all of the Facility or any portion thereof shall have been taken by condemnation so that in the opinion of an independent engineer (expressed in a certificate filed with the Issuer and the Trustee within sixty (60) days after the date of such

taking), the Borrower is thereby prevented from carrying on its normal operations therein for a period of one (1) year from the date of such taking or condemnation.

The Bonds are subject to extraordinary redemption prior to maturity, in whole or in part, at a redemption price equal to one hundred percent (100%) of their principal amount, plus interest accrued to the redemption date, at any time, upon the sale of the Facility to a third-party purchaser unrelated to the Borrower.

The Bonds are subject to redemption, in whole, at a redemption price equal to one hundred percent (100%) of the principal amount of each Bond redeemed, as of the redemption date, plus accrued interest to the redemption date, in the event there is a change in the Constitution of the United States of America or the State of Georgia or of legislative or executive action of said State or any political subdivision thereof or the United States of America or by final decree or judgment of any court after the contest by the Borrower, the Loan Agreement becomes void or unenforceable or impossible of performance in accordance with the intent and purpose of the parties as expressed in the Loan Agreement or unreasonable burdens or excessive liability are imposed upon the Borrower by reason of the operation of the Facility or any portion thereof.

The Bonds will also be subject to extraordinary redemption, in whole, if legal title to the Facility shall be transferred to any entity other than the Issuer or the Borrower, or if the Borrower's interest under the Loan Agreement shall be transferred to any other entity, in either such case at a Redemption Price equal to one hundred three percent (103%) of the principal amount of the Bonds, plus interest accrued to the redemption date, if such transfer shall be before August 1, 2019, and at the respective Redemption Prices set forth herein in respect of an optional redemption of Bonds if such transfer shall be on or after such date.

Upon any redemption in part of the Bonds, the Bonds to be redeemed (or purchased in lieu thereof) will be selected by the Trustee by lot in a manner undertaken at the reasonable discretion of the Trustee; provided, however that the portion of any Bond to be redeemed will be in the principal amount of \$5,000 or any integral multiple of \$1,000 in excess of such amount. Any redemption of a part of the Bonds will be applied to reduce the final payment and mandatory sinking fund requirements on the particular series of the Bonds so redeemed in inverse order of payment.

Section 302. Notice of Redemption. Notice of redemption shall be given by the Trustee by first class mail, postage prepaid, mailed not less than fifteen (15) days or more than twenty (20) days prior to the redemption date to each holder of the Bonds or portions thereof to be redeemed at the last address shown on the registration books kept by the Trustee. Failure so to mail any such notice to the holder of any Bond or any defect therein shall not affect the validity of the proceedings for such redemption as to the holders of any Bonds to whom notice has been mailed. The Issuer agrees that it will execute and deliver to the Trustee such notice of redemption as may be required to accomplish the same.

Section 303. Cancellation. All Bonds which have been surrendered for the purpose of payment, redemption, exchange or transfer shall be cancelled by the Trustee. No Bonds shall be authenticated in lieu of or in exchange for any Bond cancelled as provided in this Section, except

as expressly permitted by this Indenture. All cancelled Bonds held by the Trustee shall be destroyed by the Trustee.

Section 304. Mandatory Redemption. As and for a sinking fund for the retirement of the Series 2015 Bonds, the payments required to be made under the Loan Agreement which are to be deposited into the Bond Fund on or before each August 1 to and including August 1, 2045 (each such day is hereinafter referred to as a “sinking fund payment date”), shall include sufficient moneys to redeem (after credit as provided below) the following amounts:

Each Bond so delivered or previously redeemed shall be credited by the Trustee at 100% of the

Section 305. Redemption Prior to Maturity. The Series 2015 Bonds are subject to redemption by lot or at the discretion of the Issuer prior to maturity on or after August 1, 2015, in whole at any time or in part on any Interest Payment Date, at the redemption prices (expressed as percentages of principal amount) set forth in the table below plus accrued interest or interest due thereon on such redemption date:

<u>Dates of Redemption</u>	<u>Redemption Price</u>

From August 1, 2020, through July 31, 2021	101%
From August 1, 2021, thereafter	100%

The Series 2015 Bonds will be subject to optional redemption by the Issuer, at the direction of the Borrower, in whole or in part, upon thirty (30) days' written notice by the Borrower to the Issuer after the date on which the Series 2015 Bonds shall have received an investment grade rating (BBB or Baa or higher) from any of Standard & Poor's Rating Services, Moody's Investors Service, or Fitch Ratings, or upon the discontinuation of all such rating agencies, any other nationally recognized rating service, at a redemption price equal to 103% of the principal amount of the Series 2015 Bonds to be redeemed, plus interest accrued thereon to the redemption date, if such redemption shall be before August 1, 2019, and at the respective redemption prices set forth in the foregoing section captioned "Optional Redemption" if such redemption shall be on or after such date.

Section 306. Payment of Series 2015 Bonds Upon Redemption. In the case of a redemption of any Bond or a portion thereof, on the date set for redemption in the written notice to Bondholders required to be given in Section 302, the Trustee, as paying agent, shall pay the redemption price upon surrender of such Bond to the Trustee in lawful money of the United

Upon surrender of a Bond for partial redemption, there shall be issued to such Bondholder for the unredeemed balance thereof, a Series 2015 Bond or Series 2015 Bonds in any of the authorized denominations as provided in Section 202. The Trustee shall be compensated for issuing such Series 2015 Bonds pursuant to Section 1002 hereof.

Section 307. Redemption. With respect to any redemption of Series 2015 Bonds, in whole or in part, the Trustee shall make such redemption by lot. Any partial redemption shall be in a multiple of \$5,000 or any integral multiple of \$1,000 in excess of such amount.

Section 401. Payment of Principal and Interest. The Issuer agrees that it will promptly pay the principal of, and the interest on, the Bonds at the place, on the dates and in the manner provided herein and in the Bonds according to the true intent and meaning hereof and thereof; provided, however, the Issuer is obligated to pay the principal of, and the interest on, the Bonds solely from payments received pursuant to the Loan Agreement, the Management Agreement and the Security Deed. The Bonds and the interest thereon shall not be deemed to constitute a debt or a general obligation or a pledge of the faith and credit of the City, the County, the State or any political subdivision of the State and the Bonds do not directly, indirectly or contingently obligate the City, the County, the State or any political subdivision of the State to levy or to pledge any form of taxation whatever for the payment of the principal of, or the interest on, the Bonds. No recourse shall be had for the payment of the principal of, or interest on, the Bonds against any officer, director or agent of the Issuer.

Section 402. Performance of Agreements; Authority. The Issuer agrees that it will faithfully perform at all times any and all agreements, undertakings, stipulations and provisions contained in this Indenture, in any and every Bond, and in all proceedings of the Issuer pertaining thereto. Section 403. Priority of Pledge and Security Interest. The pledge herein made of the Trust Estate and the security interest created herein with respect thereto constitutes a first and prior pledge of, and a security interest in, the Trust Estate. Said pledge and security interest shall

at no time be impaired directly or indirectly by the Issuer or the Trustee, and the Trust Estate shall not otherwise be pledged and, except as provided herein and in the Loan Agreement and in the Security Deed, no persons shall have any rights with respect thereto.

Section 404. Rights Under Loan Agreement and Security Deed. The Loan Agreement and the Security Deed set forth the respective obligations of the Issuer and the Borrower, including a provision that subsequent to the initial issuance of the Bonds and prior to payment in full thereof, the Loan Agreement and the Security Deed may not be effectively amended, changed, modified, altered or terminated (other than as provided thereon) without the written consent of the Trustee. Reference is hereby made to the Loan Agreement and the Security Deed for detailed statements of the obligations of the Borrower thereunder, and the Issuer agrees that the Trustee in its own name or in the name of the Issuer may enforce all rights of the Issuer and all obligations of the Borrower under and pursuant to the Loan Agreement and the Security Deed (except certain rights reserved by the Issuer under the terms hereof) for and on behalf of the Bondholders, including the collection of attorneys' fees, whether or not the Issuer is in default hereunder.

Section 405. Maintenance of Insurance; Payment of Taxes, Charges, etc. Pursuant to the provisions of Section 5.12 of the Loan Agreement, the Borrower has agreed to maintain certain insurance and to pay all lawful taxes, assessments and charges at any time levied or assessed upon or against the Premises described and conveyed thereunder, or any part thereof, which might impair or prejudice the lien afforded by this Indenture as to the Trust Estate; provided, however, that nothing contained in this Section shall require the maintenance of such insurance or the payment of any such taxes, assessments or charges if the same are not required to be maintained or paid under the provisions of Section 5.1 of the Loan Agreement.

Section 406. Maintenance and Repair. Pursuant to the provisions of Section 5.1 of the Loan Agreement, the Borrower has agreed at its own expense to cause the Premises described thereunder to be maintained, preserved and kept in good condition, repair and working order, and that it will, from time to time, cause to be made all needed repairs so that said Premises shall at all times be kept in good condition and repair, and that the Borrower may, at its own expense, make, from time to time, additions, modifications and improvements to said Premises under the terms and conditions set forth in Section 5.1 of the Loan Agreement.

Section 407. Insurance and Condemnation Proceeds. Reference is hereby made to Sections 5.12 and 5.13 of the Loan Agreement whereunder it is provided that under certain circumstances the respective proceeds of insurance and condemnation awards (or proceeds from a sale in lieu of condemnation) are to be paid to the Trustee and deposited in separate trust accounts (but not in the Bond Fund) and to be disbursed and paid out as provided in said Sections 5.12 and 5.13 of the Loan Agreement. The Trustee hereby accepts and agrees to perform the duties and obligations as therein specified.

Section 408. Covenants Regarding Maintenance of Borrower's Existence. The Borrower has covenanted that so long as the Loan Agreement is in effect, it will maintain its existence and will not merge or consolidate with any other corporation or sell or otherwise dispose of all or substantially all of its assets, provided that the Borrower may, without causing a

default under the Loan Agreement or this Indenture, merge or consolidate with another corporation or sell or otherwise transfer to another domestic partnership, corporation or other business entity all or substantially all of its assets as an entirety and thereafter dissolve, provided any surviving, resulting or transferee entity (i) is authorized to do business in the State of Georgia, (ii) is a domestic corporation, partnership, or other entity, or, if a natural person, is a resident of the United States of America, (iii) assumes in writing all of the obligations of the Borrower under the Loan Agreement, and Security Deed, (iv) has net worth (after giving effect to such transaction) at least equal to that of the Borrower immediately prior to such transaction, and (v) provided further that the Borrower immediately shall furnish to the Trustee an opinion of nationally recognized bond counsel or ruling of the Internal Revenue Service to the effect that no "Determination of Taxability" has theretofore occurred or will occur or result from such transaction and (vi) provided further that the Borrower immediately shall furnish to the Trustee a certificate certifying that no default under the Loan Agreement or under this Indenture theretofore occurred or resulted from such transaction.

Section 409. Indemnification of Issuer and Trustee.

(a) Pursuant to Section 5.2 of the Loan Agreement, Borrower has agreed to indemnify and save the Issuer and the Trustee harmless against and from all claims by or on behalf of any person, firm or corporation arising from the conduct or management of, or from any work or thing done on the Project and against and from all claims arising from (i) any condition of or operation of the Project, (ii) any breach or default on the part of Borrower in the performance of any of its obligations under the Loan Agreement, (iii) any act or negligence of Borrower or of any of its agents, contractors, servants, employees or licensees, or (iv) any act or negligence of any assignee or lessee of Borrower, or of any agents, contractors, servants, employees or licensees of any assignee or lessee of Borrower, provided however, this indemnity shall not apply to any acts of gross negligence or willful misconduct of the Issuer or the Trustee. The Borrower shall indemnify and save the Issuer and the Trustee harmless from and against all costs and expenses incurred in or in connection with any such claim arising as aforesaid from (i), (ii), (iii) or (iv) supra, or in connection with any action or proceeding brought thereon, including reasonable attorneys' fees actually incurred, and upon notice from the Issuer or the Trustee, Borrower shall defend them or either of them in any such action or proceeding.

(b) Pursuant to Section 5.2 of the Loan Agreement, Borrower has agreed that it will indemnify and hold the Trustee harmless from any and all liability, cost, or expense incurred without gross negligence or bad faith in the course of the Trustee's duties, including any act, omission, delay, or refusal of the Trustee in reliance upon any signature, certificate, order, demand, instruction, request, notice, or other instrument or document believed by it to be valid, genuine and sufficient.

(c) Notwithstanding the fact that it is the intention of the parties that the Issuer shall not incur any pecuniary liability by reason of the terms of the Loan Agreement, or the undertakings required of the Issuer hereunder, by reason of (i) the issuance of the Bonds; (ii) the execution of the Indenture; (iii) the performance of any act required of it by the Loan Agreement, the Security Deed, or the Indenture; (iv) the performance of any act requested of it by the Borrower; or (v) any other costs, fees, or expenses incurred by the Issuer with respect to the Project or the

financing thereof, including all claims, liabilities or losses arising in connection with the violation of any statutes or regulations pertaining to the foregoing, nevertheless, if the Issuer should incur any such pecuniary liability then in such event the Borrower, pursuant to the terms of Section 5.2 of the Loan Agreement, has agreed to indemnify and hold harmless the Issuer against all claims by or on behalf of any person, firm or corporation, arising out of the same, and all costs and expenses (including reasonable attorneys' fees) incurred in connection with any such claim or in connection with any action or proceeding brought thereon, and upon notice from the Issuer, the Borrower has agreed to defend the Issuer in any such action or proceeding and pay the reasonable attorneys' fees actually incurred by the Issuer in defending any such action.

The provisions of this Section shall survive the termination of the Loan Agreement.

The Issuer agrees that so long as any of the Bonds are outstanding it will pay, or cause to be paid, into the Bond Fund solely from the sources of payment described in Section 501 sufficient moneys to promptly pay the principal of, and the interest on, the Bonds as the same become due and payable (including mandatory sinking fund redemption pursuant to Section 304). To this end, the Issuer agrees that if there occurs an event of default under this Indenture, the Loan Agreement, or the Security Deed, the Issuer will fully cooperate with the Trustee and with the Bondholders to the end of fully protecting the rights and security of the Bondholders.

Section 504. Use of Moneys in the Bond Fund.

Except as provided in Sections 508, 702 and 1002, moneys in the Bond Fund shall be used solely for the payment of the principal (including redemption premiums) of, and the interest on, the Bonds. (b) Any moneys held by the Trustee in the special account in the Bond Fund shall be retained by the Trustee for the payment or the redemption of Bonds not yet presented for payment or redemption. If after three (3) years such moneys held for the holders of certain Bonds have not been claimed, it shall be the duty of the Trustee forthwith to return to the Borrower all moneys held by the Trustee in said special account, subject to any other requirements of law as may be applicable to such funds, and any such holder shall thereafter, as an unsecured general creditor, look only to the Borrower for the payment of any such Bond and all liability of the Trustee shall thereupon cease.

If the Issuer shall pay or cause to be paid the principal of, and the interest on, the Bonds at the times and in the manner stipulated therein and herein, and if the Issuer shall keep, perform and observe all and singular the agreements in the Bonds and herein expressed as to be kept, performed and observed by it or on its part, then the lien hereof, these presents and the Trust Estate and the security interests shall cease, determine and be void, and thereupon the Trustee, upon receipt by the Trustee of an opinion of Counsel stating that in the opinion of the signer all conditions precedent to the satisfaction and discharge of this Indenture and the Security Deed, and the security interests have been met, shall execute and deliver to the Issuer such instruments in writing as shall be required to cancel and discharge this Indenture and the Security Deed, and the security interests, and reconvey to the Issuer the Trust Estate, and assign and deliver to the Issuer so much of the Trust Estate as may be in its possession or subject to its control, except for moneys and Government Obligations held in the special account in the Bond Fund for the purpose of paying Bonds which have not yet been presented for payment; provided, however, such cancellation and discharge of the Indenture shall not terminate the powers and rights granted to the Trustee with respect to the payment, transfer and exchange of the Bonds.

Section 802. Provision for Payment of Bonds. Bonds shall be deemed to have been paid within the meaning of Section 801 if

- (a) there shall have been deposited irrevocably into the Bond Fund either:
 - (i) sufficient moneys, or
 - (ii) Government Obligations of such maturities and interest payment days and bearing such interest as will, without further investment or reinvestment of either the principal amount thereof or the interest earnings thereon (said earnings to be held in trust also), be sufficient together with any moneys referred to in subsection (i) above, for the payment at their respective maturities or redemption dates prior to maturity, of the principal thereof and the interest to accrue thereon to such maturity or redemption dates, as the case may be;
- (b) there shall have been paid to the Trustee all Trustee's and paying agent's fees and expenses due or to become due in connection with the payment or redemption of the Bonds or there shall be sufficient moneys in said special account to make said payments; and
- (c) if any Bonds are to be redeemed on any date prior to their maturity, the Issuer shall have given to the Trustee in form satisfactory to the Trustee irrevocable instructions to redeem such Bonds on such date and either evidence satisfactory to the Trustee

that all redemption notices required by this Indenture have been given or irrevocable power authorizing the Trustee to give such redemption notices.

Limitations elsewhere specified herein regarding the investment of moneys held by the Trustee in the Bond Fund shall not be construed to prevent the depositing and holding in said Bond Fund of the obligations described in the preceding subparagraph (a)(ii) for the purpose of defeasing the lien of this Indenture as to Bonds which have not yet become due and payable.

Section 803. Discharge of the Indenture. Notwithstanding the fact that the lien of this Indenture upon the Trust Estate may have been discharged and cancelled in accordance with Section 801, this Indenture and the rights granted and duties imposed hereby, to the extent not inconsistent with the fact that the lien upon the Trust Estate may have been discharged and cancelled, shall nevertheless continue and subsist until the principal of, and the interest on, all of the Bonds shall have been paid in full or the Trustee shall have returned to the Borrower pursuant to Section 508(b) of this Indenture all funds theretofore held by the Trustee for payment of any Bonds not theretofore presented for payment.

ARTICLE IX.
DEFAULT PROVISIONS AND REMEDIES
OF TRUSTEE AND BONDHOLDERS

Section 901. Defaults; Events of Default. If any of the following events occurs, subject to the terms of Section 912, it is hereby defined as and declared to be and to constitute an “event of default” hereunder.

(a) default in the due and punctual payment of any interest on any Bond;
or

(b) default in the due and punctual payment of the principal of any Bond, whether at the maturity date or the redemption date prior to maturity (including mandatory sinking fund redemption pursuant to Section 304), or upon maturity thereof by declaration; or

(c) subject to the provisions of Section 912, default in the performance or observance of any other of the agreements or conditions on the part of the Issuer herein or in the Bonds contained; or

(d) the occurrence of an “event of default” under the Loan Agreement as provided in Section 6.1 thereof, the Land Use Restriction Agreement or under the Security Deed.

Section 902. Other Remedies. Upon the occurrence of an event of default, the Trustee shall have the power to proceed with any right or remedy granted by the Constitution and laws of the State, as it may deem best in its sole discretion, including any suit, action or special proceeding in equity or at law for the specific performance of any agreement contained herein or for the enforcement of any proper legal or equitable remedy as the Trustee shall deem most effectual to protect the rights aforesaid, insofar as such may be authorized by law, and the right

to the appointment, a matter of right and without regard to the sufficiency of the security afforded by the Trust Estate or the solvency of the Borrower, of a receiver for all or any part of the Trust Estate; the rights herein specified are to be cumulative to all other available rights, remedies or powers and shall not exclude any such rights, remedies or power. Without intending to limit the foregoing rights, remedies and powers by virtue of such specification, the Trustee is authorized to exercise any and all rights available from time to time under the U.C.C. including the right to further assign the Issuer's right, title and interest in the Loan Agreement and the Security Deed to a third party.

Section 903. Rights of Bondholders. Upon the occurrence of an event of default and if requested so to do by the holders of not less than fifty-one percent (51%) of Bondholders responding to a poll conducted by the Trustee of the holders of all Outstanding Bonds (provided that such responding Bondholders constitute the Owners of at least thirty-five percent (35%) of the aggregate of Bonds Outstanding) and if indemnified as provided in Section 1001(i), the Trustee shall be obliged to accelerate the maturity date for payment of principal and interest on the Bonds and declare all principal on the Bonds to be due immediately and exercise such one or more of the rights and remedies conferred by this Article as directed by such holders, or in the absence of any such direction, as the Trustee, being advised by Counsel, shall deem to be in the interests of the Bondholders.

No right or remedy by the terms hereof conferred upon or reserved to the Trustee (or to the Bondholders) is intended to be exclusive of any other right or remedy, but each and every such right and remedy shall be cumulative and shall be in addition to any other right or remedy given to the Trustee or to the Bondholders or now or hereafter existing at law, in equity or by statute.

No delay or omission to exercise any right or remedy accruing upon any event of default shall impair any such right or remedy or shall be construed to be a waiver of any such event of default or acquiescence therein; and every such right and remedy may be exercised from time to time and as often as may be deemed expedient.

No waiver of any event of default hereunder, whether by the Trustee or by the Bondholders, shall extend to or shall affect any subsequent event of default or shall impair any rights or remedies consequent thereon.

Section 904. Rights of Bondholders to Direct Proceedings. Anything herein to the contrary notwithstanding, the holders of a majority in principal amount of Bonds then outstanding shall have the right, at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions hereof, or for the appointment of a receiver or any other proceedings hereunder; provided, that such direction shall not be otherwise than in accordance with the provisions hereof and of law.

Section 905. Appointment of Receivers. Upon the occurrence of an event of default and upon the filing of a suit or other commencement of judicial proceedings to enforce the rights

and remedies of the Trustee and of the Bondholders hereunder, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver or receivers of the Trust Estate, pending such proceedings, with such powers as the court making such appointment shall confer.

Section 906. Waiver of Benefit of Laws. Upon the occurrence of an event of default, to the extent that such rights may then lawfully be waived, neither the Issuer, nor anyone claiming through or under it, shall set up, claim or seek to take advantage of any appraisalment, valuation, stay, extension or redemption laws now or hereafter in force, in order to prevent or hinder the enforcement of the Security Deed or the foreclosure of the Security Deed, but the Issuer, for itself and all who may claim through or under it, hereby waives, to the extent that they lawfully may do so, the benefit of all such laws and all right of appraisalment and redemption to which it may be entitled under the laws of the State.

Section 907. Application of Moneys. All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article shall, after payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Trustee, including, without limitation, fees and expenses of its attorneys and consultants, be deposited into the Bond Fund, and all moneys in the Bond Fund (other than moneys held pursuant to Section 505 or Section 802) shall be applied, as follows:

(a) Unless the principal of all the Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied:

FIRST - to the payment to the persons entitled thereto of all installments of interest then due on the Bonds, in the order of the maturity of the installments of such interest and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or privilege; and

SECOND - to the payment to the persons entitled thereto of the unpaid principal of any of the Bonds which shall have become due, in the order of their due dates, with interest on such Bonds from the respective dates upon which they become due and, if the amount available shall not be sufficient to pay in full Bonds due on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto without any discrimination or privilege.

(b) If the principal of all the Bonds shall have become due or shall have been declared due and payable, all such moneys shall be applied to the payment of the principal and the interest then due and unpaid upon the Bonds without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or privilege;

(c) If the principal of all the Bonds shall have been declared due and payable, and if such declaration shall thereafter have been rescinded and annulled under the provisions of this Article, subject to the provisions of paragraph (b) of this Section in the event that the principal of all the Bonds shall later become due or be declared due and payable, the moneys shall be applied in accordance with the provisions of paragraph (a) of this Section.

Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time, as the Trustee shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Trustee shall apply such funds, it shall fix the date (which shall be an interest payment date unless it shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such dates shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date, and shall not be required to make payment to the holder of any Bond until such Bond shall be presented to the Trustee.

Whenever all Bonds and the interest thereon have been paid under the provisions of this Section and all expenses and charges of the Trustee and paying agent have been paid, any balance remaining in the Bond Fund shall be paid to the Borrower as provided in Section 508.

Section 908. Rights and Remedies Vested in Trustee. All rights and remedies of action (including the right to file proof of claims) hereunder or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any holders of the Bonds, and any recovery of judgment shall be for the equal and ratable benefit of the holders of the Bonds.

Section 909. Rights and Remedies of Bondholders. No holder of any Bond shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement hereof, for the execution of any trust hereof or for the appointment of a receiver or to enforce any other right or remedy hereunder, unless a default has occurred of which the Trustee has been notified as provided in subsection (e)(iv) of Section 1001, or of which by said subsection it is deemed to have notice, and unless also such default shall have become an event of default and the holders of not less than fifty-one percent (51%) of Bondholders responding to a poll conducted by the Trustee of the holders of all Outstanding Bonds (provided that such responding Bondholders constitute the Owners of at least thirty-five percent (35%) of the aggregate of Bonds Outstanding) and shall have offered reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name, and unless also such Bondholders have offered to the Trustee indemnity as provided in Section 1001(i), and unless also the Trustee shall thereafter fail or refuse to exercise the powers hereinbefore granted, or to institute such action, suit or proceeding in its own name. Such notification, request and offer of indemnity are hereby declared in every case at the option of the Trustee to be conditions precedent to the execution of the powers and trusts hereof, and to any

action or cause of action for the enforcement hereof, or for the appointment of a receiver or for any other right or remedy hereunder; it being understood and intended that no one or more holders of the Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice the lien hereof by its, his or their action or to enforce any right or remedy hereunder except in the manner herein provided, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the equal and ratable benefit of the holders of all Bonds. Nothing herein contained shall, however, affect or impair the right of any Bondholder to enforce the payment of the principal of, and the interest on, any Bond at and after the maturity thereof, or the obligation of the Issuer to pay the principal of, and the interest on, each of the Bonds issued hereunder to the respective holders thereof at the time, place, from the source and in the manner expressed in the Bonds.

In the event that any holder acts unilaterally contrary to the provisions set forth in this Section 909, the interest of such holder shall no longer be entitled to ratable protection under this Indenture, and all fees and expenses incurred by the Trustee or chargeable to the Trust Estate shall be paid by, or levied against the interest of such holder; it being the intent that neither the Trustee nor other holders should bear the costs associated with such unilateral action.

Section 910. Termination of Proceedings. If the Trustee shall have proceeded to enforce any right or remedy hereunder by the appointment of a receiver, by entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer, the Trustee, and the Borrower shall be restored to their former positions, rights and obligations hereunder with respect to the Trust Estate, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

Section 911. Waivers of Events of Default. The Trustee shall waive any event of default hereunder and its consequences and rescind any declaration of maturity of principal upon the written request of the holders of a majority in principal amount of all Bonds then outstanding in the case of any event of default; provided, however, that there shall not be waived:

(a) any event of default pertaining to the payment of the principal of any Bond at its maturity date or redemption date prior to maturity (including any mandatory sinking fund redemption date),

(b) any event of default pertaining to the payment when due of the interest on any Bond, or

(c) any Act of Bankruptcy, insolvency proceedings, liquidation, dissolution, or reorganization, unless prior to such waiver or rescission, all arrears of interest, with interest (to the extent permitted by law) at the rate per annum borne by the Bonds in respect of which such event of default shall have occurred on overdue installments of interest, and all expenses of the Trustee in connection with such event of default, shall have been paid or provided for, and in case of any such waiver or rescission, or in case any proceeding taken by the Trustee on account of any such event of default shall have been discontinued or abandoned or

determined adversely, then and in every such case the Issuer, the Trustee, the Borrower, and the Bondholders shall be restored to their former positions and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other event of default, or impair any right consequent thereon. The Trustee shall not have any discretion to waive any event of default hereunder and its consequences except in the manner and subject to the terms expressed above.

Section 912. Notice of Defaults; Opportunity of Issuer and Borrower to Cure Defaults.

No default specified in Section 901(c) shall constitute an event of default hereunder until notice of such default by registered or certified mail shall be given by the Trustee to the Issuer and the Borrower, and the Issuer and the Borrower shall have had thirty (30) days after receipt of such notice to correct said default or cause said default to be corrected, and shall not have corrected said default or caused said default to be corrected within the applicable period; provided, further, that if a default specified in said Section 901(c) be such that it can be corrected but not within the period specified herein, it shall not constitute the basis of an event of default hereunder (a) if corrective action capable of remedying such default is instituted by the Issuer within the applicable period and diligently pursued until the default is corrected, but in any event within ninety (90) days after such notice and (b) if the Issuer shall within the applicable period furnish to the Trustee a certificate executed as provided in Section 1001(e)(ii) certifying that said default is such that it can be corrected but not within the applicable period and that corrective action capable of remedying such default has been instituted and is being diligently pursued and will be diligently pursued until the default is corrected, but in any event within ninety (90) days after such notice. The Issuer shall notify the Trustee by certificate executed as above when such default has been corrected. The Trustee shall be entitled to rely upon any such certificate given pursuant to this Section.

With regard to any default concerning which notice is given to the Borrower or the Issuer under the provisions of this Section, the Issuer hereby grants to the Borrower full authority to perform any obligation the performance of which by the Issuer is alleged in said notice to be in default, such performance by the Borrower to be in the name and stead of the Issuer with full power to do any and all things and acts to the same extent that the Issuer could do and perform any such things and acts and with power of substitution.

Section 913. Bondholder Lists. In case at any time the holders of at least ten percent (10%) in aggregate principal amount of the Bonds outstanding shall have so requested in writing, the Trustee shall, unless prohibited by law, provide a list of the current Bondholders to such Bondholders as have made the request.

ARTICLE X.
THE TRUSTEE

Section 1001. Acceptance of the Trusts. The Trustee hereby accepts the trusts imposed upon it hereby, and agrees to perform said trusts, but only upon and subject to the following express terms and conditions:

(a) The Trustee, prior to the occurrence of an event of default and after the curing or waiver of all events of default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied agreement or obligations shall be read into this Indenture against the Trustee. In case an event of default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in a like situation.

(b) The Trustee may execute any of the trusts or powers hereof and perform any of its duties by or through attorneys, agents, receivers or employees but shall be answerable for the conduct of the same in accordance with the standard specified in subsection (a) above, and shall be entitled to advice of Counsel concerning all matters of trusts hereof and the duties hereunder, and may in all cases pay and be reimbursed for such reasonable compensation to all such attorneys, agents, receivers and employees as may reasonably be employed in connection with the trusts hereof. The Trustee may act upon the opinion or advice of any attorney (who may be the attorney or attorneys for the Issuer or the Borrower), approved by the Trustee in the exercise of reasonable care. The Trustee shall not be responsible for any loss or damage resulting from any action or non-action in good faith in reliance upon such opinion or advice.

(c) The Trustee shall not be responsible for any recital herein, or in the Bonds (except in respect to the authentication certificate of the Trustee endorsed on the Bonds), or for the recording or re-recording, filing or re-filing of the Security Deed or the Indenture or for insuring the Trust Estate or any part of the Project, or for the validity of the execution hereof by the Issuer or of any supplements hereto or instruments of further assurance, or for the sufficiency of the security for the Bonds; and the Trustee shall not be bound to ascertain or inquire as to the performance or observance of any agreements or conditions on the part of the Issuer or on the part of the Borrower under the Agreement or the Security Deed except as hereinafter set forth; but the Trustee may require but shall have no duty so to require of the Issuer or the Borrower full information and advice as to the performance of the agreements and conditions aforesaid and as to the condition of the Trust Estate.

(d) The Trustee shall not be liable or responsible because of the failure of the Issuer or of any of its employees or agents to perform any act herein required of the Issuer or because of the loss of any monies arising through the insolvency or the act or default or omission of any other depository in which such monies shall have been deposited under the provisions of this Indenture. The Trustee shall not be responsible or liable for any loss suffered in connection with any investment of funds made by it in accordance with Sections 701 and 702. Except to the extent herein specifically provided, the Trustee shall not be accountable for the use of the proceeds of any of the Bonds. The Trustee in any capacity may become the holder or pledgee of any of the Bonds with the same rights which it would have if it were not Trustee.

(e) Except as is otherwise provided in subsection (a) above:

(i) The Trustee shall be protected and shall incur no liability in acting or refraining from acting upon any notice, request, consent, certificate, order, affidavit,

letter, telegram or other paper or document believed to be genuine and correct and to have been signed, presented or sent by the proper person or persons. Any action or nonaction taken by the Trustee, pursuant hereto upon the request, authority or consent of any person who at the time of making such request or giving such authority or consent is the holder of any Bond, shall be conclusive and binding upon all future holders of the same Bond and upon Bonds issued in exchange therefor or in place thereof.

(ii) As to the existence or non-existence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, the Trustee shall be entitled to rely upon a certificate signed on behalf of the Issuer by its Chairman or Vice Chairman and attested by its Secretary as sufficient evidence of the facts therein contained and prior to the occurrence of a default of which the Trustee has been notified as provided in subsection (e)(iv) of this Section, or of which by said subsection it is deemed to have notice, shall also be at liberty to accept a similar certificate to the effect that any particular dealing, transaction or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same. The Trustee shall accept a certificate of the Secretary of the Issuer under its seal to the effect that a resolution in the form therein set forth has been adopted by the Issuer as conclusive evidence that such resolution has been adopted and is in full force and effect.

(iii) The right of the Trustee to do things enumerated herein shall not be construed as a duty and the Trustee shall not be answerable for other than its gross negligence or willful misconduct.

(iv) The Trustee shall not be required to take notice or be deemed to have notice of any default hereunder except failure by the Issuer to cause to be made any of the payments to the Trustee required to be made by Article V unless the Trustee shall be specifically notified in writing of such default by the Issuer or by the holders of at least twenty-five percent (25%) in principal amount of the Bonds. All notices or other instruments required to be delivered to the Trustee must, in order to be effective, be delivered at the principal office of the Trustee, and in the absence of such notice so delivered the Trustee shall conclusively assume there is no default except as aforesaid. In the event that any payment required to be made by Article V is not paid when due, the Trustee shall immediately notify the Borrower by telephone notice that such payment has not been made and shall immediately confirm such notice by registered letter to the Borrower.

(f) At reasonable times and as often as reasonably requested in connection with its rights under this Indenture, the Trustee and its duly authorized agents, attorneys or other representatives shall have the right but not the obligation to inspect the Project and all books, papers and records of the Issuer and the Borrower pertaining to the Project or Bonds and to make copies thereof and take such memoranda from and in regard thereto as may be desired.

(g) The Trustee shall not be required to give any bond or surety in respect of the execution of the said trusts and powers or otherwise in respect of the premises.

(h) Notwithstanding anything elsewhere herein contained, the Trustee shall have the right, but shall not be required, to demand, in respect of the authentication of any Bonds, the withdrawal of any cash or any action whatsoever within the purview hereof, any showings, certificates, opinions, appraisals or other information, or corporate action or evidence thereof, in addition to that required by the terms hereof as a condition of such action by the Trustee which the Trustee deems desirable for the purpose of establishing the right of the Issuer to the authentication of any Bonds, the withdrawal of any cash, or the taking of any other action by the Trustee.

(i) Before taking such action hereunder the Trustee may require that a satisfactory indemnity bond be furnished for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from the gross negligence or willful misconduct of the Trustee by reason of any action so taken.

(j) All moneys received by the Trustee or any paying agent for the Bonds shall, until used or applied or invested as herein provided, be held in trust for the purposes for which they were received but need not be segregated from other funds except to the extent required herein or by law. Neither the Trustee nor any such paying agent shall be under any liability for interest on any moneys received hereunder except such as may be agreed upon.

(k) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(l) The Trustee shall have no responsibility with respect to any information, statement, or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds.

(m) Anything to the contrary notwithstanding, the Trustee shall not be required to enter, take possession of, or take any other action whatsoever with respect to the Project, and shall not be required to initiate foreclosure proceedings with respect to the Project and the Security Deed unless the Trustee is satisfied that the Trustee will not be subject to any liability under any local, state or federal environmental laws or regulations of any kind whatsoever or from any circumstances present at the Project relating to the presence, use, management, disposal of, or contamination by any environmentally hazardous materials or substances of any kind whatsoever.

(n) The immunities extended to the Trustee also extend to its directors, officers, employees and agents.

(o) The Trustee shall not be liable for any action taken or not taken by it in accordance with the direction of a majority (or other percentage provided for herein) in aggregate principal amount of Bonds outstanding relating to the exercise of any right, power or remedy available to the Trustee.

(p) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty.

Section 1002. Fees, Charges and Expenses of Trustee.

(a) The Trustee shall be entitled to payment of and reimbursement for customary fees for its services rendered hereunder and for all advances, counsel fees and other expenses reasonably made or incurred by the Trustee in connection with such services including, but not limited to, the Trustee's extraordinary fees and expenses. The Trustee shall be entitled to payment and reimbursement for the reasonable fees and charges of the Trustee as paying agent and Bond Registrar for the Bonds, if any, as herein above provided. The Trustee may charge its fees and expenses against any fund thirty (30) days following rendering of charges. Upon the occurrence of an event of default, but only upon such occurrence, the Trustee shall have a first lien on the Trust Estate with right of payment prior to payment of, the principal of, and the interest on, any Bond for the foregoing advances, fees, costs and expenses incurred.

(b) The Trustee shall be entitled to payment and reimbursement for special services and expenses (including but not limited to those listed herein), rendered on behalf of an individual Bondholder, which special services and expenses have been incurred at the written request of such individual Bondholder. The Trustee may, but is not obligated to, render such special services and expenses and to charge a reasonable fee for such special services and expenses which shall be paid for by such individual Bondholder. The Trustee may charge these expenses against any fund held on behalf of such individual Bondholder thirty (30) days following the rendering of charges.

Section 1003. Notice to Bondholders If Default Occurs. If a default occurs of which the Trustee is by subsection (e)(iv) of Section 1001 required to take notice or if notice of a default be given as in said subsection (e)(iv) provided, then the Trustee shall give written notice thereof by first class mail to the holders of all Bonds then outstanding, and, as to defaults described in Section 901(c), to the Borrower and the Issuer.

Section 1004. Intervention by Trustee. In any judicial proceeding to which the Issuer is a party which, in the opinion of the Trustee and its Counsel, has a substantial bearing on the interest of the Bondholders, the Trustee may intervene on behalf of the Bondholders and shall do so if requested in writing by the holders of at least fifty-one percent (51%) of Bondholders responding to a poll conducted by the Trustee of the holders of all Outstanding Bonds (provided that such responding Bondholders constitute the Owners of at least thirty-five percent (35%) of the aggregate of Bonds Outstanding). The rights and obligations of the Trustee under this Section are subject to the approval of a court of competent jurisdiction if such approval is required by law as a condition to such intervention.

Section 1005. Successor Trustee. Any corporation or association into which the Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, ipso facto, shall be and become successor Trustee hereunder and be vested with all of the title to the Trust

Estate and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 1006. Resignation by the Trustee. The Trustee and any successor Trustee may at any time resign from the trusts hereby created by giving ninety (90) days written notice to the Issuer, the Borrower and each Bondholder, and such resignation shall take effect at the end of such ninety (90) day period, or upon the earlier appointment of a successor Trustee by the Bondholders or by the Issuer and the acceptance of such appointment by such Successor Trustee. Such notice may be served personally or sent by registered or certified mail.

Section 1007. Removal of the Trustee. The Trustee may be removed at any time, by either (i) an instrument or concurrent instruments in writing delivered to the Trustee, the Issuer, and the Borrower and signed by the holders of a majority in principal amount of the Bonds; (ii) an instrument in writing delivered to the Trustee and Borrower and signed by the Issuer; or (iii) an instrument in writing delivered to the Trustee and Issuer and signed by the Borrower, provided that the fees and expenses of the Trustee have been paid in full.

Section 1008. Appointment of Successor Trustee by the Bondholders; Temporary Trustee. If the Trustee shall resign, be removed, be dissolved, be in course of dissolution or liquidation, or shall otherwise become incapable of acting hereunder or in case it shall be taken under the control of any public officer, officers or a receiver appointed by a court, a successor may be appointed by the holders of a majority in principal amount of the Bonds, by an instrument or concurrent instruments in writing signed by such holders, or by their attorneys-in-fact, duly authorized; provided, nevertheless, that in case of such vacancy the Issuer, by an instrument signed by its Chairman or Vice Chairman and attested by its Secretary under its seal, may appoint a temporary Trustee to fill such vacancy until a successor Trustee shall be appointed by the Bondholders in the manner above provided; and any such temporary Trustee shall immediately and without further act be superseded by the Trustee so appointed by such Bondholders. Every such Trustee appointed pursuant to the provisions of this Section shall be a trust company or bank (having trust powers) in good standing, shall be located within or outside the State.

Section 1009. Concerning Any Successor Trustee. Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the Issuer and the Borrower an instrument in writing accepting such appointment hereunder, and thereupon such successor, without any further act, deed or conveyance, shall become fully vested with all the estates, properties, powers, trusts, duties and obligations of its predecessor; but such predecessor shall, nevertheless, on the written request of the Issuer, or of its successor, execute and deliver an instrument transferring to such successor Trustee all the estates, properties, rights, powers and trusts of such predecessor hereunder; and every predecessor Trustee shall deliver all securities and moneys held by it as Trustee hereunder to its successor. Should any instrument in writing from the Issuer be required by any successor Trustee in order to more fully and certainly vest in such successor the estates, properties, rights, powers and trusts hereby vested or intended to be

vested in the predecessor, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Issuer. The resignation of any Trustee and the instrument or instruments removing any Trustee and appointing a successor hereunder, together with all other instruments provided for in this Article, shall be filed and/or recorded by the successor Trustee in each recording office where this Indenture, the Security Deed and the Financing Statements shall have been filed and/or recorded.

Section 1010. Right of Trustee to Pay Taxes and Other Charges. If any tax, assessment or governmental or other charge upon any part of the Trust Estate or the Project is not paid as required herein, the Trustee may pay such tax, assessment or charge, without prejudice, however, to any rights of the Trustee or the Bondholders hereunder arising in consequence of such failure; and any amount at any time so paid under this Section, with interest thereon from the date of payment at the rate per annum borne by the Bonds, shall become so much additional indebtedness secured hereby, and the same shall be given a preference in payment over the principal of, and the interest on, the Bonds and shall be paid out of the revenues and receipts from the Trust Estate if not otherwise caused to be paid; but the Trustee shall not be under obligation to make any such payment unless it shall have been requested to do so by at least fifty-one percent (51%) of Bondholders responding to a poll conducted by the Trustee of the holders of all Outstanding Bonds (provided that such responding Bondholders constitute the Owners of at least thirty-five percent (35%) of the aggregate of Bonds Outstanding) and shall have been provided with sufficient moneys for the purpose of making such payment.

Section 1011. Trustee Protected in Relying Upon Resolutions, etc. The resolutions, opinions, certificates and other instruments provided for herein may be accepted by the Trustee as conclusive evidence of the facts and conclusions stated therein and shall be full warrant, protection and authority to the Trustee for the withdrawal or payment of moneys or other action taken hereunder.

Section 1012. Successor Trustee as Custodian of Funds, Paying Agent and Bond Registrar. Upon a change in the office of Trustee the predecessor Trustee which has resigned or has been removed shall cease to be the holder of the Bond Fund, the Project Fund, and any other funds or accounts established pursuant hereto, paying agent for the principal of, and the interest on, the Bonds and Bond Registrar, and the successor Trustee shall become such holder, paying agent and Bond Registrar.

Section 1013. Filing of Certain Continuation Statements. From time to time, the Trustee shall file or cause to be filed continuation statements for the purpose of continuing without lapse the effectiveness of (i) those Financing Statements which shall have been filed at or prior to the issuance of the Bonds in connection with the security for the Bonds pursuant to the authority of the U.C.C., and (ii) any previously filed continuation statements which shall have been filed as herein required. The Issuer and the Borrower shall sign and deliver to the Trustee or its designee such continuation statements as may be requested of it from time to time by the Trustee. Upon the filing of any such continuation statement the Trustee shall immediately notify the Issuer that the same has been accomplished.

Section 1014. Supplying of Names and Addresses Bondholders Desiring Certain Financial Information. The Trustee shall promptly notify the Borrower of the name and address of any Bondholder who has notified the Trustee of his desire to receive the financial information referred to in Section 5.4 of the Loan Agreement, which information the Borrower has agreed to forward to each such Bondholder at the specified address.

Section 1015. Trustee Entitled to Indemnity.

(a) The Borrower shall indemnify the Trustee against any loss, liability or expense incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, except as set forth in subsection (b) below. The Trustee shall notify the Borrower promptly of any claim for which it may seek indemnity. Except where the Borrower is the claimant, the Borrower shall defend the claim, and the Trustee shall cooperate in the defense. The Trustee may have separate counsel, and the Borrower shall pay the reasonable fees and expenses actually incurred of such counsel.

(b) The Borrower shall not be obligated to reimburse any expense or to indemnify against any loss or liability incurred by the Trustee through gross negligence, bad faith, or willful misconduct.

(c) To secure the Borrower's payment obligations in this Section, the Trustee shall have a lien prior to the lien of the Trustee for the benefit of the owners of the Bonds on all money or property held or collected by the Trustee. Such obligations shall survive the satisfaction and discharge of this Indenture.

(d) When the Trustee incurs expenses or renders services after an event of default, the expenses and compensation for the services are intended to constitute expenses of administration under any applicable bankruptcy law.

(e) The Trustee may, nevertheless, begin suit, or appear in and defend suit, or do anything else in its judgment proper to be done by it as such Trustee, without indemnity, and in such case the Borrower shall reimburse the Trustee from funds available therefor under the Loan Agreement for all costs and expenses, outlays and counsel fees and other reasonable disbursements properly incurred in connection therewith. If the Borrower shall fail to make reimbursement, the Trustee may reimburse itself from any monies in its possession under the provisions of this Indenture and shall be entitled with respect thereto to a preference over the Bonds.

Section 1016. Appointment of Co-Trustee. It is the purpose of this Indenture that there shall be no violation of any law of any jurisdiction (including without limitation, the laws of the State) denying or restricting the right of banks or trust companies to transact business as trustees in that jurisdiction. It is recognized that, (a) if there is litigation under the Indenture or other instruments or documents relating to the Bonds and the Project, and in particular, in case of the enforcement hereof or thereof upon a default or an Event of Default, or (b) if the Trustee should deem that, by reason of any present or future law of any jurisdiction, it may not (i) exercise any

of the powers, rights or remedies granted herein to the Trustee, (ii) hold title to the properties, in trust, as granted herein, or (iii) take any action which may be desirable or necessary in connection therewith, it may be necessary that the Trustee appoint an individual or additional institution as a Co-Trustee. The following provisions of this Section are adapted to these ends.

In the event that the Trustee appoints an individual or additional institution as a Co-Trustee, each and every trust, property, remedy, power, right, duty, obligation, discretion, privilege, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended by this Indenture to be exercised by, vested in or conveyed to the Trustee shall be exercisable by, vest in and be conveyed to that Co-Trustee, but only to the extent necessary for it to be so vested and conveyed and to enable that Co-Trustee to exercise it. Every covenant, agreement and obligation necessary to the exercise thereof by that Co-Trustee shall run to and be enforceable by it.

This Article X of this Indenture is hereby made applicable to any Co-Trustee appointed hereunder.

Should any instrument or document in writing from the Issuer reasonably be required by any Co-Trustee for vesting and conveying more fully and certainly in and to that Co-Trustee those trusts, properties, remedies, powers, rights, duties, obligations, discretions, privileges, claims, demands, causes of action, immunities, estates, titles, interests and liens, that instrument or document shall be executed, acknowledged and delivered, but not prepared, by the Issuer. Any Co-Trustee may resign or be removed and a successor Co-Trustee appointed upon the same terms as provided for the Trustee.

ARTICLE XI. MEETINGS OF BONDHOLDERS

Section 1101. Purposes for Which Bondholders' Meetings May Be Called. A meeting of Bondholders may be called at any time and from time to time for any of the following purposes:

(a) to give any notice to the Issuer, the Borrower, or the Trustee, or to give any directions to the Trustee, or to consent to the waiving of any default or event of default hereunder and its consequences, or to take any other action authorized to be taken by Bondholders pursuant to Section 909;

(b) to remove the Trustee pursuant to Section 1007, and to appoint a successor trustee pursuant to Section 1008;

(c) to consent to the execution of a supplemental indenture pursuant to Section 1202, or to consent to the execution of an amendment, change or modification of the Loan Agreement pursuant to Section 1302; or

(d) to take any other action authorized to be taken by or on behalf of the holders of any specified principal amount of the Bonds under any other provision hereof or under applicable law.

Section 1102. Place of Meetings of Bondholders. Meetings of Bondholders may be held at such place or places as the Trustee or, in case of its failure to act, the Bondholders calling the meeting shall from time to time determine.

Section 1103. Call and Notice of Bondholders' Meetings.

(a) The Trustee may at any time call a meeting of Bondholders to be held at such time and at such place as the Trustee shall determine. Notice of every meeting of Bondholders, setting forth the time and the place of such meeting and in general terms the action proposed to be taken at such meeting, shall be by first class mail postage prepaid, to the Bondholders at the address shown on the registration books.

(b) In case at any time at least fifty-one percent (51%) of Bondholders responding to a poll conducted by the Trustee of the holders of all Outstanding Bonds (provided that such responding Bondholders constitute the Owners of at least thirty-five percent (35%) of the aggregate principal of Bonds Outstanding) shall have requested the Trustee to call a meeting of the Bondholders by written request setting forth in reasonable detail the action proposed to be taken at the meeting, and the Trustee shall not have given the notice of such meeting within twenty (20) days after receipt of such request, then such Bondholders may determine the time and the place for such meeting and may call such meeting to take any action authorized in Section 1201 by giving notice thereof as provided in subsection (a) of this Section.

Section 1104. Persons Entitled to Vote at Bondholders' Meetings. To be entitled to vote at any meeting of Bondholders, a person shall be a holder of one or more Bonds outstanding, or a person appointed by an instrument in writing as proxy for a Bondholder by such Bondholder. The only persons who shall be entitled to be present or to speak at any meeting of Bondholders shall be the persons entitled to vote at such meeting and their Counsel and any representatives of the Trustee and its Counsel and any representatives of the Borrower and its Counsel and any representatives of the Issuer and its Counsel.

Section 1105. Determination of Voting Rights; Conduct and Adjournment of Meetings.

(a) Notwithstanding any other provisions hereof, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of Bondholders in regard to proof of the holding of Bonds and of the appointment of proxies and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it shall deem appropriate. Except as otherwise permitted or required by any such regulations, the holding of Bonds shall be proved in the manner specified in Section 1401 and the appointment of any proxy shall be proved in the manner specified in Section 1401 or by having the signature of the person executing the proxy witnessed or guaranteed by any bank, banker or

trust company authorized by Section 1401 to certify to the holding of Bonds. Such regulations may provide that written instruments appointing proxies, regular on their face, may be presumed valid and genuine without the proof specified in Section 1401 or other proof.

(b) The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by Bondholders as provided in subsection (b) of Section 1103, in which case the Bondholders called the meeting shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the holders of a majority of the Bonds represented at the meeting and entitled to vote.

(c) At any meeting each Bondholder or proxy shall be entitled to one vote for each \$5,000 principal amount of Bonds outstanding held or represented by him; provided, however, that no vote shall be cast or counted at any meeting in respect of any Bond challenged as not outstanding and ruled by the chairman of the meeting to be not outstanding. The chairman of the meeting shall have no right to vote, except as a Bondholder or proxy.

(d) At any meeting of Bondholders, the presence of persons holding or representing Bonds in an aggregate principal amount sufficient under the appropriate provision hereof to take action upon the business for the transaction of which such meeting was called shall constitute a quorum. Any meeting of Bondholders called pursuant to Section 1103 may be adjourned from time to time by vote of the holders (or proxies for the holders) of a majority of the Bonds represented at the meeting and entitled to vote, whether or not a quorum shall be present; and the meeting may be held as so adjourned without further notice.

Section 1106. Counting Votes and Recording Action of Meetings. The vote upon any resolution submitted to any meeting of Bondholders shall be by written ballots on which shall be subscribed the signatures of the Bondholders or of their representatives by proxy and the number or numbers of the Bonds outstanding held or represented by them. The permanent chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in duplicate of all votes cast at the meeting. A record, at least in triplicate, of the proceedings of each meeting of Bondholders shall be prepared by the secretary of the meeting and there shall be attached to said record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that said notice was published or mailed as provided in Section 1103. Each copy shall be signed and verified by the affidavits of the permanent chairman and secretary of the meeting and one such copy shall be delivered to the Issuer, another to the Borrower and another to the Trustee to be preserved by the Trustee, which copy shall have attached thereto the ballots voted at the meeting. Any record so signed and verified shall be conclusive evidence of the matters therein stated.

Section 1107. Revocation by Bondholders. At any time prior to (but not after) the evidencing to the Trustee, in the manner provided in Section 1106, of the taking of any action by the holders of the percentage in aggregate principal amount of the Bonds specified herein in

connection with such action, any holder of a Bond the number of which is included in the Bonds the holders of which have consented to such action may, by filing written notice with the Trustee at its principal office and upon proof of holding as provided in Section 1401, revoke such consent so far as concerns such Bond. Except as aforesaid any such consent given by the holder of any Bond shall be conclusive and binding upon such holder and upon all future holders of such Bond and of any Bond issued in exchange therefor or in lieu thereof, irrespective of whether or not any notation in regard thereto is made upon such Bond. Any action taken by the holders of the percentage in principal amount of the Bonds specified herein in connection with such action shall be conclusively binding upon the Issuer, the Borrower, the Trustee and the holders of all the Bonds.

ARTICLE XII.
SUPPLEMENTAL INDENTURES

Section 1201. Supplemental Indentures Not Requiring Consent of Bondholders. The Issuer and the Trustee may without the consent of, or notice to, any of the Bondholders, enter into an indenture or indentures supplemental hereto which shall not be inconsistent with the terms and provisions hereof for any one or more of the following purposes, provided that in the opinion of Independent Counsel the change effected thereby is not to the prejudice of the interests of the Trustee or the Bondholders:

- (a) to cure any ambiguity or formal defect;
- (b) to grant to or confer upon the Trustee for the benefit of the Bondholders any additional rights, remedies, powers or authorities that may lawfully be granted to or conferred upon the Bondholders or the Trustee or either of them;
- (c) to subject to the lien and pledge hereof additional payments, revenues, properties or collateral;
- (d) to modify, amend or supplement this Indenture or any indenture supplemental hereto in such manner as to permit the qualification hereof and thereof under the Trust Indenture Act of 1939, as amended, or any similar Federal statute hereafter in effect or to permit the qualification of the Bonds for sale under the securities laws of any of the states of the United States of America, and, if they so determine, to add hereto or to any indenture supplemental hereto such other terms, conditions and provisions as may be permitted by said Trust Indenture Act of 1939 or similar Federal statute; or
- (e) to evidence the appointment of a separate Trustee or co-trustee or the succession of a new Trustee hereunder.

Section 1202. Supplemental Indentures Requiring Consent of Bondholders. Exclusive of supplemental indentures covered by Section 1201 and subject to the terms and provisions contained in this Section, and not otherwise, fifty-one percent (51%) or more of Bondholders responding to a poll conducted by the Trustee of the holders of all Outstanding

Bonds (provided that such responding Bondholders constitute the Owners of at least thirty-five percent (35%) of the aggregate principal of Bonds Outstanding) shall have the right, from time to time, anything contained herein to the contrary notwithstanding, to consent to and approve the execution by the Issuer and the Trustee of such other indenture or indentures supplemental hereto as shall be deemed necessary and desirable by the Issuer for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained herein or in any supplemental indenture; provided, however, that nothing in this Section contained shall permit, or be construed as permitting, (a) an extension of the maturity date (or mandatory sinking fund redemption date) on which the principal of or the interest on any Bond is, or is to become, due and payable, (b) a reduction in the principal amount of any Bond, the rate of interest thereon or any redemption premium, (c) a privilege or priority of any bond or Bonds over any other Bond or Bonds, or (d) a reduction in the principal amount of the Bonds required for consent to such supplemental indenture.

If the Issuer shall request the Trustee to enter into any such supplemental indenture for any of the purposes of this Section, the Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause written notice of the proposed execution of such supplemental indenture together with a copy of such proposed supplemental indenture to be given by first class mail, postage prepaid, to the holders of the Bonds at their addresses shown on the Trustee's books of registration. If, within sixty (60) days or such longer period as shall be prescribed by the Issuer following the mailing of such notice, the holders of at least fifty-one percent (51%) or more of Bondholders responding to a poll conducted by the Trustee of the holders of all Outstanding Bonds (provided that such responding Bondholders constitute the Owners of at least thirty-five percent (35%) of the aggregate principal of Bonds Outstanding) shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the Issuer from executing the same or from taking any action pursuant to the provisions thereof. Upon the execution of any such supplemental indenture as in this Section permitted and provided, this Indenture shall be modified and amended in accordance therewith.

Anything herein to the contrary notwithstanding, a supplemental indenture under this Article XII shall not become effective unless and until the Borrower shall have consented to the execution and delivery of such supplemental indenture. In this regard, the Trustee shall cause notice of the proposed execution and delivery of any such supplemental indenture together with a copy of the proposed supplemental indenture to be mailed by certified or registered mail to the Borrower at least fifteen (15) days prior to the proposed date of execution and delivery of any such supplemental indenture. The Borrower shall be deemed to have consented to the execution and delivery of any such supplemental indenture if the Trustee does not receive a letter of protest or objection thereto signed by or on behalf of the Borrower on or before 4:30 o'clock P.M., prevailing Eastern time, of the fifteenth (15th) day after the mailing of said notice and a copy of the proposed supplemental indenture.

This Indenture may not be amended, changed or modified except by the execution and delivery of a supplemental indenture entered into in accordance with the provisions of this Article XII.

Section 1203. Trustee Authorized to Join in Supplements, Reliance on Counsel. The Trustee is authorized to join with the Issuer in the execution and delivery of any supplemental indenture permitted by this Article XII and, in so doing, shall be fully protected by an opinion of Independent Counsel that such supplemental indenture is so permitted and has been duly authorized by the Issuer and that all things necessary to make it a valid and binding supplemental indenture have been done.

ARTICLE XIII.
AMENDMENT OF LOAN AGREEMENT AND SECURITY DEED AND LIMITED
GUARANTY AGREEMENT

Section 1301. Amendments, etc., to Loan Agreement and Security Deed or Limited Guaranty Agreement Not Requiring Consent of Bondholders. Upon receipt of the documents set forth in Section 405, the Trustee shall without the consent of, or notice to, the Bondholders consent to any amendment, change or modification of the Loan Agreement, this Indenture and/or the Security Deed or Limited Guaranty Agreement as may be required:

(a) by the provisions of the Loan Agreement, this Indenture, or the Security Deed, or the Limited Guaranty Agreement; or

(b) for the purpose of curing any ambiguity or formal defect or omission in the Loan Agreement, this Indenture, or the Security Deed or the Limited Guaranty Agreement; or

(c) in connection with any other change which is not to the prejudice of the Trustee or materially adverse to the holders of the Bonds;

provided that in the opinion of Independent Counsel satisfactory to the Trustee the amendment, change or modification effected thereby is not to the prejudice of the interests of the Trustee or the Bondholders.

Section 1302. Amendments, etc., to Loan Agreement, Security Deed or Limited Guaranty Agreement Requiring Consent of Bondholders. Except for the amendments, changes or modifications as provided in Section 1301, neither the Issuer nor the Trustee shall consent to any other amendment, change or modification of the Loan Agreement, the Security Deed, or the Limited Guaranty Agreement without (1) the giving of notice and the written approval or consent of the holders of at least fifty-one percent (51%) or more of Bondholders responding to a poll conducted by the Trustee of the holders of all Outstanding Bonds (provided that such responding Bondholders constitute the Owners of at least thirty-five percent (35%) of the aggregate principal of Bonds Outstanding), and (ii) the giving of notice in accordance with the procedure set forth in Section 1202; provided, however, nothing contained in this Article shall permit, or be construed as permitting, any amendment, change or modification of the Borrower's unconditional obligation to make the payments required under the Loan Agreement or the Borrower's agreements with respect to the use of Bond proceeds. If at any time the Issuer and the Borrower shall request the consent of the Trustee to any such proposed amendment, change or modification of the Loan Agreement or, the Security Deed or the Limited Guaranty Agreement,

the Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of such proposed amendment, change or modification to be given in the same manner as provided by Section 1202 with respect to proposed supplemental indentures. Such notice shall briefly set forth the nature of such proposed amendment, change or modification and shall state that copies of the instrument embodying the same are on file at the principal office of the Trustee for inspection by Bondholders.

Section 1303. Trustee Authorized to Join in Amendments, Reliance on Counsel. The Trustee is authorized to join with the Issuer in the execution and delivery of any amendment permitted by this Article XIII and, in so doing, shall be fully protected by an opinion of Independent Counsel that such amendment is so permitted and has been duly authorized by the Issuer and that all things necessary to make it a valid and binding agreement have been done.

ARTICLE XIV.
MISCELLANEOUS

Section 1401. Consents, etc., of Bondholders.

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided to be given or taken by Bondholders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Bondholders in person or by agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee, and, where it is hereby expressly required, to the Issuer and the Borrower. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose hereof and conclusive in favor of the Trustee, the Borrower, and the Issuer, if made in the manner provided in this Section.

(b) The fact and date of the execution by any person of any such instrument or writing may be proved by the affidavit of a witness of such execution by the certificate of any notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof. Where such execution is by an officer of a corporation or a member of a partnership, on behalf of such corporation or partnership, such certificate or affidavit shall also constitute sufficient proof of his authority.

(c) The ownership of Bonds shall be conclusively proved for all purposes by the registration books kept by the Trustee as Bond Registrar.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by any Bondholder shall bind every future holder of the same Bond in respect of anything done or suffered to be done by the Trustee or the Issuer in reliance thereon, whether or not notation of such action is made upon such Bond.

Section 1402. Issuer's Obligations Limited. No recourse under or upon any obligation or agreement contained in this Indenture or in any Bond or under any judgment obtained against the Issuer, or by the enforcement of any assessment or by any legal or equitable proceeding by virtue of any constitution or statute or otherwise or under any circumstances, under or independent of this Indenture, shall be had against the Issuer.

Anything in this Indenture to the contrary notwithstanding, it is expressly understood and agreed by the parties hereto that (a) the Issuer may rely conclusively on the truth and accuracy of any certificate, opinion, notice or other instrument furnished to the Issuer by the Trustee or the Borrower as to the existence of any fact or state of affairs required hereunder to be noticed by the Issuer; (b) the Issuer shall not be under any obligation hereunder to perform any record-keeping or to provide any legal services, it being understood that such services shall be performed either by the Trustee or the Borrower; and (c) none of the provisions of this Indenture shall require the Issuer to expend or risk its own funds or to otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers hereunder, unless it shall first have been adequately indemnified to its satisfaction against the cost, expenses and liability which may be incurred thereby.

Notwithstanding anything herein contained to the contrary, any obligation which the Issuer may incur under this Indenture or under any instrument executed in connection herewith which shall entail the expenditure of money shall not be a general obligation of the Issuer or the City or the County but shall be a limited obligation payable solely from the Pledged Revenues.

Section 1403. Immunity of Directors, Officers or Employees of Issuer. No recourse shall be had for the enforcement of any obligation, promise or agreement of the Issuer contained in the Loan Agreement, this Indenture or in any Bond issued hereunder for any claim based thereon or otherwise in respect thereof, against any director, officer, employee or agent, as such, in his individual capacity, past, present or future, of the Issuer or of any successor corporation, either directly or through the Issuer or any successor corporation, whether by virtue of any constitutional provision, statute or rule of law, or by the enforcement of any assignment or penalty or otherwise; it being expressly agreed and understood that the Bonds, the Loan Agreement, the Security Deed and this Indenture are solely corporate obligations, and that no personal liability whatsoever shall attach to, or be incurred by, any director, officer, employee, or agent, as such, past, present or future, of the Issuer or of any successor corporation, either directly or through the Issuer or any successor corporation, under or by reason of any of the obligations, promises or agreements entered into between the Issuer and the Borrower whether contained in this Indenture, the Loan Agreement or the Security Deed or to be implied therefrom as being supplemental hereto or thereto, and that all personal liability of that character against every such director, officer, employee, or agent is, by the execution of the Loan Agreement, the Security Deed and this Indenture, and as a condition of, and as part of the consideration for, the execution of the Loan Agreement, the Security Deed and this Indenture, expressly waived and released.

Section 1404. Limitation of Rights. With the exception of rights herein expressly conferred, nothing expressed or mentioned in or to be implied herefrom or from the Bonds is

intended or shall be construed to give to any person other than the parties hereto, the Borrower and the holders of the Bonds, any legal or equitable right, remedy or claim under or in respect hereto or any agreements, conditions and provisions herein contained; this Indenture and all of the agreements, conditions and provisions hereof being intended to be and being for the sole and exclusive benefit of the parties hereto, the Borrower and the holders of the Bonds as herein provided.

Section 1405. No Liability of Issuer. Anything herein to the contrary notwithstanding, the parties agree that nothing contained in this Trust Indenture or in any other document that is a part of this transaction, including, but not limited to, the Bond Resolution of the Issuer, the Loan Agreement and/or the Security Deed, shall, in any manner whatsoever be deemed to constitute a debt or a general obligation, or a pledge of the faith and credit of the Issuer, the City of Columbus, Georgia, Muscogee County, Georgia, the State of Georgia, or any political subdivision thereof; nor does anything contained in such documents directly or indirectly or contingently, obligate the Issuer, said City, said County, said State or any political subdivision of the State to levy or to pledge any form of taxation whatever for the payment of the principal indebtedness, redemption premium (if any), interest, or any other indebtedness, costs, or expense.

Section 1406. Severability. If any provision hereof shall be held or deemed to be or shall, in fact, be inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution or statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question invalid, inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained invalid, inoperative, or unenforceable to any extent whatever.

Section 1407. Notices. It shall be sufficient service of any notice, approval, consent, request, complaint, demand or other communication if the same shall be delivered or mailed by first class registered or certified mail, return receipt requested, postage prepaid, and addressed, as follows:

This conveyance is intended to operate and is to be construed as a deed passing the title to the Facility to Issuer and is made under those provisions of the existing laws of the State of Georgia relating to deeds to secure debt, and not as a mortgage, and is given to secure the following described indebtedness (collectively, the "Combined Obligations"):

(a) The debt evidenced by the \$7,960,000 Development Authority of Columbus, Georgia First Mortgage Revenue Bonds (Columbus ALF, LLC Project), Series 2015A (the "Series 2015A Bonds"), maturing not later than August 1, 2045, and the \$640,000 Development Authority of Columbus, Georgia First Mortgage Revenue Bonds (Columbus ALF, LLC Project), Taxable Series 2015B (the "Series 2015B Bonds") issued simultaneously therewith, maturing not later than August 1, 2023 (collectively, the "Series 2015 Bonds"), including, without limitation, principal and interest at the rates of 6.25% and 7.20% per annum in the case of the Series 2015A Bonds and at rate of 8.25% per annum in the case of the Series 2015B Bonds, issued on or about July 24, 2015, by the Issuer pursuant to the Loan Agreement (the "Loan Agreement") of even date herewith between Issuer and Columbus ALF, LLC, a Georgia limited liability company (the "Borrower") and the Trust Indenture of even date herewith (the "Trust Indenture") between the Issuer and BOKF, N.A. (the "Issuer");

(b) All payment obligations in respect of any Additional Bonds (defined in the Trust Indenture) issued pursuant to the Trust Indenture on parity with the Series 2015 Bonds (the Series 2015 Bonds and all such Additional Bonds being herein call the "Bonds");

(c) All amounts payable by Borrower to Issuer pursuant to the provisions of the Loan Agreement or any of the other documents defined in the Loan Agreement, or any agreement pursuant to which any Additional Bonds shall have been issued;

(d) Any and all additional advances made by Issuer to protect or preserve the Facility or the lien hereof on the Facility, or for taxes, assessments or insurance premiums (whether or not the original Borrower remains the owner or less of any portion of the Facility at the time of such advances).

Should the Combined Obligations be paid according to the tenor and effect thereof when the same shall become due and payable, and should Borrower perform all covenants herein contained in a timely manner, then this Security Agreement shall be canceled and surrendered.

Borrower hereby further covenants and agrees with Issuer as follows:

ARTICLE I

1.01. Payment of Indebtedness. Borrower will cause the Bonds to be promptly paid according to the tenor thereof and all other Combined Obligations promptly as the same shall become due.

1.02. Taxes, Liens and Other Charges.

20150022325 B: 11588 P: 31 DEED

(a) In the event of the passage of any state, federal, municipal or other governmental law, order, rule or regulation, subsequent to the date hereof, in any manner changing or modifying the laws now in force governing the taxation of debts secured by deeds to secure debt or the manner of collecting taxes so as to adversely affect Issuer, Borrower will promptly pay any such tax. If Borrower fails to make such prompt payment or if, in the opinion of Issuer, any such state, federal, municipal, or other governmental law, order, rule or regulation prohibits Borrower from making such payment or would penalize Issuer if Borrower makes such payment or if, in the opinion of Issuer, the making of such payment might result in the imposition of interest beyond the maximum amount permitted by applicable law, then the entire balance of the principal sum secured by this Security Agreement and all interest accrued thereon shall, at the option of Issuer, become immediately due and payable.

(b) Borrower will pay, before the same become delinquent, all taxes, liens, assessments and charges of every character including all utility charges, whether public or private, already levied or assessed or that may hereafter be levied or assessed upon or against the Facility; and upon demand will furnish Issuer receipted bills evidencing such payment.

(c) Borrower will not permit any mechanics' or other liens to be established or remain against the Facility, provided that if Borrower shall first notify the Trustee and Issuer of Borrower's intention to do so, Borrower may in good faith contest any mechanics' or other liens filed or established against the Facility, and in such event may permit the items so contested to remain undischarged and unsatisfied during the period of such contest and any appeal therefrom, unless by nonpayment of any items the lien of the Security Agreement as to the Facility and as to the payments to be made hereunder will be materially endangered or the Facility, or any part thereof, will be subject to loss or forfeiture, in which event the Borrower shall promptly pay and cause to be satisfied and discharged all such unpaid items.

1.03. Insurance

(a) Borrower shall procure for, deliver to and maintain for the benefit of Issuer during the term of this Security Agreement, original paid up insurance policies of insurance companies as required by Section 5.12 of the Loan Agreement.

(b) Issuer is hereby authorized and empowered, at its option, to adjust or compromise any loss under any insurance policies maintained pursuant to this Paragraph 1.03, and to collect and receive the proceeds from any such policy or policies. Each insurance company is hereby authorized and directed to make payment for all such losses directly to Issuer, instead of to Borrower and Issuer jointly. In the event any insurance company fails to disburse directly and solely to Issuer but disburses instead either solely to Borrower and Issuer jointly, Borrower agrees immediately to endorse and transfer such proceeds to Issuer. Upon the failure of Borrower to endorse and transfer such proceeds as aforesaid, Issuer may execute such endorsements or transfers for and in the name of Borrower and Borrower hereby irrevocably appoints Issuer as Borrower's agent and attorney-in-fact so to do. After deducting from said insurance proceeds all of its expenses incurred in the collection and administration of such sums, including attorneys' fees, Issuer may apply the net proceeds or any part thereof, at its option, (i) to the payment of the Combined Obligations, whether or not due and in whatever order Issuer elects, (ii) to the repair

and/or restoration of the Facility, or (iii) for any other purposes or objects for which Issuer is entitled to advance funds under this Security Agreement; all without affecting the lien of this Security Agreement. Issuer shall not be held responsible for any failure to collect any insurance proceeds due under the terms of any policy regardless of the cause of such failure.

(c) At least thirty (30) days prior to the expiration date of each policy maintained pursuant to this Paragraph 1.03, a renewal or replacement thereof satisfactory to Issuer shall be delivered to Issuer. Borrower shall deliver to Issuer receipts evidencing the payment for all such insurance policies and renewals or replacements. The delivery of any insurance policies hereunder shall constitute an assignment of all unearned premiums as further security hereunder. In the event of the foreclosure of this Security Agreement or any other transfer of title to the Facility in extinguishment of all or any part of the Combined Obligations, all right, title and interest of Issuer in and to all insurance policies then in force shall pass to the purchaser or Issuer.

1.04. Condemnation. If all or any portion of the Facility shall be damaged or taken through condemnation (which term when used in this Security Agreement shall include any damage or taking by any governmental authority and any transfer by private sale in lieu thereof), either temporarily or permanently, then the Combined Obligations shall, at the option of Issuer, become immediately due and payable. Issuer shall be entitled to receive all compensation, awards and other payments or relief thereof. Issuer is hereby authorized, at its option, to commence, appear in and prosecute, in its own or in Borrower's name, any action or proceeding relating to any condemnation, and to settle or compromise any claim in connection therewith. All such compensation, awards, damages, claims, rights of action and proceeds and the right thereto are hereby assigned by Borrower to Issuer. After deducting from said condemnation proceeds all of its expenses incurred in the collection and administration of such sums, including reasonable attorneys' fees actually incurred, Issuer may apply the net proceeds or any part thereof, at its option, (a) to the payment of the Combined Obligations, whether or not due and in whatever order Issuer elects, (b) to the repair and/or restoration of the Facility, or (c) for any other purposes or objects for which Issuer is entitled to advance funds under this Security Agreement, all without affecting the lien of this Security Agreement; and any balance of such moneys then remaining shall be paid to Borrower. Borrower agrees to execute such further assignment of any compensation, awards, damages, claims, rights of action and proceeds as Issuer may require.

1.05. Care of Facility.

(a) If the Facility or any part thereof is damaged by fire or any other cause, Borrower will give prompt written notice (but in no event later than the second business day thereafter) thereof to Issuer.

(b) Issuer or its representative is hereby authorized to enter upon and inspect the Facility at any time upon reasonable notice (except for emergencies) during normal business hours.

(c) Borrower will promptly comply in all material respects with all present and future laws, ordinances, rules and regulations of any governmental authority affecting the Facility or any part thereof.

(d) If all or any part of the Facility shall be damaged by fire or other casualty, Borrower will promptly restore the Facility to the substantial equivalent of its original condition; and if a part of the Facility shall be damaged through condemnation; Borrower will promptly restore, repair or alter the remaining portions of the Facility in a manner reasonably satisfactory to Issuer. Notwithstanding the foregoing, Borrower shall not be obligated to so restore unless in each instance Issuer agrees to make available to Borrower (pursuant to a procedure satisfactory to Issuer) any net insurance or condemnation proceeds actually received by Issuer hereunder in connection with such casualty loss or condemnation, to the extent such proceeds are required to defray the expense of such restoration; provided, however, that the insufficiency of any such insurance or condemnation process to defray the entire expense of restoration shall in no way relieve Borrower of its obligation to restore.

1.06. Further Assurances: After Acquired Property. At any time, and from time to time, upon request by Issuer, Borrower will make, execute and deliver or cause to be made, executed and delivered, to Issuer and, where appropriate, cause to be recorded and/or filed and from time to time thereafter to be re-recorded and/or refiled at such time and in such offices and places as shall be deemed desirable by Issuer, any and all such other and further deeds to secure debt, security agreements, financing statements, continuation statements, instruments of further assurance, certificates and other documents as may, in the opinion of Issuer, be necessary or desirable in order to effectuate, complete, or perfect, or to continue and preserve (a) the obligation of Borrower under the Bonds, the Loan Agreement and under this Security Agreement, and (b) the lien of this Security Agreement as a first and prior lien upon and security title in and to all of the Facility and the Collateral (as hereinafter defined), whether now owned or hereafter acquired by Borrower. Upon any failure by Borrower so to do, Issuer may make, execute, record, file re-record and/or refile any and all such deeds to secure debt, security agreements, financing statements, continuation statements, instruments, certificates, and documents for and in the name of Borrower and Borrower hereby irrevocably appoints Issuer the agent and attorney-in-fact of Borrower so to do. The lien hereof will automatically attach, without further act, to all after-acquired property attached to and/or used in the operation of the Facility or any part thereof and to all after-acquired Collateral.

1.07. Expenses. Borrower will pay or reimburse Issuer, upon demand therefor, for all reasonable attorney's fees actually incurred, and reasonable costs and expenses incurred by Issuer in any suit, action, legal proceeding or dispute of any kind in which Issuer is made a party or appears as party plaintiff or defendant, affecting the indebtedness secured hereby, this Security Agreement or the interest created herein, or the Facility or Collateral, including, but not limited to, the exercise of the power of sale contained in this Security Agreement, any condemnation action involving the Facility or any action to protect the security hereof; and any such amounts paid by Issuer shall be added to the indebtedness secured by the lien of this Security Agreement.

1.08. Subrogation. Issuer shall be subrogated to the claims and liens of all parties whose claims or liens are discharged or paid with the proceeds of the indebtedness secured hereby.

1.09. Limit of Validity. If from any circumstances whatsoever, fulfillment of any provision of this Security Agreement, the Loan Agreement or the Bonds at the time performance of such provision shall be due, shall involve transcending the limit of validity presently prescribed by any applicable usury statute or any other applicable law, with regard to obligations of like character and amount, then ipso facto the obligation to be fulfilled shall be reduced to the limit of such validity, so that in no event shall any exaction be possible under this Security Agreement, the Loan Agreement or the Bonds that is in excess of the current limit of such validity, but such obligation shall be fulfilled to the limit of such validity. The provisions of this Paragraph 1.09 shall control every other provision of this Security Agreement, the Loan Agreement and the Bonds.

1.10. No Default Affidavits. At Issuer's request, all payment made under the Bonds, the Loan Agreement or hereunder shall be accompanied by the affidavits of an officer of Borrower, dated within five (5) days of the delivery of such payment to Issuer, swearing that it knows of no Default (as hereinafter defined), nor of any circumstance which after notice or lapse of time or both would constitute a Default, which has occurred and is continuing or, if any such Default has occurred and is continuing, specifying the nature and period of existence thereof and the action Borrower has taken or proposes to take with respect thereto and, except as otherwise specified, stating that Borrower has fulfilled all of Borrower's obligations under this Security Agreement which are required to be fulfilled on or prior to the date of such affidavit.

1.11. Acquisition of Collateral. Borrower shall not acquire any portion of the personal property covered by this Security Agreement subject to any security interest, conditional sales contract, title retention arrangement or other charge or lien taking precedence over the security title and lien of this Security Agreement except for purchase money security interests in items of personal property acquired by Borrower in the ordinary course of business.

1.12. Security Agreement.

(a) With respect to the furnishings, furniture, fixtures, machinery, appliances, vehicles, inventory and personal property or in any way connected with the use and enjoyment of the Facility, this Security Agreement is hereby made and declared to be a security agreement encumbering, and granting a security interest in, each and every item of such property included herein as a part of the Facility, in compliance with the provisions of the Uniform Commercial Code as enacted in the State of Georgia. Upon request by the Issuer, at any time and from time to time, a financing statement or statements reciting this Security Agreement to be a security agreement affecting all of such property shall be executed by the Borrower and the Issuer and appropriately filed.

(b) As further security for the Combined Obligations, Borrower hereby pledges and assigns to Issuer the Gross Revenues of the Borrower and grants to Issuer a security interest in all existing and future accounts, Gross Revenues, contract rights, rights under the Loan Agreement and accounts receivable of the Borrower, all existing and future instruments, chattel paper and general intangibles of the Borrower and all proceeds of the above, but only to the extent that any such item is directly related to or directly arises from the Facility and/or the operations thereon (the property in which a security interest has been granted in this Paragraph (b) and the foregoing

Paragraph (a) being herein called the "Collateral"). In addition to all other provisions of this Security Agreement, Borrower will from time to time at the request of Issuer perform any and all steps requested by Issuer to perfect and maintain Issuer's security interest in the Collateral, including but not limited to transferring any part or all of the Collateral to Issuer or any nominee of Issuer, placing and maintaining signs, executing financing statements and notice of lien, delivering to Issuer documents of title representing the Collateral or any of the Collateral in which the security interest of Issuer can only be perfected by possession of such Collateral or evidencing the Issuer's security interest in any other manner acceptable to and requested by Issuer. Borrower will from time to time at the request of Issuer execute and deliver to Issuer assignments of accounts in form satisfactory to Issuer but should Borrower fail in any one or more instances to execute and deliver such assignment of accounts, such failure shall not constitute a waiver or limitation of the security interest of Issuer in all the Collateral, which shall remain in full force and effect.

(c) The remedies of any violation of the covenants, terms and conditions of the security agreement contained in this Security Agreement shall be (i) as prescribed herein, or (ii) as prescribed by general law, or (iii) as prescribed by the specific statutory consequences now or hereafter enacted and specified in said Uniform Commercial Code, all at the Issuer's sole election. The Borrower and the Issuer agree that the filing of any such financing statement or statements in the records normally having to do with personal property shall not in any way affect the agreement of the Borrower and the Issuer that everything used in connection with the production of income from the Facility or adapted for use therein or which is described or reflected in this Security Agreement, is, at all times and for all purposes and in all proceedings, both legal or equitable, shall be, regarded as part of the real estate conveyed hereby regardless of whether (i) any such item is physically attached to the improvements, (ii) serial numbers are used for the better identification of certain items capable of being thus identified in an exhibit to this Security Agreement, or (iii) any such item is referred to or reflected in any such financing statement or statements so filed at any time. Similarly, the mention of any such financing statement or statements of the rights in and to (i) the proceeds of any fire and/or hazard insurance policy, or (ii) any award in eminent domain proceedings for a taking or for loss of value, or (iii) the Issuer's interest as lessor in any present or future lease or right to income growing out of the use and/or occupancy of the Facility, whether pursuant to lease or otherwise, shall not in any way alter any of the rights of the Issuer as determined by this Security Agreement or affect the priority of the Issuer's security interest granted hereby or by any other recorded document, it being understood and agreed that such mention in such financing statement or statements is solely for the protection of the Issuer in the event any court shall at any time hold with respect to the foregoing clauses (i), (ii), or (iii) of this sentence, that notice of the Issuer's priority of interest, to be effective against a particular class of persons, must be filed in the Uniform Commercial Code records.

(d) The Borrower warrants that (i) the Borrower's name, identity or corporate structure and principal place of business are as set forth in Exhibit "B" hereof, on the title page hereof and on the execution page hereof; (ii) except as set forth on Exhibit "B," the Borrower has been using or operating under said name, identity or corporate structure without change; and (iii) the location of the Collateral is upon the Land. The Borrower covenants and agrees that the Borrower will furnish the Issuer with notice of any change in the matters addressed by clauses (i) or (iii) of this subparagraph 1.12(d) within thirty (30) days of the effective date of any such change and the Borrower will promptly execute any financing statements or other instruments deemed necessary

by the Issuer to prevent any filed financing statement from becoming misleading or losing its perfected status.

1.13. Due on Transfer. Borrower hereby acknowledges to Issuer that (i) the identity and expertise of Borrower were and continue to be material circumstances upon which Issuer has relied in connection with, and which constitute valuable consideration to Issuer for, the extending to Borrower of the indebtedness evidenced by the Bonds and (ii) any change in such identity or expertise could materially impair or jeopardize the security for the payment of the Indebtedness granted to Issuer by this Security Agreement. Borrower therefore covenants and agrees with Issuer, and part of the consideration for the extending to Borrower of the indebtedness evidenced by the Bonds, that Borrower shall not encumber (other than by Permitted Encumbrances, as defined in the Loan Agreement), pledge, convey, transfer or assign any or all of its interest in the Facility or the Collateral without the prior written consent of Issuer, except as specifically provided herein, the Trust Indenture or the Loan Agreement.

1.14. Release of Furnishings, Fixtures and Equipment. In any instance where Borrower and its sound discretion determines that any items of furnishings, fixtures and equipment have become inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary, Borrower may, provided it is not in Default hereunder, remove such items of furnishings, fixtures and equipment from the Facility and sell, trade-in, exchange or otherwise dispose of them, free and clear of the lien hereof, provided that in the event any of the Bonds are outstanding at the time of such removal, Borrower shall either:

(a) Purchase with its own funds (as defined in clause (b) below) within a reasonable time and install within a reasonable time thereafter anywhere in the Facility other furnishings, fixtures and equipment having equal or greater fair market value and utility (but not necessarily having the same function) in the operation of the Facility as a skilled nursing facility all of which substituted furnishings, fixtures and equipment shall be free of all liens and encumbrances (other than Permitted Encumbrances) and shall become a part of the Facility, and therefore subject to the lien hereof; provided, however, that Borrower may not proceed under this clause (a) if such removal and substitution would impair operating unity or otherwise adversely affect the fair market value of the Facility; or

(b) Not make any such substitution and installation, provided that Borrower shall promptly deposit into the Project Fund cash in an amount equal to the proceeds of the sale or scrapping of the furnishings, fixtures and equipment so removed or the credit received for the trade-in thereof, or the fair market value thereof, whichever is higher. Borrower shall not be required to replace any furnishings, fixtures and equipment which constitute a part of the Facility and which are removed from the Facility after compliance by Borrower with the provision of this subsection and so long as Borrower complies with the provisions of this subsection with respect to the removal from the Facility of any furnishings, fixtures and equipment constituting a part of the Facility, any furnishings and equipment which Borrower purchases and installs in or on the Facility with its own funds shall not, unless such furnishings and equipment are necessary for the Facility to remain an assisted living facility be deemed to be part of the Facility or subject to the lien of this Security Agreement even though such furnishings and equipment might "replace" furnishings, fixtures and equipment so removed.

ARTICLE II

2.01. Events of Default. The terms "Default," "Event of Default" or "Events of Default," wherever used in this Security Agreement, shall mean any one or more of the following events:

(a) Failure by Borrower to pay as and when due and payable after the expiration of any applicable cure periods any installment of principal or interest as required by the Bonds or any other amount payable by this Security Agreement or as part of the other Combined Obligations; or

(b) Failure by Borrower to duly observe or perform any other term, covenant, condition or agreement of this Security Agreement, provided that Borrower shall have the right to cure such failure within thirty (30) days after receipt of written notice from the Issuer specifying such failure; provided, however, in the case of such failure which can be cured with due diligence but not within such thirty-day period, the Borrower's failure to proceed promptly to cure such failure and thereafter prosecute the curing of such failure with due diligence; or

(c) Failure by Borrower to duly observe or perform any term, covenant, condition or agreement in any other agreement given or made as additional security for the performance of the Bonds or this Security Agreement, provided that Borrower shall have the right to cure such failure within 30 days after receipt of written notice from the Issuer specifying such failure; provided, however, in the case of such failure which can be cured with due diligence but not within such thirty-day period, the Borrower's failure to proceed promptly to cure such failure and thereafter prosecute the curing of such failure with due diligence; or

(d) Any representation or warranty of Borrower contained in this Security Agreement, the Loan Agreement, or in any of the other documents referred to therein (collectively, the "Combined Documents"), or in any certificate, instrument or other writing furnished pursuant to or in connection with any of the foregoing, proves to be untrue or misleading in any material respect; or

(e) Any default or Event of Default shall occur under the Loan Agreement or any of the other Combined Documents.

2.02. Acceleration of Maturity. If an Event of Default shall have occurred and be continuing, then the entire Combined Obligations shall, at the option of Issuer, immediately become due and payable without notice or demand, time being of the essence of this Security Agreement; and no omission on the part of Issuer to exercise such option when entitled to do so shall be construed as a waiver of such right.

2.03. Right to Enter and Take Possession.

(a) If an Event of Default shall have occurred and be continuing, Borrower upon demand of Issuer, shall forthwith surrender to Issuer the actual possession of the Facility and if, and to the extent permitted by law, Issuer itself, or by such officers or agents as it may appoint, may enter and take possession of all the Facility without the appointment of a receiver, or an application therefor, and may exclude Borrower and their agents and employees wholly therefrom, and may have joint access with Borrower to the books, papers and accounts of Borrower that are related to the Facility.

(b) If Borrower shall for any reason fail to surrender or deliver the Facility or any part thereof after such demand by Issuer, Issuer may obtain a judgment or decree conferring upon Issuer the right to immediate possession or requiring Borrower to deliver immediate possession of the Facility to Issuer to the entry of which judgment or decree Borrower hereby specifically consents. Borrower will pay to Issuer upon demand, all expenses of obtaining such judgment or decree, including reasonable compensation to Issuer, its attorneys and agents; and all such expenses and compensation shall, until paid, be secured by the lien of this Security Agreement.

(c) Upon every such entering upon or taking of possession, Issuer may hold, store, use, operate, manage and control the Facility and conduct the business thereof, and, from time to time (i) make all necessary and proper maintenance, repairs, renewals, replacements, additions, betterments and improvements thereto and thereon and purchase or otherwise acquire additional fixtures, personalty and other property; (ii) insure or keep the Facility insured; (iii) manage and operate the Facility and exercise all the rights and powers of Borrower to the same extent as Borrower could in its own name or otherwise with respect to the exercise by others of any of the powers herein granted Issuer, all as Issuer from time to time may determine to be in its best interest. Issuer may collect and receive all the rents, issues, profits and revenues from the Facility, including those past due as well as those accruing thereafter, and, after deducting (aa) all expenses of taking, holding, managing and operating the Facility (including compensation for the services of all persons employed for such purposes); (bb) the cost of such maintenance, repairs, renewals, replacements, additions, betterments, improvements, purchases and acquisitions; (cc) the cost of such insurance; (dd) such taxes, assessments and other similar charges as Issuer may at its option pay; (ee) other proper charges upon the Facility or any part thereof; and (ff) the reasonable compensation, expenses and disbursements of the attorneys and agents of Issuer, Issuer shall apply the remainder of the moneys and proceeds so received by Issuer first to the payment of accrued interest, and second to the payment of overdue installments of principal.

(d) Whenever all that is due upon such interest, deposits and principal installments and under any of the terms, covenants, conditions and agreements of this Security Agreement shall have been paid and all Events of Default made good, Issuer shall surrender possession of the Facility to Borrower, its successors or assigns. 2.04. Performance by Issuer. If Borrower shall default in the payment, performance or observance of any term covenant or condition of this Security Agreement, Issuer may, at its option, pay, perform or observe the same, and all payments made or costs or expenses incurred by Issuer in connection therewith, shall be secured hereby and shall be, without demand, immediately repaid by Borrower to Issuer with interest thereon at a default rate of twelve percent (12.00%) per annum. Issuer shall be the sole judge of the necessity for any such actions and of the amounts to be paid. Issuer is hereby empowered to enter and to authorize others to enter upon the Facility or any part thereof for the purpose of performing or observing any such defaulted term, covenant or condition without thereby becoming liable to Borrower or any person in possession holding under Borrower.

2.05. Receiver. If an Event of Default shall have occurred and be continuing, Issuer upon application to a court of competent jurisdiction, shall be entitled as a matter of strict right without notice and without regard to the occupancy or value of any security for the indebtedness secured hereby or the solvency of any party bound for its payment, to the appointment of a receiver to take possession of and to operate the Facility and to collect and apply the rents, issues, profits and revenues thereof. The receiver shall have all of the rights and powers permitted under the laws of the state wherein the Land is situated. Borrower will pay to Issuer upon demand all expenses, including receiver's fees, reasonable attorneys' fees actually incurred, and reasonable costs and agent's compensation, incurred pursuant to the provisions of this Paragraph 2.05; and all such expenses shall be secured by this Security Agreement.

2.06. Enforcement.

(a) If an Event of Default shall have occurred and be continuing, Issuer at its option, may sell the Facility or any part of the Facility at public sale or sales before the door of the courthouse of the county in which the Facility or any part of the Facility is situated, to the highest bidder for cash, in order to pay the indebtednesses secured hereby and accrued interest thereon and insurance premiums, liens, assessments, taxes and charges, including utility charges, if any, with accrued interest thereon, and all expenses of the sale and of all proceedings in connection therewith, including reasonable attorney's fees, if incurred, after advertising the time, place and terms of sale once a week for four (4) consecutive weeks immediately preceding such sale (but without regard to the number of days) in a newspaper in which Sheriff's sales are advertised in said county, such sale to be conducted in the manner as required by Georgia Law. At any such public sale, Issuer may execute and deliver to the purchaser a conveyance of the Facility or any part of the Facility or any part of the Facility in fee simple, with full warranties of title and to this end, Borrower hereby constitutes and appoints Issuer the agent and attorney-in-fact of Borrower to make such sale and conveyance, and thereby to divest borrower of all right, title or equity that Borrower may have in and to the Facility and to vest the same in the purchaser or purchasers at such sale or sales, and all the acts and doing of said agent and attorney-in-fact are hereby ratified and confirmed and any recitals in said conveyance or conveyances as to facts essential to a valid sale shall be binding upon Borrower. The aforesaid power of sale and agency hereby granted are coupled with an interest and are irrevocable by death or otherwise, are granted as cumulative of the other remedies provided hereby or by law for collection of the Combined Obligations and shall not be exhausted by one exercise thereof but may be exercised until full payment of all of the Combined Obligations.

(b) If an Event of Default shall have occurred and be continuing, Issuer may, in addition to and not in abrogation of the rights covered under subparagraph (a) of this Paragraph 2.06, either with or without entry or taking possession as herein provided or otherwise, proceed by a suit or suits in law or in equity or by any other appropriate proceeding or remedy (i) to enforce payment of the Bonds and the other Combined Obligations or the performance of any term, covenant, condition or agreement of this Security Agreement or any term, covenant, condition or agreement of this Security Agreement or any other right, and (ii) to pursue any other remedy available to it, all as Issuer shall determine most effectual for such purposes.

2.07. Purchase by Issuer. Upon any foreclosure sale, Issuer may bid for and purchase the Facility and shall be entitled to apply all or any part of the indebtedness secured hereby as a credit to the purchase price.

2.08. Application of Proceeds of Sale. In the event of a sale under power or a foreclosure sale of the Facility, the proceeds of said sale shall be applied first to the expenses of such sale and of all proceedings in connection therewith, including reasonable attorney's and trustee's fees actually incurred, then to insurance premiums, liens, assessments, taxes and charges including utility charges advanced by Issuer then to payment of the outstanding principal balance of the indebtedness secured hereby, then to the accrued interest on all of the foregoing, and finally the remainder, if any, shall be paid to Borrower.

2.09. Borrower as Tenant Holding Over. In the event of any such sale under power or foreclosure sale by Issuer, Borrower shall be deemed a tenant holding over and shall forthwith deliver possession to the purchaser or purchasers at such sale or be summarily dispossessed according to provisions of law applicable to tenants holding over.

2.10. Waiver of Appraisalment, Valuation Stay, Extension and Redemption Laws. Borrower agrees to the full extent permitted by law that in case of a Default on the part of Borrower hereunder, neither Borrower nor anyone claiming through or under it shall or will set up, claim or seek to take advantage of any appraisalment, valuation, stay, extension, homestead, exemption or redemption laws now or hereafter in force, in order to prevent or hinder the enforcement or foreclosure of this Security Agreement, or the absolute sale of the Facility, or the final and absolute putting into possession thereof, immediately after such sale, of the purchasers thereat, and Borrower for itself and all who may at any time claim through or under it, hereby waives to the full extent that it may lawfully do so, the benefit of all such laws, and any and all right to have the assets comprised in the security intended to be created hereby marshalled upon any foreclosure of the lien hereof.

2.11. Leases. Issuer at its option, is authorized to foreclose this Security Agreement subject to the rights of any tenants of the Facility, and the failure to make any such tenants parties to any such foreclosure proceedings and to foreclose their rights will not be, nor be asserted to be by Borrower, as a defense to any proceedings instituted by Issuer to collect the sums secured hereby.

2.12. Discontinuance of Proceedings and Restoration of the Parties. In case Issuer shall have proceeded to enforce any right, power or remedy under this Security Agreement by sale under power, foreclosure, entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely to Issuer, then and in every such case Borrower and Issuer shall be restored to their former positions and rights hereunder, and all rights, powers and remedies of Issuer shall continue as if no such proceeding had been taken.

2.13. Remedies Cumulative. No right, power or remedy conferred upon or reserved to Issuer by this Security Agreement is intended to be exclusive of any other right, power or remedy, but each and every such right, power and remedy shall be cumulative and concurrent and shall be in addition to any other right, power and remedy given hereunder or now or hereafter existing at law or in equity or by statute or under the Combined Documents.

2.14. Waiver.

(a) No delay or omission of Issuer or any holder of the Bonds to exercise any right, power or remedy accruing upon any default shall exhaust or impair any such right, power or remedy or shall be construed to be a waiver of any such default, or acquiescence therein; and every right, power and remedy given by this Security Agreement to Issuer may be exercised from time to time and as often as may be deemed expedient by Issuer. No consent or waiver, expressed or implied, by Issuer to or of any breach or default by Borrower in the performance of the obligations thereof shall be deemed or construed to be a consent or waiver to or of any other breach or default in the performance of the sale or any other obligations of Borrower hereunder. Failure on the part of Issuer to complain of any act or failure to act or to declare an Event of Default, irrespective of how long such failure continues, shall not constitute a waiver by Issuer of its rights hereunder or impair any rights, powers or remedies consequent on any breach or default by Borrower.

(b) If Issuer (i) grants forbearance or an extension of time for the payment of any Combined Obligations; (ii) takes other or additional security for the payment of any Combined Obligations; (iii) waives or does not exercise any right granted herein or in any of the Combined Documents; (iv) releases any part of the Facility from the lien and security title of this Security Agreement or otherwise changes any of the terms, covenants, conditions or agreements of any of the Combined Documents; (v) consents to the filing of any map, plat or replat affecting the Facility; (vi) consents to the granting of any easement or other right affecting the Facility; or (vii) makes or consents to any agreement subordinating the lien and security title hereof, any such act or omission shall not release, discharge, modify, change or affect the original liability under the Bonds, the Loan Agreement, this Security Agreement or any other Combined Obligations of or any subsequent purchaser of the Facility or any part thereof, or any maker, co-signer, endorser, surety or guarantor; nor shall any such act or omission preclude Issuer from exercising any right, power or privilege herein granted or intended to be granted in the event of any default then made or of any subsequent default; nor, except as otherwise expressly provided in an instrument or instruments executed by Issuer, shall the lien of this Security Agreement be altered thereby. In the event of the sale or transfer by operation of law or otherwise of all or any part of the Facility, Issuer, without notice, is hereby authorized and empowered to deal with any such vendee or transferee with reference to the Facility or the indebtedness secured hereby, or with reference to any of the terms, covenants, conditions or agreements hereof, as fully and to the same extent as it might deal with the original

parties hereto and without in any way releasing or discharging any liabilities, obligations or undertakings.

2.15. Suits to Protect the Facility. Issuer shall have power (a) to institute and maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Facility by any acts which may be unlawful or any violation of this Security Agreement, (b) to preserve or protect its interest in the Facility and in the rents, issues, profits and revenues arising therefrom, and (c) to restrain the enforcement of or compliance with any legislation or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid, if the enforcement of or compliance with such enactment, rule or order would impair the security hereunder or be prejudicial to the interest of Issuer.

2.16. Issuer May File Proofs of Claim. In the case of any receivership, insolvency, bankruptcy, reorganization, arrangement, adjustment, composition or other proceedings affecting Borrower, their creditors or their property, Issuer, to the extent permitted by law, shall be entitled to file such proofs of claim and other documents as may be necessary or advisable in order to have the claims of Issuer allowed in such proceedings for the entire amount of the Combined Obligations due and payable at the date of the institution of such proceedings and for any additional amount which may become due and payable by Borrower hereunder after such date.

2.17. Waiver of Borrower's Rights.

BY EXECUTION OF THIS DEED BORROWER EXPRESSLY:

(A) ACKNOWLEDGES THE RIGHT TO ACCELERATE THE INDEBTEDNESS EVIDENCED BY THE BONDS AND ALL OTHER COMBINED OBLIGATIONS AND THE POWER OF ATTORNEY GIVEN HEREIN TO ISSUER TO SELL THE FACILITY BY NONJUDICIAL FORECLOSURE UPON DEFAULT BY BORROWER WITHOUT ANY JUDICIAL HEARING AND WITHOUT ANY NOTICE OTHER THAN SUCH NOTICE (IF ANY) AS IS SPECIFICALLY REQUIRED TO BE GIVEN UNDER THE PROVISIONS OF THIS DEED;

REPRESENTATIONS

Section 2.1. Representations by the Issuer. The Issuer makes the following representations as the basis for the undertaking on its part herein contained:

(a) Organization and Authority. The Issuer is a public corporation organized, created and validly existing pursuant to the Constitution and laws of the State, including particularly the provisions of the Act. The Issuer has all requisite power and authority under the Act to (i) issue the Bonds, (ii) lend the proceeds thereof to the Borrower to finance the project, and (iii) enter into, and perform its obligations under, this Loan Agreement, the Indenture and the Security Deed.

(b) Pending Litigation. There are no actions, suits, proceedings, inquiries or investigations pending, or to the knowledge of the Issuer threatened, against or affecting the Issuer in any court or before any governmental authority or arbitration board or tribunal, which involve the possibility of materially and adversely affecting the transactions contemplated by this Loan Agreement or the Indenture or which, in any way, would adversely affect the validity or enforceability of the Bonds, the Indenture, this Loan Agreement, the Security Deed or any agreement or instrument to which the Issuer is a party and which is used or contemplated for use in the consummation of the transactions contemplated hereby or thereby.

(c) Issue, Sale and Other Transactions Are Legal and Authorized. The issuance and sale of the Bonds and the execution and delivery by the Issuer of this Loan Agreement, the Indenture and the Security Deed, and the compliance by the Issuer with all the provisions of each thereof and of the Bonds (i) are within the purposes, powers and authority of the Issuer, (ii) have been done in full compliance with the provisions of the Act, are legal and will not conflict with or constitute on the part of the Issuer a violation of or a breach of or default

under, or result in the creation of any lien, charge or encumbrance upon any property of the Issuer (other than as contemplated by this Loan Agreement, the Indenture, the Security Deed and Land Use Restriction Agreement) under the provisions of, any charter, instrument, by-law, indenture, mortgage, deed of trust, note agreement or other agreement or instrument to which the Issuer is a party or by which the Issuer is bound, or any license, judgment, decree, law, statute, order, rule or regulation of any court of governmental agency or body having jurisdiction over the Issuer or any of its activities or properties, and (iii) have been duly authorized by all necessary corporate action on the part of the Issuer.

(d) Governmental Consents. Neither the nature of the Issuer nor any of its activities or properties, nor any relationship between the Issuer and any other person, nor any circumstance in connection with the offer, issue, sale or delivery of any of the Bonds is such as to require the consent, approval or authorization of, or the filing, registration or qualification with, any governmental authority on the part of the Issuer in connection with the execution, delivery and performance of this Loan Agreement, the Indenture, the Security Deed and the Land Use Restriction Agreement or the offer, issue, sale or delivery of the Bonds, other than those already obtained.

(e) No Defaults. No event has occurred and no condition exists with respect to the Issuer which would constitute an "vent of Default" as defined in this Loan Agreement, the Indenture or the Security Deed or which, with the lapse of time or with the giving of notice or both, would become an "Event of Default" under this Loan Agreement, the Indenture or the Security Deed. The Issuer is not in default under the Act or under any charter instrument, by-law or other agreement or instrument to which it is a party or by which it is bound.

(f) No Prior Pledge. Neither this Loan Agreement, the Security Deed nor any of the Pledged Revenues or the Trust Estate have been pledged or hypothecated in any manner or for any purpose other than as provided in the Indenture as security for the payment of the Bonds.

(h) Official Action. By resolution duly adopted on June 4, 2015, the Issuer took "official action" (within the meaning of Section 1.103-8(a)(5) of the Treasury Regulations under the Code) providing for the purchase and completion of the Facility and the financing of the cost of the Facility, in whole or in part, through the issuance of the Bonds.

(i) No Personal Liability. No stipulation, obligation or agreement herein contained shall be deemed to be a stipulation, obligation or agreement of any officer, member, agent or employee of the Issuer in his/her individual capacity, and no such officer, member, agent or employee shall be personally liable on the Bonds or be subject to personal liability or accountability by reason of the issuance thereof.

Section 2.2. Representations by the Borrower. The Borrower makes the following representations as the basis for the undertakings on its part herein contained:

(a) Organization and Power. The Borrower (i) is a Georgia limited liability company authorized to do business in the State of Georgia, and (ii) has all requisite power and authority and all necessary licenses and permits to own and operate its properties and to carry on its business as now being conducted and as presently proposed to be conducted.

(b) Pending Litigation. There are no proceedings pending, or to the knowledge of the Borrower threatened, against or affecting the Borrower in any court or before any governmental authority or arbitration board or tribunal which involve the possibility of materially and adversely affecting the properties, business, prospects, profits or condition (financial or otherwise) of the Borrower, or the ability of the Borrower to perform its obligations under this Loan Agreement, the Bond Purchase Agreement, the Security Deed or the Land Use Restriction Agreement. The Borrower is not in default with respect to an order of any court, governmental authority or arbitration board or tribunal.

(c) Agreements Are Legal and Authorized. The execution and delivery by the Borrower of this Loan Agreement, the Bond Purchase Agreement, the Security Deed and the Land Use Restriction Agreement and the compliance by the Borrower with all of the provisions hereof and thereof (i) are within the power of the Borrower, (ii) will not conflict with or result in any breach of any of the provisions of, or constitute a default under, or result in the creation of any lien, charge or encumbrance (other than Permitted Encumbrances) upon any property of the Borrower under the provisions of, any agreement, charter document, by-law or other instrument to which the Borrower is a party or by which it may be bound, or any license, judgment, decree, law, statute, order, rule or regulation of any court or governmental agency or body having jurisdiction over the Borrower or any of its activities or properties, and (iii) have been duly authorized by all necessary action on the part of the Borrower.

(e) No Defaults. No event has occurred and no condition exists with respect to the Borrower that to the Borrower's knowledge would constitute an "Event of Default" under this Loan Agreement, the Indenture, the Bond Purchase Agreement, the Security Deed, the Land Use Restriction Agreement or which, with the lapse of time or with the giving of notice or both, would become an "Event of Default" under this Agreement, the Indenture, the Security Deed, the Bond Purchase Agreement or the Land Use Restriction Agreement. The Borrower is not in violation in any material respect of any agreement, or other instrument to which it is a party or by which it may be bound.

(f) Compliance with Laws. To the Borrower's knowledge, the Borrower is not in violation of any laws, ordinances, governmental rules or regulations to which it is subject and has not failed to obtain any licenses, permits, franchises or other governmental

authorizations necessary to the ownership of its properties or to the conduct of its business, which violation or failure to obtain might materially and adversely affect the properties, business, prospects, profits or conditions (financial or otherwise) of the Borrower.

(g) Restrictions on the Borrower. The Borrower is not a party to any contract or agreement that materially and adversely affects the business of the Borrower. The Borrower is not a party to any contract or agreement that restricts the right or ability of the Borrower to incur or guarantee indebtedness for borrowed money.

(h) Inducement. The issuance of the Bonds by the Issuer to enable the Issuer to acquire and rehabilitate the Facility for the benefit of the Borrower will directly result in an increase in employment opportunities in the City and County.

(i) Operation of Facility. The Borrower intends to operate the Facility, or cause the same to be operated, from the Completion Date to the expiration or sooner termination of this Loan Agreement as provided herein as a "project" within the meaning of the Act and so long as the Bonds remain outstanding the Borrower agrees that it shall operate or cause the operation of the Facility as a "project" the primary purpose of which causes the Facility to comply with the requirements of the applicable provisions of Section 142 of the Code.

(j) Nature of Facility. All property acquired with the net proceeds of the sale of the Bonds will be used to acquire land or property of a character subject to the allowance for depreciation under Section 167 of the Code and such costs representing proceeds so used are properly chargeable to a capital account of the Borrower for Federal income tax purposes or would be so chargeable either with a proper election by the Borrower or but for a proper election by the Borrower to deduct the costs.

(k) I.R.S. Form 8038 Information. The information furnished by the Borrower and used by the Issuer in preparing I.R.S. Form 8038, "Information Return for Private Activity Bond Issues," which shall be filed by or on behalf of the Issuer with the Internal Revenue Service Center in Ogden, Utah, pursuant to Section 149 of the Code, was true and complete as of the date of filing thereof.

(l) Limitation on Maturity. The weighted average maturity of the Bonds does not exceed the weighted average estimated economic life of the components comprising the Facility by more than twenty percent (20%), determined pursuant to Section 147(b) of the Code.

(m) Restrictions on Financing and Operation of Certain Facilities. At no time will:

(i) more than twenty five percent (25%) of the net proceeds of the sale of the Series 2015A Bonds be used to provide a facility the primary purpose of which is automobile sales or service; or

(ii) any portion of the net proceeds of the sale of the Series 2015A Bonds be used to provide the following: any private or commercial golf course, country club, massage parlor, tennis club, skating facility (including roller skating, skateboard and ice skating),

racquet sports facility (including any handball or racquetball court), hot tub facility, suntan facility or racetrack; or

(iii) any portion of the net proceeds of the sale of the Series 2015A Bonds be used to provide any airplane, skybox or other private luxury box, any health club facility, any facility primarily used for gambling, or any store the principal business of which is the sale of alcoholic beverages for consumption off premises; or

(iv) any portion of the net proceeds of the sale of the Series 2015A Bonds be used (directly or indirectly) for the acquisition of land (or an interest therein) to be used for farming purposes, or twenty five percent (25%) or more of the net proceeds of the sale of the Series 2015A Bonds be used (directly or indirectly) for the acquisition of land other than land to be used for farming purposes; or

(v) any portion of the net proceeds of the sale of the Series 2015A Bonds be used for the acquisition of any property the first use of which property is not pursuant to such acquisition, except with respect to any building (and the equipment therefor) if the completion expenditures with respect to such building equal or exceed fifteen percent (15%) of the portion of the cost of acquiring such building (and equipment) financed with the proceeds of the Series 2015A Bonds; or

(vi) the Facility be operated as a facility the primary purpose of which causes the Facility to constitute a prohibited facility within the meaning of Section 103(b) of the Code or fail to be a "project" under the Act.

(n) Aggregation of Issues for Single Project. The Facility is not a part of a single building, an enclosed shopping mall or a strip of offices, stores or warehouses using substantial common facilities, and with respect to which any other bonds, notes or other obligations have been or will be issued under Section 103(b) of the Code.

(o) Tax-Exempt Status of the Series 2015A Bonds. Borrower hereby represents, warrants and agrees that the Borrower's Tax and Non-Arbitrage Certification executed and delivered by the Borrower concurrently with the issuance and delivery of the Series 2015A Bonds is true, accurate and complete in all material respects as of the date on which executed and delivered.

(p) Use and Operation of the Facility. The Borrower agrees that it shall use, maintain and operate, or cause to be used, maintained and operated, the Facility on a nonsectarian basis and consistently with the Borrower's obligations imposed under this Loan Agreement.

ARTICLE III. COMPLETION OF THE FACILITY; ISSUANCE OF THE BONDS

Section 3.1. Completion of the Facility. The Borrower agrees that the Facility will be completed as promptly as practicable after receipt of the proceeds from the sale of the Series

2015A Bonds, delays incident to strikes, riots, acts of God or the public enemy or other causes beyond the reasonable control of the Borrower only excepted, but if the Facility is not completed, there shall be no resulting liability on the part of the Issuer and no diminution in or postponement of the payments required to be paid by the Borrower hereunder.

Section 3.2. Loan Agreement to Issue Bonds; Application of Proceeds. In order to provide funds for the payment of the cost of the acquisition and completion of the Facility, the Issuer agrees that as soon as possible it will authorize, sell and cause to be delivered to the initial purchaser or purchasers thereof, the Bonds, bearing interest and maturing as set forth in Article II of the Indenture, at a price to be approved by the Borrower, and it will thereupon deposit the proceeds received from said sale in the Project Fund.

The Borrower may cause such changes to be made to the aforesaid plans and specifications for the Facility as it may desire provided that such changes shall not result in (i) the Facility not being a "project" within the meaning of the Act, (ii) the Facility constituting a prohibited facility within the meaning of Section 103(b) of the Code, (iii) less than substantially all of the net proceeds of the sale of the Series 2015A Bonds being used to pay the costs of land or property of a character subject to the allowance for depreciation under Section 167 of the Code, and (iv) a violation of the limitation on maturity of the Series 2015A Bonds under Section 147(b) of the Code.

Section 3.3. Disbursement from the Project Fund. The Issuer will in the Indenture authorize and direct the Trustee to use the moneys in the Project Fund for the following purposes but, subject to the provisions of Section 3.8, for no other purposes:

(a) payment of the initial or acceptance fee of the Trustee and fees and expenses of its Counsel, the fees for recording the deeds whereby the appropriate title in and to the Facility land has been acquired by the Issuer, payments for title examination and insurance, and any title curative documents that the Issuer may deem desirable to file for record in order to perfect or protect its title in and to the Facility land and the fees and expenses in connection with any actions or proceedings that the Issuer may deem desirable to bring in order to perfect its title in and to the Facility land;

(b) payment to the Borrower of such amounts, if any, as shall be necessary to reimburse the Borrower in full for all advances and payments made by it prior to or after the delivery of the Bonds for expenditures in connection with the acquisition by the Issuer of appropriate title in and to the Facility land (including the cost of such acquisition and of any rights-of-way for the purpose of providing access to and from the Facility land), clearing the same, site improvement, the preparation of plans and specifications for the Facility (including any preliminary study or planning of the Facility or any aspect thereof), the acquisition, construction and installation of the Project equipment and the acquisition, construction and installation necessary to provide utility services or other facilities including trackage to connect the Facility with public transportation facilities, and all real or personal properties deemed necessary in connection with the Facility, or any one or more of said expenditures (including architectural, engineering and supervisory services) with respect to any of the foregoing;

(c) payment of, or reimbursement of the Borrower and the Issuer for, the legal and accounting fees and expenses, financial consultants' fees, financing charges (including underwriting or placement fees) and printing and engraving costs incurred in connection with the authorization, sale and issuance of the Bonds, the preparation of this Loan Agreement, the Security Deed, the Indenture, the Financing Statements and all other documents in connection therewith and in connection with the acquisition of appropriate title in and to the Facility land, including fees for recording the Indenture, the Security Deed, and the Financing Statements;

(d) payment of, or reimbursement of the Borrower for, labor, services, material, supplies and/or equipment used or furnished in site improvement and in the completion of the Facility, all as provided in the plans and specifications therefor, payment for the cost of the acquisition and installation of furniture, fixtures and equipment constituting part of the Facility, payment for the cost of acquisition, construction and installation of utility services or other facilities including trackage to connect the Facility with public transportation facilities, and all real and personal properties deemed necessary in connection with the Facility and payment for the miscellaneous expenses incidental to any of the foregoing;

(e) payment of, or reimbursement of the Borrower for, the fees, if any, for architectural, engineering and supervisory services with respect to the Facility;

(f) payment of, or reimbursement of the Borrower and the Issuer for, as such payments become due, the fees and expenses of the Trustee, the Bond Registrar, the paying agent, the fees and expenses of Counsel to bond purchaser, Lawson Financial Corporation, Phoenix, Arizona, or their affiliates or subsidiaries and the fees and expenses of their Counsel properly incurred under the Indenture that may become due during the Construction Period; and payment into the Bond Fund of sufficient moneys to pay interest on the Bonds accruing during the Construction Period;

(g) payment of, or reimbursement of the Borrower and the Issuer for, any other legal and valid costs and expenses relating to the Facility; and

(h) all moneys remaining in the Project Fund (including moneys earned on investments made pursuant to the provisions of Section 3.8) after the Completion Date and payment in full of the cost of the acquisition and completion of the Facility, and after payment of all other items provided for in the preceding subsections of this Section then due and payable, shall at the direction of the Borrower be (i) subject to Section 5.9(d), used to acquire, construct and install additions, extensions and improvements to the Facility in accordance with amended plans and specifications therefor duly filed with the Issuer, (ii) used by the Trustee, to the maximum extent practicable consistent with making partial redemptions in amounts of not less than \$5,000 or integral multiples thereof, for the redemption of Bonds at the earliest date permitted by the Indenture or the purchase of Bonds for the purpose of cancellation at any time prior to the earliest date permitted by the Indenture for the redemption of Bonds, or (iii) paid into the Bond Fund to pay interest on the Bonds, or (iv) a combination of (i), (ii) or (iii) as is provided in such direction, provided that amounts approved by the Authorized Borrower Representative shall be retained by the Trustee in the Project Fund for payment of costs not then due and payable. Any balance remaining of such retained moneys after full payment of all such Facility

costs shall be used by the Trustee as directed by the Borrower in the manner specified in clauses (i), (ii), (iii) or (iv) of this subsection. Amounts directed by the Borrower to be used by the Trustee to redeem Bonds or to purchase Bonds for the purpose of cancellation shall not, pending such use, be invested at a yield which exceeds the yield on the Series 2015A Bonds.

The payments specified in subsections (a) through (g) of this Section (other than payment of interest on the Bonds accruing prior to the Completion Date) shall be made by the Trustee only upon receipt of the following:

(1) a written requisition for such payment in the forms attached hereto as Exhibits A and B respectively signed by the Authorized Borrower Representative certifying:

(i) that an obligation in the stated amount has been incurred in connection with the issuance of the Bonds or the completion of the Project;

(ii) that such obligation is a proper charge against the Project Fund and has not been the basis of any previous withdrawal from the Project Fund, and specifying the purpose and circumstances of such obligation in reasonable detail and the name and address of the person to whom such obligation is owed;

(iii) that (A) he has no notice of any vendors', materialmen's, mechanics', suppliers' or other similar liens or right to liens, chattel mortgages or conditional sales contracts, or other contracts or obligations which should be satisfied or discharged before payment of such obligation is made, or (B) such requisition is for the purpose of obtaining funds to be used to satisfy or discharge a lien or contract of the type described in (A) above;

(iv) that such requisition contains no request for payment on account of any portion of such obligation which the Borrower is, as of the date of such requisition, entitled to retain under any retained percentage agreements;

(v) that such obligation is for an item which is properly chargeable to the capital account of the Borrower for Federal income tax purposes or would be so chargeable either with a proper election by the Borrower or but for a proper election by the Borrower to deduct the costs and that payment of such obligation when added to all other payments previously made from the Project Fund will not result in less than substantially all of the net proceeds of the sale of the Bonds expended at such time being used to provide land or property of a character subject to the allowance for depreciation under Section 167 of the Code;

(vi) that such requisition contains no request for payment on account of any obligation paid or incurred by the Borrower prior to April 5, 2015;

(vii) that each and every representation of the Borrower set forth in this Loan Agreement is true and correct on and as of the date of such requisition;

(viii) that no default or Event of Default has occurred and is then continuing; and

(ix) the Project costs then incurred and the estimated costs of completing the Project that the amount remaining in the Project Fund for disbursement, after giving effect to the requested disbursement, will be sufficient to complete the Project or, if that is not the case, stating that the Borrower has on hand or has the ability to obtain the additional funds required to complete the Project.

(2) with respect to any such requisition for payment for labor, services, material, supplies or equipment, an additional certificate, signed by the Authorized Borrower Representative certifying that insofar as such obligation was incurred for labor, services, material, supplies and/or equipment in connection with the acquisition and completion of the Facility, such labor and/or services were actually performed in a satisfactory manner and such material, supplies and/or equipment were actually used in or about the completion or delivered (and remain) at the site of the Facility for that purpose.

In making any such payment from the Project Fund the Trustee may rely on any such requisitions and any such certificates delivered to it pursuant to this Section and the Trustee shall be relieved of all liability with respect to making such payments in accordance with any such requisitions and such supporting certificate or certificates without inspection of the Facility or any other investigation. Disbursements from the Project Fund for deposit in the Bond Fund to pay interest on the Bonds accruing during the Construction Period may be made by the Trustee at the written request of the Borrower when interest is due on the Bonds without the necessity of receiving any such written requisition or supporting certificates pertaining thereto.

The Issuer and the Borrower agree for the benefit of each other and for the benefit of the Trustee and the holders of the Bonds that the proceeds of the Bonds will not be used in any manner which would result in the loss of the exemption from Federal income taxation of the interest on the Series 2015A Bonds.

In addition to the other requirements for disbursements from the Project Fund, the following shall be conditions precedent to the Trustee's duty to make such disbursements:

(a) The Borrower shall have submitted the requisition not less than five (5) Business days before the disbursement is to be made complying in form and substance with the requirements of this Section 3.3 and, in the case of the final disbursement, Section 3.5; and

(b) The Trustee shall not have received written notice that an Event of Default shall then exist or that an event or failure shall have occurred which, with the giving of notice or the passage of time or both, would constitute an Event of Default.

Section 3.4. Obligation to Furnish Documents to Trustee and Issuer. The Borrower agrees to furnish to the Trustee and Issuer, at Issuer's written request, the documents referred to in Section 3.3 that are required to effect payments out of the Project Fund, and to cause such requisitions and certificates to be directed by the Authorized Borrower Representative to the Trustee and Issuer, at Issuer's written request, as may be necessary to effect such payments. Such obligation of the Borrower is subject to any provisions hereof or of the Indenture requiring additional documentation with respect to payments and shall not extend beyond the moneys in

the Project Fund available for payment under the terms of the Indenture.

Section 3.5. Establishment of Completion Date. The Completion Date shall be evidenced to the Trustee by a certificate signed by the Authorized Borrower Representative stating that, except for amounts retained by the Trustee for Project costs not then due and payable as provided in Section 3.3(h),

(a) the Facility has been completed substantially in accordance with the plans and specifications therefor and all labor, services, materials, supplies or equipment used in such completion have been paid for,

(b) all other facilities necessary in connection with the Facility have been acquired, constructed and installed substantially in accordance with the plans and specifications therefor and all costs and expenses incurred in connection therewith have been paid,

(c) the Facility and all other facilities in connection therewith have been acquired, constructed and installed to its satisfaction and are suitable and sufficient for the efficient operation of the Facility for its intended purposes,

(d) substantially all of the net proceeds of the sale of the Bonds have been used to acquire land or property of a character subject to the allowance for depreciation under Section 167 of the Code and such costs representing proceeds so used are properly chargeable to the capital account of the Borrower for Federal income tax purposes or would be so chargeable either with a proper election by the Borrower or but for a proper election by the Borrower to deduct the costs, and

(e) the original or a true and correct copy of a certificate of occupancy, if required, and any other permissions required of governmental authorities for the occupancy of the Facility have been obtained.

Notwithstanding the foregoing, such certificate by the Authorized Borrower Representative shall state that it is given without prejudice to any rights of the Borrower against third parties which exist on the date of such certificate or which may subsequently come into being. The Borrower shall furnish a copy of such certificate to the Issuer at the same time such document is furnished to the Trustee.

The aforesaid certificate of the Authorized Borrower Representative shall be furnished to the Trustee and Issuer and shall be accompanied by:

(i) An as-built survey of the Facility within sixty (60) days of the issuance of the Bonds, prepared by a registered surveyor licensed by the State of Georgia acceptable to the Issuer, showing the dimensions and location of all improvements on the Facility, as completed;

(ii) A certificate of the Borrower stating (i) that the completion of the Facility, including all machinery, equipment, fittings and fixtures required to be installed by the plans and specifications, has been completed substantially in accordance with the plans and specifications

and in accordance with all applicable governmental requirements relating to the completion of the Facility, and (ii) that direct connection has been made to all abutting public utilities necessary for full operation and use of the Facility, including, without limitation, water, storm and sanitary sewer, electricity, gas and telephone; and,

(iii) A final affidavit of each contractor which furnished services or materials for the Facility, sworn to by an authorized agent of such contractor and dated not more than five (5) Business days prior to the date of such requisition for disbursement, in a form which shall include without limitation, (i) a specific representation and warranty that all payments made to the contractor by the Borrower have been used by the contractor solely to pay for costs of the Facility, (ii) a statement that the agreed price of work done, material furnished and services furnished or rendered has been paid, and (iii) a statement that there are no liens of such contractor or sub-contractors, mechanics' liens, or laborers' liens that have been filed of record.

Section 3.6. Borrower Required to Pay Project Costs and Costs of Facility Completion If Project Fund Insufficient. If the moneys in the Project Fund available for payment of the cost of the Project and for the completion of the Facility are not sufficient to pay the cost thereof in full, the Borrower agrees to complete the Facility and to pay all that portion of the Project costs and the costs of the Facility completion as may be in excess of the moneys available therefor in the Project Fund. The Issuer does not make any warranty, either express or implied, that the moneys which will be paid into the Project Fund and which, under the provisions of this Loan Agreement, will be available for payment of the cost of the Project and the Facility completion will be sufficient to pay all costs which will be incurred for such purposes. The Borrower agrees that if, after exhaustion of the moneys in the Project Fund, the Borrower should pay any portion of the cost of the Facility pursuant to the provisions of this Section, it shall not be entitled to any reimbursement therefor from the Issuer or from the Trustee or from the holders or owners of any of the Bonds, nor shall it be entitled to any diminution in or postponement of the payments required to be made hereunder.

Section 3.7. Remedies Against Suppliers, Contractors and Subcontractors and Their Sureties. The Borrower may prosecute or defend any action or proceeding or take any other action involving any defaulting supplier, contractor, subcontractor or surety therefor which the Borrower deems reasonably necessary, and in such event the Issuer agrees to cooperate fully with the Borrower, to the extent it might lawfully do so, in any such action or proceeding. Any moneys recovered by way of damages, refunds, adjustments or otherwise in connection with the foregoing shall belong to the Borrower.

Borrower will not permit any mechanics' or other liens to be established or remain against the Facility provided that if Borrower shall first notify the Trustee of Borrower's intention to do so, Borrower may in good faith contest any mechanics' or other liens filed or established against the Facility, and in such event may permit the items so contested to remain non-discharged and unsatisfied during the period of such contest and any appeal therefrom, unless by nonpayment of any items the lien of the Security Deed as to the Facility and as to the payments to be made hereunder will be materially endangered or the Facility, or any part thereof, will be subject to loss or forfeiture, in which event the Borrower shall promptly pay and cause to be satisfied and discharged all such unpaid items

Section 3.8. Fund Investment. Any moneys held by the Trustee in trust funds created under the Indenture shall be invested or reinvested by the Trustee in Permitted Investments, to the extent permitted by the laws of the State as provided in the Indenture.

ARTICLE IV.
TITLE TO FACILITY; PROVISIONS FOR PAYMENT

Section 4.1. Title to the Facility. The Borrower acknowledges that security title to the Facility land and improvements thereon will be conveyed to the Issuer by the Borrower pursuant to the Security Deed as security for the payments to be made by the Borrower pursuant to Section 4.2.

Section 4.2. Payment Obligations of the Borrower.

(a) So long as no Lock Box Trigger Event (defined below) has occurred and is continuing under this Loan Agreement, the Borrower may collect or cause the collection of all Gross Revenues received in connection with the management or operation of the Facility and deposit them, or cause them to be deposited, into the Operating Account, which is to be established by Borrower for this purpose. From such Gross Revenues, the Borrower shall pay, or cause the payment of, all operating expenses of the Facility pursuant to an Operating Budget filed with the Trustee or a certificate of the Borrower showing any deviation from such Operating Budget, and, no later than the fourth Business day before the first day of the months specified below, will remit to the Trustee monies sufficient to permit the Trustee to make the payments of deposits set forth below in order of priority set forth:

(i) First, beginning in September of 2015, for deposit into the Interest Account of the Bond Fund, an amount equal to the next interest payment coming due on the Series 2015 Bonds, but the foregoing payment obligations shall be reduced by, and to the extent of, monies paid from the Capitalized Interest Account for such purpose;

(ii) Second, beginning in August of 2017, for deposit into the Principal Account of the Bond Fund, an amount equal to one-twelfth (1/12th) of the next principal or mandatory sinking fund redemption payment coming due on the Series 2015 Bonds;

(iii) Third, beginning if and when required by the Code, for deposit into the Arbitrage Rebate Fund, the amount of any rebatable arbitrage;

(iv) Fourth, beginning in August of 2015, for deposit into the Ad Valorem Tax Fund, an amount equal to one-twelfth of the estimated ad valorem taxes that will next become due on the Facility;

(v) Fifth, commencing the month next following the month in which there shall have occurred any transfer from, or decline in value of, the Debt Service Reserve Fund, for deposit into the Debt Service Reserve Fund, an amount equal to one-twelfth of the amount needed to restore the balance therein to the Debt Service Reserve Fund Requirement;

(vi) Sixth, for payment to Management Company, the management fee for the forthcoming month, but the failure of the Borrower to remit to the Trustee an amount adequate for the Trustee to make all or any part of such management fee shall not constitute an Event of Default if, and to the extent that, such failure resulted from an insufficiency of Gross Revenues; and

(vii) Seventh, for payment to any terminated manager of the Facility, an amount equal to all fees that remain due and owing to such terminated manager, but the failure of the Borrower to remit to the Trustee an amount adequate for the Trustee to make all or any part of such management fee shall not constitute an Event of Default if, and to the extent that, such failure resulted from an insufficiency of Gross Revenues.

All such payments shall be made to the Trustee at its principal corporate trust office in Tulsa, Oklahoma, or such other location as is specified in writing by the Trustee, in lawful money of the United States of America which will be immediately available on the date each such payment is due. Each payment shall be sufficient to pay the total amount of principal of (whether at maturity, by mandatory sinking fund redemption pursuant to the provisions of Section 304 of the Indenture, or by acceleration, or optional redemption), and redemption premium (if any) and interest on, the Bonds due on such payment date. Anything herein to the contrary notwithstanding, if on any such payment date, the balance in the Bond Fund is insufficient to make the required payments of principal of, and redemption premium (if any) and interest on, the Bonds on such date, the Borrower shall forthwith pay any such deficiency.

(b) In the event that (i) an Event of Default under this Loan Agreement shall have occurred and be continuing, (ii) an unaudited financial statement is not provided, after a ten business day cure period following written notice from the Trustee, to the Trustee in compliance with Section 5.4(b)(i) hereof, (iii) the Debt Service Coverage Ratio falls below 1.10 for two consecutive calendar quarters, or (iv) more than twenty five percent (25%) of trade payables exceed sixty (60) days overdue (any one of i through v shall be considered a "Lock Box Trigger Event"), the Trustee may as it deems best in its sole discretion, require the Borrower shall transfer all amounts then on deposit in the Operating Account, and all other Gross Revenues held by it, to the Trustee for deposit into the Revenue Fund and, thereafter, on a daily basis, the Borrower shall collect and transfer all Gross Revenues to the Trustee for deposit into the Revenue Fund, except for an amount not to exceed \$2,000 which may be maintained in the Operating Account. Amounts transferred to the Trustee will be (1) deposited into the Revenue Fund established under the Indenture, and (2) thereafter, disbursed by the Trustee to pay all operating expenses of the Facility pursuant to the current Operating Budget then on file with the Trustee upon receipt of written directions from the Borrower, and (3) thereafter, on the fourth Business Day before the end of each month, used by the Trustee to make the payments and deposits set forth in the foregoing clauses (a)(i) through (a)(v) in order of priority set forth. For so long as the Trustee shall be making such payments and deposits, the deposits set forth in the foregoing clauses (a)(i) and (a)(ii) shall be made monthly, in amounts equal to, respectively, one-sixth of the next interest payment coming due on the Series 2015 Bonds, and one-twelfth of the next principal payment coming due on the Series 2015 Bonds. The Borrower may resume use of the Operating Account only after no Event of Default shall have occurred and be continuing for seven consecutive months (the "Lock Box Release Requirement").

(c) The Borrower further agrees that in the event payment of the principal of, and the interest on, the Bonds is accelerated upon the occurrence of an Event of Default under the Indenture, all amounts payable under Section 4.2(a) for the remainder of the term hereof shall be accelerated.

For purposes of this Section, a "Lock Box Trigger Event" shall mean any Event of Default as set forth in this Loan Agreement or any event of noncompliance with the requirements of Section 4.2(b) of this Loan Agreement; provided, however, that, if such Event of Default is the failure by Borrower to make any monthly payment required to be made under Section 4.2(a) above, such Event of Default shall not qualify as a Lock Box Trigger Event unless and until Borrower fails to make such monthly payment for two consecutive months after receipt by the Borrower of five (5) days' written notice from the Trustee.

(d) Any amount held in the Bond Fund on any payment date specified in Subsection (a) above shall be credited against the payments required to be made by the Borrower on such payment date.

(e) If all of the Bonds then outstanding are called for redemption, any amounts held in the Project Fund and the Bond Fund on such redemption date shall be used to pay the principal of, the redemption premium (if any) and the interest on, the Bonds to be redeemed and shall reduce the amounts to be then paid by the Borrower pursuant to Subsection (a) above to effect such redemption.

(f) If the Borrower should fail to make any of the payments required in Subsection (a) above, the item or installment which the Borrower has failed to make shall continue as an obligation of the Borrower until the same shall have been fully paid, and the Borrower agrees to pay the same with interest thereon at the rate per annum borne by the Bonds until paid in full.

Anything herein, in the Indenture or in the Bonds, to the contrary notwithstanding, the obligations of the Borrower hereunder shall be subject to the limitation that payments constituting interest under this Section shall not be required to the extent that the receipt of such payment by the holder of any Bond would be contrary to the provisions of law applicable to such holder which limit the maximum rate of interest which may be charged or collected by such holder.

Section 4.3. Other Payments; Trustee' Fees and Expenses. In addition to payment of the amounts specified in Section 4.2(a), the Borrower agrees to pay to the Trustee, (a) an amount equal to the reasonable fees and charges of the Trustee incurred under the Indenture, and (b) the reasonable fees and charges of the Trustee and any other paying agent for acting as paying agent and Bond Registrar as provided in the Indenture, as and when the same become due, including the reasonable fees of Counsel, as and when the same become due; provided that no such payments shall be due if such payments are attributed to or occasioned by errors or mistakes committed by the Trustee or Trustee's counsel in connection with its duties as specifically set forth in the Indenture.

If the Borrower should fail to make any of the payments required in this Section, the item or installment which the Borrower has failed to make shall continue as an obligation of the Borrower until the same shall have been fully paid, and the Borrower agrees to pay the same with interest thereon at the rate per annum borne by the Bonds until paid in full.

Section 4.4. Obligations of the Borrower Absolute and Unconditional. The obligations of the Borrower to make the payments required in Section 4.2 and to perform and observe the other agreements on its part contained herein shall be absolute and unconditional and shall not be subject to diminution by set-off, counterclaim, abatement or otherwise. Until such time as the principal of, and the interest on, the Bonds shall have been paid in full, the Borrower (a) will not suspend or discontinue any payments provided for in Section 4.2 except to the extent the same have been prepaid, (b) will perform and observe all its other agreements contained herein, and (c) except as provided in Sections 7.1 and 7.2, will not terminate this Loan Agreement for any cause, including, without limiting the generality of the foregoing, any acts or circumstances that may constitute failure of consideration, sale, loss, eviction or constructive eviction, destruction of or damage to the Facility, commercial frustration of purpose, any change in the tax or other laws of the United States of America or of the State or any political subdivision of either, or any failure of the Issuer to perform and observe any agreement, whether express or implied, or any duty, liability or obligation arising out of or in connection herewith or with the Indenture. Nothing contained in this Section shall be construed to release the Issuer from the performance of any of the agreements on its part herein contained; and if the Issuer should fail to perform any such agreement, the Borrower may institute such action against the Issuer as the Borrower may deem necessary to compel performance so long as such action shall not do violence to the agreements on the part of the Borrower contained in the preceding sentence.

Nothing contained herein shall be construed as a waiver of any rights which the Borrower may have against the Issuer under this Loan Agreement, or against any person under this Loan Agreement, the Indenture or otherwise, or under any provision of law.

Section 4.5. Borrower Consents to Assignment of Agreement and Security Deed and Execution of Indenture. The Borrower understands that the Issuer, as security for the payment of the principal of, and the interest on, the Bonds, will assign and pledge to, and create a security interest in favor of, the Trustee pursuant to the Indenture certain of its rights, title and interest in and to this Loan Agreement including all Pledged Revenues and in the Security Deed, reserving, however, its rights (a) pursuant to this Loan Agreement and the Security Deed providing that notices, approvals, consents, requests and other communications be given to the Issuer, (b) to reimbursement and payment of costs and expenses under Sections 5.2 and 6.4, and (c) to indemnification and to exemption from liability, both individual and corporate, under Section 5.2, and the Borrower hereby agrees and consents to such assignment and pledge. The Borrower acknowledges that it has received a copy of the Indenture and consents to the execution of the same by the Issuer and Trustee.

Section 4.6. Borrower's Performance Under Indenture. The Borrower agrees, for the benefit of the Bondholders, to do and perform all acts and things contemplated in the Indenture to be done or performed by it. Without limiting the generality of the foregoing, the Borrower,

for good and adequate consideration, the receipt of which is acknowledged hereby, does hereby absolutely, irrevocably and unconditionally guarantee the prompt payment, as and when due, of the principal amount of the Bonds, together with all interest accrued from time to time thereon including any amounts due to Trustee by Issuer. The foregoing guaranty is intended to be an agreement of suretyship and guarantee of payment when due, and not merely a guarantee of ultimate collection.

Section 4.7. Permitted Encumbrances. As of any particular time, the Borrower shall be permitted to suffer the following permitted encumbrances of the Facility (i) liens for ad valorem taxes, special assessments, and other charges not then delinquent, or for taxes, assessments, and other charges being contested in accordance with Section 1.02 of the Security Deed; (ii) this Loan Agreement, the Security Deed, the Indenture and the Land Use Restriction Agreement; (iii) presently existing utility, access, and other easements and rights of way, restrictions, and exceptions described in the title policy which shall be provided by the Borrower; (iv) liens for the financing of accounts receivable of the Borrower; (v) inchoate mechanics' and materialmen's liens which arise by operation of law, but which have not been perfected by the required filing of record for work done or material delivered after the date of recording the Security Deed and Assignment in connection with additions or alterations to the Facility; (vi) the mechanics' and materialmen's liens permitted by Section 1.02 of the Security Deed; and (vii) mortgages and other encumbrances which are junior to the lien of the Security Deed, subject to the written approval of the Issuer, which approval shall not be unreasonably withheld.

ARTICLE V. PARTICULAR AGREEMENTS

Section 5.1. Maintenance and Operation of Facility; Taxes; No Operation of Facility by Issuer; Removal of Equipment. The Borrower will at its own expense, keep the Facility in good repair and operating condition (normal wear and tear excepted) and keep the Facility free and clear of all encumbrances, except Permitted Encumbrances. Borrower will promptly comply in all material respects with all present and future laws, ordinances, rules and regulations of any governmental authority affecting the Facility or any part thereof. The Borrower may make any additions or alterations to the Facility which it may deem desirable for its efficient operation as an independent and assisted living facility which will not adversely affect the value or the revenue producing capability of the Facility, provided that all such additions and alterations are located wholly on the site of the Facility and comply in all material respects with all federal, state, and local laws, statutes, ordinances, rules and regulations as are applied to the Facility. The Borrower further agrees that it will pay all taxes levied with respect to the Facility and the income therefrom. Particularly, the Borrower agrees to pay all ad valorem taxes to the appropriate governmental bodies, and the Borrower agrees that it shall not attempt to obtain any exemption from paying such taxes. If the Borrower determines that any items of equipment included in the Facility (the "Equipment") have become inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary, the items may be removed from the Facility provided the Borrower (1) substitutes and installs other furnishing or equipment of equal or greater utility, or (2) in lieu of such substitution pays into the Bond Fund an amount equal to any proceeds realized from the sale or scrapping of any such items or any amount equal to any credit received from trade-in for items not to be installed in the Facility, or (3) in the case of sale of the Equipment to

the Borrower or an affiliate or other disposition, pays into the Bond Fund an amount equal to the greater of the amounts and credits received or the fair market value of the items disposed of. The requirement to pay to the Bond Fund is applicable only to the extent that the equipment to be sold or otherwise disposed of in the aggregate has a value of \$15,000 or more. Nothing contained in this Loan Agreement shall be deemed to authorize or require the Issuer to operate the Facility or to conduct any business enterprise therewith.

Section 5.2. Indemnification of Issuer and Trustee.

(a) Borrower agrees to and shall indemnify and save the Issuer and the Trustee harmless against and from all claims by or on behalf of any person, firm or corporation arising from the conduct or management of, or from any work or thing done on the Facility and against and from all claims arising from (i) any condition of or operation of the Facility, (ii) any breach or default on the part of Borrower in the performance of any of its obligations under this Loan Agreement, (iii) any act or negligence of Borrower or of any of its agents, contractors, servants, employees or licensees, or (iv) any act or negligence of any assignee or Borrower of Borrower, or of any agents, contractors, servants, employees or licensees of any assignee or Borrower of Borrower, provided however, this indemnity shall not apply to any acts of gross negligence or willful misconduct of the Issuer or the Trustee. The Borrower shall indemnify and save the Issuer and the Trustee harmless from and against all reasonable costs and expenses incurred in or in connection with any such claim arising as aforesaid from (i), (ii), (iii) or (iv) supra, or in connection with any action or proceeding brought thereon, including reasonable attorneys' fees actually incurred, and upon notice from the Issuer, or the Trustee, Borrower shall defend them or either of them in any such action or proceeding.

(b) The Borrower agrees that it will indemnify and hold the Trustee harmless, pursuant to Section 1015 of the Indenture, from any and all liability, cost, or expense, including attorneys' fees, incurred without gross negligence or bad faith in the course of the Trustee's duties, including any act, omission, delay, or refusal of the Trustee in reliance upon any signature, certificate, order, demand, instruction, request, notice, or other instrument or document believed by it to be valid, genuine and sufficient.

(c) Notwithstanding the fact that it is the intention of the parties that the Issuer shall not incur any pecuniary liability by reason of the terms of this Loan Agreement, or the undertakings required of the Issuer hereunder, by reason of (i) the issuance of the Bonds; (ii) the execution of the Indenture; (iii) the performance of any act required of it by this Loan Agreement, the Security Deed or the Indenture; (iv) the performance of any act requested of it by the Borrower; or (v) any other costs, fees, or expenses incurred by the Issuer with respect to the Facility or the financing thereof, including all claims, liabilities or losses arising in connection with the violation of any statutes or regulations pertaining to the foregoing, nevertheless, if the Issuer should incur any such pecuniary liability then in such event the Borrower shall indemnify and hold harmless the Issuer against all claims by or on behalf of any person, firm or corporation, arising out of the same, and all reasonable costs and expenses (including reasonable attorneys' fees) incurred in connection with any such claim or in connection with any action or proceeding brought thereon, and upon notice from the Issuer, the Borrower shall defend the Issuer in any such action or proceeding and pay the reasonable attorneys' fees of the Issuer

actually incurred in defending any such action.

The provisions of this Section shall survive the termination of this Loan Agreement.

Section 5.3. Covenants Regarding Maintenance of Borrower's Existence. The Borrower covenants that so long as this Loan Agreement is in effect, it will maintain its existence and will not merge or consolidate with any other entity or sell or otherwise dispose of all or substantially all of its assets, provided that the Borrower may, subject to the written approval of the Issuer, which approval shall not be unreasonably withheld, merge or consolidate with another entity or sell or otherwise transfer to another domestic partnership, corporation or other business entity all or substantially all of its assets as an entirety and thereafter dissolve, provided any surviving, resulting or transferee entity (the "Surviving Entity") (i) is authorized to do business in the State of Georgia, (ii) is a domestic corporation, partnership, or other entity, or, if a natural person, is a resident of the United States of America, (iii) assumes in writing all of the obligations of the Borrower under this Loan Agreement and the Land Use Restriction Agreement, (iv) has net worth (after giving effect to such transaction) at least equal to that of the Borrower immediately prior to such transaction, and (v) provided further that the Borrower immediately shall furnish to the Trustee an opinion of nationally recognized bond counsel or ruling of the Internal Revenue Service to the effect that no "Determination of Taxability" has theretofore occurred or will occur or result from such transaction.

The Borrower shall preserve and keep in full force and effect all licenses and permits necessary to the proper conduct of its business.

Section 5.4. Annual Audit; Provision of Reports and Financial Information.

(a) The Borrower shall file an Operating Budget with the Trustee and the Issuer (if requested) at least sixty (60) days before the beginning of each of its Fiscal Years. The Borrower will prepare, and file with the Trustee, a report with respect to any monthly expenditure for operating expenses that exceeds the amount therefor set forth in such Operating Budget by more than ten percent (10%).

(b) The Borrower shall provide the Issuer (if requested by the Issuer), and the Trustee with copies of the following items (each of which must show budgeted and actual results for the relevant period, the year-to-date and the corresponding period and year-to-date for the immediately preceding Fiscal Year):

(i) Within twenty five (25) days after the end of each calendar month, unaudited monthly statements of the Borrower's operations, its balance sheet, a calculation of compliance with the financial covenants hereinafter set forth, payor mix, occupancy rate and statement of cash flows; and

(ii) Within two hundred ten (210) days after the end of each Fiscal Year, the Borrower's audited financial statements prepared in accordance with generally accepted accounting principles and a calculation of compliance with the financial covenants hereinabove set forth.

(c) Concurrently with the delivery of any audited financial statements, the Borrower shall deliver or cause to be delivered to the Issuer (if requested by the Issuer) and the Trustee a certificate signed by the chief financial officer of the Borrower that, to the best knowledge of the signer, after a review of the provisions of the Loan Agreement, no event has occurred which, with the giving of notice or the passage of time, would constitute an Event of Default thereunder and a certificate signed by the accountant which audited such financial statements that nothing came to the attention of such accountant during the course of such audit which caused such accountant to believe any such Event of Default had occurred.

(d) The Borrower shall also furnish to the Issuer (if requested by the Issuer) and the Trustee, upon receipt thereof by the Borrower: (i) a copy of any letter or report with respect to the management of the Borrower's operations submitted to the Borrower by its accountants in connection with any annual or interim audit of the Borrower's accounts, and a copy of any written response of the Borrower to any such letter or report, (ii) evidence of the continued licensure by the State of Georgia and any other regulatory body, and (iii) a copy of all inspection reports by any agency of the State of Georgia or any other regulatory body.

(e) The Borrower shall also furnish to the Issuer (if requested by the Issuer) and the Trustee, on an annual basis, a report detailing all capital improvements to the Facility.

(f) The Borrower shall send a copy of any written opinion, report or certificate provided to it by a Management Consultant to the Issuer (if requested by the Issuer) and the Trustee.

(g) The Borrower shall send to the Underwriter, to each holder of not less than \$1,000,000 in aggregate principal amount of Series 2015 Bonds, and, upon request by any Bondholder, at such Bondholder's expense, a copy of any budget, statement, certificate or report referred to in this Section 5.4.

The Trustee shall have no duty to review the foregoing items deposited with it and shall hold such items as a repository on behalf of the Bondholders.

Section 5.5. Loan Agreement of Issuer Not to Assign or Pledge. Except for the assignment and pledge of the Trust Estate in the Indenture, and as provided by the Security Deed the Issuer agrees that it will not attempt to further assign, pledge, transfer or convey its interest in or create any assignment, pledge, lien, charge or encumbrance of any form or nature with respect to the Trust Estate.

Section 5.6. Redemption of Bonds. The Issuer or the Trustee, at the request at any time of the Borrower and if the same are then redeemable, shall forthwith take all steps that may be necessary under the applicable redemption provisions of the Indenture to effect redemption of all or any portion of the Bonds, as may be specified by the Borrower, on the earliest redemption date on which such redemption may be made under such applicable provisions or upon the date set for the redemption by the Borrower pursuant to Sections 7.1 and 7.2. As long as the Borrower is not in default hereunder and the Issuer is not obligated to call Bonds pursuant to the terms of the Indenture, neither the Issuer nor the Trustee shall redeem any Bond prior to its stated

maturity unless requested to do so in writing by the Borrower.

Section 5.7. Reference to Bonds Ineffective After Bonds Paid. Upon payment in full of the Bonds and all fees and charges of the Trustee, all references herein to the Bonds and the Trustee shall be ineffective and neither the Issuer, the Trustee nor the holders of any of the Bonds shall thereafter have any rights hereunder and the Borrower shall have no further obligation hereunder, saving and excepting those that shall have theretofore vested and any right of the Issuer or the Trustee to indemnification under Section 5.2, which right shall survive the payment of the Bonds and the termination of this Loan Agreement. Reference is hereby made to Section 802 of the Indenture which sets forth the conditions upon the existence or occurrence of which payment in full of the Bonds shall be deemed to have been made.

Section 5.8. Assignment, Sale or Lease of Facility. Subject to the provisions of Section 5.3 and Section 301 of the Indenture, the Borrower may assign its interest in this Loan Agreement and may sell or lease the Facility, in whole or in part, only with the prior written consent of the Issuer, which consent shall not be unreasonably withheld; provided that the Trustee shall be furnished with an opinion from Bond Counsel experienced and acceptable to the Issuer that such sale, lease, or assignment will not adversely affect the excludability from gross income for Federal income taxation purposes of interest on the Series 2015A Bonds. No assignment or lease or sale shall relieve the Borrower of primary liability for payments due hereunder and of the performance of all other obligations required hereunder.

Section 5.9. Covenants of Borrower and Issuer With Respect to Excludability from Gross Income of Interest By the Bonds From Federal Income Taxation. Consistent with the terms of the Land Use Restriction Agreement, the Series 2015A Bonds are being issued by the Issuer in compliance with the conditions necessary for the interest income on the Series 2015A Bonds to be excludable from gross income for Federal income taxation purposes pursuant to the provisions of Section 142(d) of the Code, and substantially all of the proceeds of which are to be used for the acquisition, construction, reconstruction or improvement of land or property of a character subject to the allowance for depreciation under Section 167 of the Code. It is the intention of the parties hereto that the interest on the Series 2015A Bonds be and remain excludable from gross income for Federal income taxation purposes, and, to that end, the Issuer and the Borrower do hereby covenant with each other, the Trustee and each of the holders of any Series 2015A Bonds, as follows:

(a) that the Issuer will not cause and the Borrower will not cause or permit the proceeds of the Series 2015A Bonds to be used in a manner which will cause the interest on the Series 2015A Bonds to become includable in gross income for Federal income taxation purposes conferred by Section 142(d) of the Code;

(b) that, during the term of this Loan Agreement, the Borrower will fully comply with all effective rules, rulings and regulations promulgated by the Department of the Treasury or the Internal Revenue Service, with respect to bonds issued under Section 142(d) of the Code so as to maintain the excludability of the interest payable as excludable from gross income for Federal income taxation purposes on the Series 2015A Bonds;

(c) that the Borrower will make no change in the plans and specifications for the Facility which would result in (i) the Facility not being a "project" within the meaning of the Act, (ii) less than substantially all ninety five percent (95%) of the net proceeds of the sale of the Series 2015A Bonds being used to pay the costs of land or property of a character subject to the allowance for depreciation under Section 167 of the Code, or (iii) a violation of the limitation on maturity of the Series 2015A Bonds under Section 147(b) of the Code;

(d) that at no time will:

(i) any portion of the net proceeds of the sale of the Series 2015A Bonds be used to provide any airplane, skybox or other private luxury box, any health club facility, any facility primarily used for gambling, or any store the principal business of which is the sale of alcoholic beverages for consumption off premises; or

(ii) any portion of the net proceeds of the sale of the Series 2015A Bonds be used (directly or indirectly) for the acquisition of land (or an interest therein) to be used for farming purposes, or twenty five percent (25%) or more of the net proceeds of the sale of the Series 2015A Bonds be used (directly or indirectly) for the acquisition of land other than land to be used for farming purposes; or

(iii) any portion of the net proceeds of the sale of the Series 2015A Bonds be used for the acquisition of any property the first use of which property is not pursuant to such acquisition, except with respect to any building (and the equipment therefor) if the completion expenditures with respect to such building equal or exceed fifteen percent (15%) of the portion of the cost of acquiring such building (and equipment) financed with the proceeds of the Series 2015A Bonds.

Section 5.10. Non-Arbitrage Covenant; Compliance With Special Arbitrage Rules.

(a) The Borrower hereby covenants and agrees with the Issuer and the Trustee for the benefit of the holders of any of the Series 2015A Bonds, present and future, that it will proceed with due diligence to spend the "net sale proceeds" (hereinafter defined) of the Series 2015A Bonds in connection with the acquisition, completion and equipping of the Facility and that it will not make, or permit, any use of the proceeds of the Series 2015A Bonds which will cause the Series 2015A Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code and any regulations promulgated thereunder as such regulations may apply to obligations issued as of the date of issuance and delivery of the Series 2015A Bonds. The Borrower shall deliver to the Issuer its certificate, evidencing the reasonable expectations of the Borrower, in such reasonable form as the Issuer shall specify and upon which the Issuer may rely in furnishing the certificate required by Section 206 of the Indenture.

(b) The Borrower hereby further covenants and agrees with the Issuer and the Trustee, and with the holders of any of the Series 2015A Bonds, present and future, as follows:

(1) All of the gross proceeds of the Series 2015A Bonds, other than gross proceeds held in a "bona fide debt service fund" (hereinafter defined) will be expended on

the Project within twenty-four (24) months of the date of issuance and delivery of the Series 2015A Bonds, or

(2) If any part of the gross proceeds of the Series 2015A Bonds has not been expended on the Project within twenty-four (24) months of the date of issuance and delivery of the Series 2015A Bonds, the Borrower shall invest or cause such gross proceeds to be invested in the manner described in Subparagraph (A) below and shall pay or cause to be paid to the United States the amounts described in Subparagraph (B) below in accordance with the terms and conditions set forth therein.

(A) Except during any "temporary period" (hereinafter defined), the aggregate amount of gross proceeds of the Series 2015A Bonds which are invested in "nonpurpose obligations" (hereinafter defined) having a "yield" (hereinafter defined) higher than the yield on the Series 2015A Bonds shall at no time during any "bond year" (hereinafter defined) exceed one hundred fifty percent (150%) of the "debt service" (hereinafter defined) on the Series 2015A Bonds for such bond year. In addition, the aggregate amount of gross proceeds of the Series 2015A Bonds invested hereunder in nonpurpose obligations having a yield higher than the yield on the Series 2015A Bonds shall be promptly and appropriately reduced as the amount of outstanding Series 2015A Bonds is reduced (whether by payment at maturity, mandatory sinking fund redemption, redemption prior to maturity or otherwise). The Series 2015A Borrower shall not be required to sell or dispose of nonpurpose obligations if such sale or disposition would result in the realization of a loss, for Federal income tax purposes, that exceeds the amount that would be rebated to the United States pursuant to the provisions of Subparagraph (b)(2)(B) below (but for such sale or disposition), at the time of such sale or disposition if a rebate were due at such time. The provisions of the foregoing sentence shall not apply to the extent that other nonpurpose obligations acquired with the gross proceeds of the Series 2015A Bonds may be sold or disposed of without incurring the loss described above, and in any event the provisions of the foregoing sentence shall cease to apply thirty (30) days after the last day of the first "computation period" (defined in Subparagraph (b)(2)(B) ending thereafter on which such nonpurpose obligations can be sold or disposed of without incurring the loss describe hereinabove. The provisions of this Subparagraph (A) shall not apply to gross proceeds of the Series 2015A Bonds which are:

(i) invested for the initial temporary period provided in Section 1.148-2(e)(2) of the Income Tax Regulations;

(ii) held in a bona fide debt service fund for the Series 2015A Bonds and invested for the 13-month temporary period provided in Section 1.148-2(e)(5)(ii) of the Income Tax Regulations;

(iii) invested for the temporary periods provided for a sinking fund for the Series 2015A Bonds in Section 1.148-2(e)(8) and 1.148-2e(12) of the Income Tax Regulations;

(iv) invested during the one (1) year temporary period provided for investment earnings derived from invested proceeds of the Series 2015A Bonds and from the investment of amounts held in a sinking fund for the Series 2015A Bonds under Section

1.148-2(e)(6) and 1.148-2(e)(9) of the Income Tax Regulations;

(B) At the time or times hereinafter set forth, the Borrower shall pay to the Trustee for deposit into the Arbitrage Rebate Fund an amount, hereinafter referred to as the "Rebate Amount," which is equal to the sum of:

(i) the excess of --

(a) the aggregate amount earned from the date of issuance and delivery of the Series 2015A Bonds on all nonpurpose obligations in which gross proceeds of the Series 2015A Bonds have been invested (other than nonpurpose obligations attributable to an excess described herein) over

(b) the aggregate amounts which would have been earned if the yield on such nonpurpose obligations (other than nonpurpose obligations attributable to an excess described herein) had been equal to the yield on the Series 2015A Bonds, plus

(ii) any income attributable to the excess described in clause (i) above.

The Rebate Amount payable to the United States shall be determined annually by the Borrower for each bond year during which Series 2015A Bonds remain outstanding and upon retirement of the last of the Series 2015A Bonds (each such period is hereinafter referred to as a "computation period"). The Rebate Amount determined for one bond year shall not be reduced or offset as a result of any determination of the Rebate Amount for any other bond year. The Rebate Amount shall be paid to the United States in installments, as follows:

(I) subject to clause (III) below, the first such installment shall be paid no later than thirty (30) days after the end of the fifth (5th) bond year of the Series 2015A Bonds;

(II) subject to clause (III) below, an additional installment shall be paid on or prior to the last day of each additional installment payment period during which any of the Series 2015A Bonds remain outstanding. For purposes of this clause (II), an installment payment period shall commence on the last day on which a preceding installment of the Rebate Amount was required to be paid, and shall end on the day preceding the fifth (5th) anniversary of such payment date;

(III) anything herein to the contrary notwithstanding, the last installment shall be paid no later than thirty (30) days after the last of the Series 2015A Bonds has been retired; and

(IV) each installment shall be in an amount which, when aggregated with the amount of any prior installments paid to the United States hereunder, will equal at least ninety per centum ninety percent (90%) of the total Rebate Amount payable to the United States hereunder as of the date such installment is paid; provided, however, that the last installment shall be in an amount equal to the entire remaining balance of the Rebate Amount payable to the United States hereunder.

The Borrower shall maintain or cause to be maintained records of such determinations for each computation period until six years after payment in full of the Series 2015A Bonds and shall make such records available to the Issuer, the Trustee and their representatives upon reasonable request therefor. The Issuer agrees to cooperate with the Borrower in making the determinations for each computation period required pursuant to this Subparagraph (b).

(3) For purposes of clause (a) of Subparagraph (2)(B)(i) of this Subparagraph (b), the Borrower, in determining the aggregate amounts earned on all nonpurpose obligations acquired with gross proceeds of the Series 2015A Bonds –

(A) will take into account any gain or loss incurred on the disposition of any such nonpurpose obligation, and

(B) unless the Issuer otherwise elects, will not take into account any amounts earned on nonpurpose obligations held in a bona fide debt service fund for the Series 2015A Bonds during any bond year in which the gross earnings on such fund do not exceed One Hundred Thousand Dollars (\$100,000).

(C) For purposes of construing this Section, the following definitions shall apply:

(1) “bona fide debt service fund” shall have the meaning set forth in Income Tax Regulation Section 1.148-1(a)(b)(12);

(2) “bond year” shall mean the one-year period commencing on the date of issuance and delivery of the Series 2015A Bonds and ending one year later, and each one-year period thereafter until payment in full of the Series 2015A Bonds;

(3) “debt service” shall have the meaning set forth in Code Section 148(d)(3)(D);

(4) “yield” shall have the meaning set forth in Income Tax Regulation Section 1.148-1(b).

“Gross Proceeds” means amounts which are:

(1) sale proceeds of the Series 2015A Bonds (as defined in Income Tax Regulations §1.148-1) i.e., any amounts actually or constructively received from the sale of the Series 2015A Bonds, including amounts used to pay underwriters' discount or compensation and accrued interest other than pre-issuance accrued interest;

(2) in the case of a refunding issue, transferred proceeds of the Series 2015A Bonds (as defined in Income Tax Regulations §1.148-9 (or the applicable corresponding provisions of prior law));

(3) investment proceeds of the Series 2015A Bonds (as defined in Income Tax Regulations §1.148-1), i.e., any amounts actually or constructively received from investing sale

proceeds, transferred proceeds and investment proceeds of the Series 2015A Bonds in Investment Property, such as interest or dividends, other than amounts actually or constructively received with respect to a Purpose Investment that are properly allocable to the immaterially higher yield permitted under Income Tax Regulations §1.148-2(d) or to Qualified Administrative Costs under Income Tax Regulations §1.148-5(e), and

(4) replacement proceeds of the Series 2015A Bonds (as defined in Income Tax Regulations §1.148-1), i.e., amounts (excluding sale proceeds, transferred proceeds and investment proceeds of the Series 2015A Bonds) replaced by proceeds of the Series 2015A Bonds under Section 142(a)(2) of the Code, including amounts held in a sinking fund (including a debt service fund, reserve fund, replacement fund or any similar fund, to the extent reasonably expected to be used directly or indirectly to pay debt service on the Series 2015A Bonds), a pledged fund (i.e., any amount directly or indirectly pledged to pay principal or interest on the Series 2015A Bonds that in substance provides reasonable assurance that the amount will be available to pay principal or interest on the Series 2015A Bonds if the Issuer or the Borrower encounters financial difficulties), or “other replacement proceeds” (within the meaning of Income Tax Regulations §1.148-1(c)(4)).

For purposes hereof a pledge to a guarantor of the Series 2015A Bonds is an indirect pledge to secure payment of principal and interest on the Series 2015A Bonds. In addition, an amount is treated as pledged to pay principal and interest on the Series 2015A Bonds if it is held under an agreement to maintain the amount at a particular level for the direct or indirect benefit of Bondholders or a guarantor, unless (a) the Issuer or the Borrower may grant rights in the amount which are superior to the rights of the Bondholders or the guarantor, or (b) the amount does not exceed the reasonable needs for which it is maintained, the required level is tested no more frequently than every six (6) months and the amount may be spent without any substantial restriction, other than a requirement to replenish the amount by the next testing date.

“Investment Property” shall mean any investment which is:

(1) a “security” (as defined in Section 165(g)(2)(A) or (B) of the Code, i.e., a share of stock in a corporation or a right to subscribe for or to receive a share of stock in a corporation, or

(2) an “obligation” (i.e., any evidence of indebtedness under general Federal income tax principles, including time or demand deposits,

(3) any annuity contract (as defined in Section 72 of the Code), or

(4) any investment-type property (within the meaning of Treasury Regulations Section 1.148-1), i.e., any property other than property described in clauses (1), (2) or (3) above, that is held principally as a passive vehicle for the production of income. A prepayment for property or services is investment-type property if a principal purpose for prepaying is to receive an investment return from the time the prepayment is made until the time payment otherwise would be made, provided that a prepayment is not investment-type property if (a) the prepayment is made for a substantial business purpose other than investment return and the

Issuer or Borrower has no commercial alternative to the prepayment, or (b) prepayments on substantially the same terms are made by a substantial percentage of persons who are similarly situated to the Issuer or the Borrower but who are not beneficiaries of tax-exempt financing.

The term "Investment Property" shall not include (1) any obligation issued by or on behalf of a state or local governmental unit the interest on which is excluded from gross income under Section 103 of the Code (or any obligation that when issued purported to be excluded from gross income under Section 103 of the Code) (a "tax-exempt bond"), unless (if the Series 2015A Bonds are not "specified private activity bonds") such obligation is a "specified private activity bond" (as defined in Section 57(a)(5)(C) of the Code) i.e., a tax-exempt bond the interest on which is subject to the alternative minimum tax imposed on individuals and corporations, (2) any interest in a "regulated investment company" to the extent that at least 95 percent of the income to the holder of the interest is interest that is excludable from gross income under section 103(a) of the Code, unless (if the Series 2015A Bonds are not "specified private activity bonds") such "regulated investment company" invests in tax-exempt bonds which are "specified private activity bonds" to an extent in excess of the percentage permitted by the Internal Revenue Service to enable characterization of interest in such regulated investment company as not constituting Investment Property, (3) any "exempt demand deposit" (demand deposit SLG) (within the meaning of Treasury Regulations §1.148-8(e)(4)), and (4) any qualified temporary investment (within the meaning of Internal Revenue Service Notice 87-22, 1987-10 I.R.B. (March 9, 1987) or successor Treasury regulations) applicable to the Series 2015A Bonds.

"Nonpurpose Investment" means any Investment Property which is not acquired with the Gross Proceeds of the Series 2015A Bonds to carry out the governmental purpose for which the Series 2015A Bonds are being issued (within the meaning of Treasury Regulations §1.148-1), i.e., all Investment Property acquired or otherwise allocated to Gross Proceeds of the Series 2015A Bonds other than the loan made by the Issuer to the Borrower under this Loan Agreement.

"Purpose Investment" means an investment that is acquired to carry out the governmental purpose of the Series 2015A Bonds i.e., the loan made to the Borrower under this Loan Agreement.

"Qualified Administrative Costs" with respect to a Nonpurpose Investment means such term as defined in Treasury Regulations §1.148-5(e)(2) or successor regulations applicable to the Series 2015A Bonds. Qualified Administrative Costs are reasonable, direct administrative costs, other than carrying costs, such as separately stated brokerage or selling commissions, but not legal and accounting fees, record keeping, custody, and similar costs. General overhead costs and similar indirect costs of the Issuer or the Borrower such as employee salaries and office expenses and costs associated with computing the Rebate Amount under Section 148(f) of the Code are not Qualified Administrative Costs. In general administrative costs are not reasonable unless they are comparable to administrative costs that would be charged for the same investment or a reasonably comparable investment if acquired with a source of funds other than gross proceeds of tax-exempt bonds.

Qualified Administrative Costs include all reasonable administrative costs, without

regard to the limitation on indirect costs described above if incurred by (1) a “publicly offered regulated investment company” (as defined in section 67(c)(2)(B) of the Code) and (2) a commingled fund in which the Issuer and the Borrower and any related parties do not own more than 10 percent of the beneficial interest in the fund. In the case of a guaranteed investment contract, a broker’s commission paid on behalf of either the Issuer, the Borrower or the provider is not a Qualified Administrative Cost to the extent that the commission exceeds 0.05 percent of the amount reasonable expected to be invested per year.

Section 5.11. Notification of Act of Bankruptcy. The Borrower agrees to notify the Trustee and the Issuer as soon as possible of the occurrence of an Act of Bankruptcy or any event which, with the lapse of time, would constitute an Act of Bankruptcy. The Borrower further agrees to notify the Trustee within ninety-five (95) days following final payment of the Bonds, whether by redemption or otherwise, of the occurrence or non-occurrence of an Act of Bankruptcy during the period commencing ninety (90) days prior to such final payment and ending on the ninety-third (93rd) day following such final payment.

Section 5.12. Insurance. For the term of this Loan Agreement, the Borrower shall maintain insurance of such type and in amounts as is customarily carried and against such risks as are customarily insured against by businesses of like size and character in the State of Georgia, including but not limited to the following:

(a) insurance upon the repair or replacement basis in an amount of not less than one hundred percent (100%) of the then (at the time such insurance is obtained by Borrower) actual cost of replacement (excluding costs of replacing excavations and foundations but without deduction for depreciation) of the Facility against loss or damage by fire, lighting, windstorm, hail, explosion, riot, riot attending a strike, civil commotion, aircraft, vehicles, and smoke and such other risks as are not or hereafter included in the uniform standard extended coverage endorsement in common use for similar structures (including vandalism and malicious mischief);

(b) business interruption insurance (also referred to as “use and occupancy insurance” or “rental income insurance”) in an amount not less than the principal and interest payments required for the next succeeding twelve (12) months, covering loss of revenues and other income by the Borrower by reason of total or partial suspension of, or interruption in the operation of the Facility cause by damage or destruction of the Facility;

(c) boiler explosion insurance or steam boilers, if any, pressure vessels, and pressure piping in an amount no less than one hundred percent (100%) of the actual cost of repair or replacement of the Facility (with deductible provisions not to exceed \$1,000 in any one occurrence) provided, that such insurance need not be taken out until steam boilers, pressure vessels, or pressure piping have been installed in the Facility;

(d) comprehensive general liability insurance providing insurance (with deductible provisions not exceeding \$5,000) to the extent of not less than \$500,000 per occurrence against liability for personal and bodily injury including death resulting therefrom, \$100,000 per occurrence for damage to property, including loss of use thereof, occurring on or in

any way related to the Facility or any part thereof, with excess liability or "umbrella" insurance for claims under such coverage in the aggregate of not less than \$2,000,000;

(e) worker's compensation coverage as required by the laws of the State of Georgia; and

(f) insurance under the Federal Flood Insurance Program will be maintained at all times within the minimum requirements and amounts required for federally financed or assisted loans under the Flood Disaster Protection Act of 1973, as amended, if the Facility is eligible under such program.

Proceeds of insurance required by (a), (c), and (f) in excess of \$25,000 will be paid to the Trustee and deposited into the Special Fund and disbursed by it in accordance with instructions from the Borrower for the restoration of the Facility except as otherwise provided in Section 7.1(a) hereof. All policies of insurance shall list Issuer and Trustee as additional insureds and provide for payment to the Issuer, the Borrower, and the Trustee as their respective interests may appear, and the policies required by (a), (c) and (f) shall name the Trustee as mortgagee. A copy of all policies of insurance shall be delivered to Issuer and Trustee along with receipts evidencing payment of the same.

At least thirty (30) days prior to the expiration date of each policy maintained pursuant to this Paragraph 5.12, a renewal or replacement thereof satisfactory to Issuer and Trustee shall be delivered to Issuer and Trustee. Borrower shall deliver to Issuer and Trustee receipts evidencing the payment for all such insurance policies and renewals or replacements. The delivery of any insurance policies hereunder shall constitute an assignment of all unearned premiums as further security hereunder. In the event of the foreclosure or any other transfer of title to the Facility, it is understood by Borrower that all right, title and interest of Issuer in and to all insurance policies then in force shall pass to the purchaser or Trustee.

The Trustee shall have no duty to review the insurance required by this Section 5.12 (or the certificates thereof) or to inquire as to the compliance thereof with this Section 5.12.

Section 5.13. Condemnation of the Facility. Unless the Borrower elects to exercise any option it may have to prepay the Bonds, and if prior to full payment of the Bonds, or provision for payment thereof having been made, title to or temporary use of the Facility is taken in any condemnation proceeding, the proceeds of any condemnation award will be paid to the Trustee and applied, subject to Section 1.04 of the Security Deed and as directed by the Borrower, to (a) the restoration of the Facility, (b) the acquisition of a suitable replacement which must be approved by the Issuer, or (c) redemption of all or a portion of the Bonds. In the event of a conflict between the provisions of this Section and Section 1.04 of the Security Deed, the provisions of Section 1.04 of the Security Deed shall control. If less than all of the Bonds are redeemed, the Borrower must furnish a certificate of an independent consulting architect (who must be approved in writing by the Issuer) that the property taken was not essential to the Borrower's use and occupancy of the Facility or that the Facility has been restored to a condition substantially equivalent to its condition prior to such taking or that a suitable replacement has been found. Any condemnation award remaining after the costs of such restoration or replacement will be paid into the Bond Fund and used to redeem the Bonds. Any condemnation

awards paid to the Borrower for damage to or taking of its own property not subject to the lien of the Indenture shall be retained by the Borrower.

If title to or the temporary use of a "substantial portion of the Facility" is taken in any condemnation proceeding, defined as such taking which results, in the opinion of an independent consulting architect, in the Borrower being thereby prevented from carrying on its normal operations for a period of three consecutive months, the Borrower will have the option to prepay the Bonds by paying to the Trustee an amount equal to one hundred percent (100%) of the principal amount of the Bonds, plus accrued interest to the prepayment date.

Section 5.14. Financial Covenants by Borrower.

(a) Debt Service Coverage Ratio. The Borrower agrees to maintain, as calculated at the end of each Fiscal Year, a Debt Service Coverage Ratio on the Bonds (a) for the Fiscal Year ending December 31, 2016, not less than 1.10 (b) for the Fiscal Year ending December 31, 2017, not less than 1.15 to 1; (c) for the Fiscal Year ending December 31, 2018, not less than 1.20 to 1; and (d) for the Fiscal Year ending December 31, 2019, not less than 1.25 to 1. As used herein, (1) "Debt Service Coverage Ratio on the Bonds" means the ratio of Funds Available for Debt Service to annual debt service requirements on the Bonds (after payment of subordinated fees) for the Fiscal Year for which such calculation is being made; and (2) "Funds Available for Debt Service" means in any period the Pledged Revenues for such period, minus the Borrower's operating expenses (as set forth in the Operating Budget required by Section 5.4 of the Loan Agreement), plus, to the extent included in such operating expenses, depreciation and amortization, interest on long-term indebtedness (including the Series 2015 Bonds), amortization of discount and financial expenses incurred in connection with the issuance of long-term indebtedness, and other non-cash expense deducted in accordance with generally accepted accounting principals consistently applied.

If such Debt Service Coverage Ratio shall fall below the above-required level, the Trustee shall appoint a Management Consultant within sixty (60) days following the end of such Fiscal Year to evaluate the management of the Facility and to make recommendations with regard to increasing such ratio to at least the level required, or if in the opinion of the Management Consultant the attainment of such level is impracticable, to the highest practicable level. So long as the Borrower shall retain a Management Consultant, shall comply to the extent practicable with the recommendations thereof, and shall maintain, at all times, a Debt Service Coverage Ratio of at least 1.00 (the "Minimum Coverage Ratio"), this requirement shall be deemed to have been complied with even if such ratio, as calculated at the end of any subsequent Fiscal Year, is below the required level.

(b) Days' Cash on Hand. The Borrower agrees to have fifteen (15) Days' Cash on Hand, as of the end of each fiscal quarter, beginning with such quarter ending December 31, 2015, and thereafter. If Days' Cash on Hand, as calculated at the end of any two consecutive fiscal quarters, shall be less than the required level, the Borrower agrees to retain a Management Consultant, within sixty (60) days following the end of the second of such fiscal quarters, to evaluate the management of the Facility and to make recommendations with regard to increasing Days' Cash on Hand for subsequent fiscal quarters of the Borrower to at least the level required

or, if in the opinion of the Management Consultant the attainment of such level is impracticable, to the highest practicable level. So long as the Borrower shall retain a Management Consultant and shall have, for each fiscal quarter, not less than seventy percent (70%) of the Days' Cash on Hand otherwise required by this paragraph, the requirements of this paragraph shall be deemed to have been satisfied.

(c) Trade Payables. The Borrower agrees that, for each fiscal quarter, as calculated at the end of each such fiscal quarter, no more than ten percent (10%) of its Trade Payables will be in excess of ninety (90) days. If more than ten percent (10%) of the Borrower's trade payables are in excess of ninety (90) days for any two consecutive fiscal quarters, the Borrower will retain a Management Consultant, within sixty (60) days following the end of the second of such fiscal quarters, to evaluate the management of the Facility and to make recommendations with respect to the management of the Borrower's trade payables. So long as the Borrower shall retain a Management Consultant and, for each fiscal quarter, no more than twenty percent (20%) of its trade payables shall be in excess of ninety (90) days, the provisions of this paragraph shall be deemed to have been satisfied.

Section 5.15. Inspections. The Borrower covenants that it shall permit the Issuer, Trustee, Underwriter, or any Bondholder holding, or group of Bondholders holding in the aggregate, twenty-five percent (25%) or more in principal amount of all outstanding Bonds, or any authorized representative of the foregoing, to examine, visit, and inspect, at any reasonable time, upon reasonable notice to the Management Company and Borrower, the Facility and their respective accounts, books and records, including their receipts, disbursements, contracts, investments and any other matters relating thereto and to their financial standing, and to supply such reports and information as the Issuer and the Trustee (provided the Trustee shall have no duty so to inspect) shall reasonably request.

Section 5.16. No Liability of Issuer. Anything herein to the contrary notwithstanding, nothing contained in this Loan Agreement or in any other document that is a part of this transaction, including, but not limited to, the Bond Resolution of the Issuer, the Security Deed, and/or the Indenture, shall, in any manner whatsoever be deemed to constitute a debt or a general obligation, or a pledge of the faith and credit of the Issuer, the State of Georgia, the City, the County or any political subdivision thereof, and does not directly or indirectly or contingently, obligate the Issuer, the State, the City or any political subdivision thereof to levy or to pledge any form of taxation whatever for the payment of the principal indebtedness, redemption premium (if any), interest, or any other indebtedness, costs, or expense.

Section 5.17. Recordation of Security Deed and Financing Statements. The Borrower agrees that it will cause the Security Deed, all Financing Statements (other than continuation statements), to be recorded and filed in such manner and in such a place as may be required by law in order fully to protect and preserve the priority of the interests of the holders of the Bonds in the Project conveyed thereunder to and the rights, privileges and options of the Trustee.

ARTICLE VI.
EVENTS OF DEFAULT AND REMEDIES

Section 6.1. Events of Default Defined. The following shall be “events of default” hereunder and the term “Event of Default” shall mean, whenever it is used herein, any one or more of the following events:

(a) failure by the Borrower to make any payment required to be made under Section 4.2(a) within five (5) Business days of when the same becomes due and payable;

(b) failure by the Borrower to observe and/or perform any agreement hereunder or under the Land Use Restriction Agreement or on its part to be observed and/or performed, other than as referred to in subsection (a) or (b) of this Section, for a period of thirty (30) days after written notice, specifying such failure and requesting that it be remedied, given to the Borrower by the Issuer or the Trustee; provided, however, in the case of any such default which can be cured with due diligence but not within such thirty-day (30) period, the Borrower's failure to proceed promptly to cure such default and thereafter prosecute the curing of such default with due diligence.

(c) any representation by or on behalf of the Borrower contained in this Loan Agreement or the Land Use Restriction Agreement, or in any instrument furnished in compliance with or in reference to this Loan Agreement or the Indenture proves false or misleading in any material respect as of the date of the making or furnishing thereof;

(d) the occurrence of an Act of Bankruptcy, dissolution, liquidation, insolvency proceeding, or reorganization; and

(e) an “Event of Default” occurs and is continuing under the Indenture.

Section 6.2. Remedies. Whenever an Event of Default shall have happened and be continuing, the Trustee, as the assignee and pledgee of the Issuer under the Indenture, may take any one or more of the following remedial steps:

(a) If the Trustee has accelerated payment of the Bonds under the Indenture, the Trustee shall declare all payments required to be made under Section 4.2(a) to be immediately due and payable, whereupon the same shall become immediately due and payable; provided, however, that upon the occurrence of an Event of Default described in Subsections 6.1(a) or (b), all payments required to be made under Section 4.2(a) shall become immediately due and payable without any further act or action on the part of any person. If all payments required to be made under Section 4.2(a) are accelerated, the amount then due and payable by the Borrower as accelerated payments shall be the sum of (i) the aggregate principal amount of the outstanding Bonds, (ii) all interest on the Bonds then due and to become due to maturity whether by acceleration or otherwise, and (iii) all other amounts due and payable to the Bondholders and/or to the Trustee with respect to the payment of the Bonds including reasonable Counsel fees.

(b) The Trustee may take whatever action at law or in equity may appear necessary or desirable to collect any sums then due and thereafter to become due hereunder or to enforce performance and the observance of any agreement of the Borrower hereunder.

Any amounts collected pursuant to action taken under this Section shall be paid into the appropriate account in the Bond Fund and applied in accordance with the provisions of the Indenture and after payment in full of the Bonds and the payment of any costs occasioned by an Event of Default hereunder, any excess moneys in the Bond Fund shall be returned to the Borrower.

Section 6.3. No Remedy Exclusive. No remedy herein conferred upon or reserved to the Trustee is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to every other remedy hereunder or now or hereafter existing at law, in equity or by statute. No delay or omission to exercise any right or power accruing upon the occurrence of any Event of Default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient. The Trustee and the holders of the Bonds, subject to the provisions of the Indenture, shall be entitled to the benefit of all agreements herein contained.

Section 6.4. Agreement to Pay Counsel Fees and Expenses. If there should occur a default or an Event of Default hereunder and the Trustee and/or Issuer should employ Counsel or incur other expenses for the collection of sums due hereunder or the enforcement of performance or observance of any agreement on the part of the Borrower herein contained, the Borrower agrees that it will, on demand therefor, pay to the Trustee and Issuer the reasonable fees of such Counsel actually incurred and such other reasonable expenses so incurred by the Trustee and Issuer.

If the Borrower should fail to make any payments required in this Section, such item shall continue as an obligation of the Borrower until the same shall have been paid in full, and the Borrower agrees to pay the same with interest thereon from the date such payment was due at the rate per annum borne by the Bonds until paid in full.

The provisions of this Section shall survive the termination of this Loan Agreement.

Section 6.5. Waiver of Events of Default and Rescission of Acceleration. If, in compliance with the requirements of Section 906 of the Indenture, the Trustee shall waive any Event of Default as therein defined and its consequences or rescind any declaration of acceleration of payments of the principal of and interest on the Bonds, such waiver shall also waive any Event of Default hereunder and its consequences and such rescission of a declaration of acceleration of the principal of and interest on the Bonds shall also rescind any declaration of any acceleration of all payments required to be made under Section 4.2. In case of any such waiver or rescission, or in case any proceeding taken by the Trustee on account of any such Event of Default shall have been discontinued or abandoned or determined adversely, then and in every such case the Issuer, the Borrower, the Trustee, and the holders of the Bonds shall be restored to their former positions and rights hereunder, but no such waiver or rescission shall

extend to any subsequent or other Event of Default or impair any right consequent thereon.

ARTICLE VII.
PREPAYMENT UNDER LOAN AGREEMENT

Section 7.1. Option to Prepay Installment Amounts Under Loan Agreement in Whole in Certain Events. The Borrower shall have, and is hereby granted, the option to prepay at par in whole the installment amounts required to be made under Section 4.2(a) and to cancel or terminate this Loan Agreement if any of the following shall have occurred:

(a) the Facility shall have been damaged or destroyed to such an extent that, in the judgment of the Borrower, (i) it cannot be reasonably restored within a period of three (3) consecutive months to the condition thereof immediately preceding such damage or destruction, (ii) the Borrower is thereby prevented from carrying on its normal operations at the Facility for a period of three (3) consecutive months, or (iii) to the extent that the cost of restoration thereof would exceed the net proceeds of insurance required to be carried thereto pursuant to Section 5.12 hereof.

(b) title in and to, or the temporary use of, all or substantially all of the Facility shall have been taken under the exercise of the power of eminent domain by any governmental authority, or person acting under governmental authority (including such a taking as, in the judgment of the Borrower, results in the Borrower being prevented thereby from carrying on its normal operations at the Facility for a period of three (3) consecutive months).

(c) as a result of any changes in the Constitution of the State of Georgia or the Constitution of the United States of America or of legislative or administrative action (whether state or federal), or by final decree, judgment, or order of any court or administrative body (whether state or federal) entered after the contest thereof by the Borrower in good faith, the Loan Agreement shall become void or unenforceable or impossible of performance.

(d) legal curtailment of the Borrower's use and occupancy of all or substantially all of the Facility for any reason other than that set forth in Subsection (b), which curtailment shall, in the judgment of the Borrower, prevent the Borrower from carrying on its normal operations at the Facility for a period of three (3) consecutive months.

(e) this Loan Agreement is terminated prior to its expiration for any reason other than the occurrence of an Event of Default.

(f) the Borrower shall exercise its option to prepay pursuant to Section 305 of the Indenture.

To exercise such option, the Borrower (i) shall, within ninety (90) days following the event giving rise to the Borrower's desire to exercise such option, deliver to the Issuer and the Trustee a certificate, executed by an officer of the Borrower, stating (A) the event giving rise to the exercise of such option, (B) that the Borrower has directed the Trustee to redeem all of the Bonds in accordance with the provisions of the Indenture, (C) that the Borrower has

discontinued, or at the earliest practicable date will discontinue, its operation of the Facility, and (D) the date upon which such prepayment is to be made, which date shall not be less than forty-five (45) days nor more than ninety (90) days from the date such notice is mailed; and (ii) shall make arrangements satisfactory to the Trustee for the giving of the required notice of redemption price which shall be paid to the Trustee by the Borrower upon its exercise of the option granted in this Section shall be the sum of the following:

(1) an amount of money which, when added to the amount then on deposit in the Bond Fund, will be sufficient to pay and redeem all of the then outstanding Bonds on the earliest applicable redemption date including, without limitation, principal plus accrued interest thereon to said redemption date, plus

(2) an amount of money equal to the Trustee's and paying agents' fees and expenses under the Indenture accrued and to accrue until such final payment and redemption of the Bonds.

Section 7.2. Payment of Taxable Rate Upon a Determination of Taxability. If there occurs a Determination of Taxability, the Borrower shall be obligated to pay interest on the Bonds at the Taxable Rate from, after, and/or retroactive to the effective date of said Determination of Taxability.

The Borrower shall give prompt written notice to the Issuer and the Trustee of (i) the filing by the Borrower of any Supplemental Statement which shows that a Determination of Taxability has occurred, and (ii) its receipt of any oral or written advice from the Internal Revenue Service that a Determination of Taxability has occurred.

Promptly upon learning of an occurrence described in (a) or (b) of the definition of "Determination of Taxability" in Section 1.1, the Trustee shall cause notice thereof to be given to the Bondholders in the same manner as is provided in the Indenture for notices of redemption. In such notice to Bondholders, the Trustee upon written request of the Issuer may make provisions for obtaining advice from Bondholders, in such form as shall be deemed appropriate, respecting relevant assessments made on such Bondholders by the Internal Revenue Service, so as to be able, if appropriate, to verify the existence, present or future, of a Determination of Taxability.

Section 7.3. Damage and Destruction Pursuant to Section 7.1 hereof, unless the Borrower elects to exercise any option it may have to prepay amounts payable under this Loan Agreement, and if prior to full payment of the amounts payable under this Loan Agreement, or unless provision for payment thereof has been made, the Facility is damaged or destroyed by fire or other casualty, all Net Proceeds, if in excess of \$5,000, will be paid to and held by the Trustee, whereupon (i) the Borrower will proceed promptly to repair, rebuild, or restore the property damaged or destroyed to substantially the same condition as existed prior to the event causing such damage or destruction and (ii) the Trustee will apply so much as may be necessary of the Net Proceeds to the cost of repair, rebuilding and restoration. If Net Proceeds are not sufficient to pay for such repair, rebuilding, or restoration, the Borrower will nonetheless complete same at Borrower's sole cost and expense. Any Net Proceeds remaining after

payment of all the costs of such repair, rebuilding or restoration will be paid into the Bond Fund and used to redeem the Series 2015A and 2015B Bonds.

If substantially all of the Facility is damaged or destroyed, the Borrower will have the option to prepay the Series 2015A and 2015B Bonds by paying to the Trustee an amount equal to one hundred percent (100%) of the principal amount of the Series 2015A and 2015B Bonds outstanding plus accrued interest to the redemption date, but with no premium. If the Borrower exercises its option to prepay the Series 2015A and 2015B Bonds, "damage or destruction of substantially all of the Facility" is defined as such damage or destruction which prevents the Borrower from carrying on its normal operations in the Facility for more than three consecutive months, or if the Facility cannot be repaired, rebuilt or restored within three consecutive months or if the cost of repair, rebuilding or restoration exceeds the Net Proceeds.

**ARTICLE 3
SPECIAL COVENANTS OF BORROWER**

Section 3.1. Residential Rental Property. The Borrower hereby acknowledges and agrees that the Facility is to be owned, managed and operated as a project for "residential rental property" as such term is referred to in Section 142(d) of the Code. To that end, the Borrower hereby makes the following representations and warranties and, until the expiration of the Qualified Project Period or until the Bonds are no longer outstanding, whichever occurs later, the following covenants:

(a) The Facility will be acquired, constructed and equipped for the purpose of providing multifamily residential rental property. The entire Facility shall be owned by the Issuer and leased to the Borrower for federal income tax purposes. The Facility shall be owned, managed and operated as a multifamily residential rental property comprised of a building or structure or several buildings or structures, together with any functionally related and subordinate facilities and no other facilities, in accordance with Section 142(d) of the Code and Sections 1.103-8(b) and 1.103-8(a)(4) of the Regulations, and in accordance with such requirements as may be imposed thereby on the Facility from time to time.

(b) Once available for occupancy, each unit in the Facility has been and will be held available for rental on a continuous basis at all times during the longer of the Qualified Project Period or until the Bonds are no longer outstanding.

(c) The Facility is and will be comprised of similarly constructed dwelling units, each of which contains and shall contain separate and complete facilities for living, sleeping, eating, cooking and sanitation for a single person or a family, including a living area, a sleeping area, bathing and sanitation facilities and cooking facilities equipped with a cooking range, refrigerator and sink, but may be served by centrally located equipment such as heating and air conditioning.

(d) Neither the Facility nor any of the residential units in the Facility will at any time be used on a transient basis, and no portion of the Facility has been or shall be used as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, hospital, nursing home, sanitarium, rest home or trailer park or court. Prior to commencing occupancy in any unit in the Facility each tenant shall execute a written lease which shall be for a term of at least six (6) months.

(e) Subject, in all events, to the occupancy requirements of Section hereof, all of the units will be rented or available for rent on a continuous basis to members of the general public, and the Borrower will not give preference to any particular class or group in renting

the dwelling units in the Facility, except to the extent necessary to ensure the Low or Moderate Income Tenants will have equal access to and enjoyment of all common facilities of the Facility; provided, however, that an insubstantial number of dwelling units in the Facility may be occupied by maintenance, security or managerial employees of the Borrower or its property manager, which employees are reasonably necessary for operation of the Facility. The Facility is and shall be located entirely within the territorial boundaries of Muscogee County, Georgia. Any functionally related and subordinate facilities (e.g., parking areas, swimming pool, tennis courts, etc.) which are included as part of the Facility will be made available to all tenants on an equal basis. Fees will only be charged with respect to the use thereof if the charging of fees is customary for the use of such facilities at similar residential rental properties in the surrounding area. In any event, any fees charged will not be discriminatory or exclusionary as to the Low or Moderate Income Tenants.

(f) The Facility is and shall be located on a single tract of land or on two (2) or more contiguous tracts of land, and all of the buildings, structures and facilities which are part of the Facility do and shall comprise a single geographically and functionally integrated project for residential rental property, as evidenced by the ownership, management, accounting and operation of the Facility. The Facility does and shall consist of one or more discrete edifices or other man-made construction, each consisting of an independent foundation, outer walls and roof, all of which are and will be owned by the same person for federal tax purposes, located on a common tract of land or two (2) or more tracts of land which are contiguous except for being separated by a road, street, stream or other similar property, and financed by the Loan or otherwise pursuant to a common plan of financing, and which will consist entirely of:

(i) Units which are similar in quality and type of construction and amenities;
and

(ii) Facilities functionally related and subordinate in purpose and size to property described in (i) above, e.g., parking areas, laundries, swimming pools, tennis courts and other recreational facilities (none of which may be unavailable to any person because such person is a Low or Moderate Income Tenant) and other facilities which are reasonably required for the Facility, e.g., heating and cooling equipment, trash disposal equipment or units for residential managers or maintenance personnel.

(g) The Borrower has no present plan, nor does there exist any contractual arrangement, formal or informal, to convert the Facility to any use other than use as residential rental property.

(h) No part of the Facility has been or will at any time be owned or used by a cooperative housing corporation.

(i) The Facility does not and will not include a unit in a building where all units in such building are not also included in the Facility.

Section 3.2. Low or Moderate Income Tenants. To the end of satisfying the requirements of Section 142(d) of the Code, the Borrower hereby represents and warrants as follows, and agrees and covenants as follows for the period specified in paragraph hereof:

(a) At all times during the Qualified Project Period, at least twenty percent (20%) of the completed dwelling units in the Facility will be occupied or made available for occupancy by Low or Moderate Income Tenants, provided however, that during the initial rent-up period (i.e, the period commencing with the date on which at least ten percent (10%) of the dwelling units are first occupied until the time each of the dwelling units has been occupied at some time) at least twenty percent (20%) of the occupied dwelling units must be occupied by Low or Moderate Income Tenants. For purposes of complying with these requirements, any dwelling unit occupied by an individual or family who is a Low or Moderate Income Tenant at the commencement of occupancy shall continue to be treated as if occupied by a Low or Moderate Income Tenant even though such individual or family subsequently ceases to be a Low or Moderate Income Tenant. Moreover, if a unit is vacated by an individual or family who qualified as a Low or Moderate Income Tenant, such dwelling unit shall be treated as occupied by a Low or Moderate Income Tenant until reoccupied (other than for a temporary period of not more than thirty one (31) days) at which time the character of the unit shall be redetermined. The Borrower will advise the Trustee in writing of the leasing of units to Low or Moderate Income Tenants and any revision thereof. The units so leased shall have substantially the same equipment and amenities as the other units in the Facility. All dwelling units will be occupied by or held available for rental only to members of the general public, without regard to race, creed, religion, national origin or sex.

(b) The Borrower shall obtain from each Low or Moderate Income Tenant, at the time of such tenant's initial occupancy in the Facility and the Borrower shall annually request that each Low and Moderate Income Tenant deliver to it within sixty (60) days of the end of the calendar year, and maintain on file executed original sworn and notarized Income Certifications from each Low or Moderate Income Tenant dated immediately prior to the initial occupancy of such tenant in the Facility (or if obtained dated the end of such calendar year, as the case may be), in the form and containing such information as may be required by Section 142(d) of the Code (initially in the form attached as Exhibit B hereto, as the same may be from time to time amended on the advice of Qualified Bond Counsel), or in such other form and manner as may be required by the Code and the Regulations.

(c) The Borrower shall maintain materially complete and accurate records pertaining to the dwelling units occupied or to be occupied by Low or Moderate Income Tenants, and the incomes of (to the extent obtained pursuant to Section and rentals charged to Low or Moderate Income Tenants residing in the Facility, and permit any duly authorized representative of the Trustee, the Issuer, the Department of the Treasury or the Internal Revenue Service to inspect the books and records of the Borrower pertaining to the incomes and the Income Certifications of Low or Moderate Income Tenants residing in the Facility upon reasonable notice and at reasonable times.

(d) Within ten (10) days after the end of each calendar month (but as to items and below, such report shall only be required quarterly), the Borrower shall render to the Trustee a compliance certificate executed by the Borrower in the form attached as Exhibit A hereto, stating, among other matters, the dwelling units of the Facility which were occupied by Low or Moderate Income Tenants during such period, together with photocopies of all Income Certifications of Low or Moderate Income Tenants of the Facility not previously furnished to the Trustee, that it has no knowledge that any material default has occurred in the observance of its covenants contained in this Restriction Agreement, and that no event has occurred in connection with the operation of the Facility which has caused or will cause the Facility to cease to materially meet the requirements of this Restriction Agreement. In the event the Borrower is unable to deliver such compliance certificate, the Borrower shall furnish to the Trustee in writing a detailed explanation of the reasons for such non-compliance.

(e) The provisions of this Section relating to Low or Moderate Income Tenants shall terminate upon the expiration of the Qualified Project Period, and the other provisions of this Section shall terminate upon the last to occur of the expiration of the Qualified Project Period or on the first day when no Bonds remain Outstanding under the Indenture.

(f) Monthly rental charges for units occupied or set aside for occupancy by Low or Moderate Income Tenants shall not exceed one twelfth (1/12) of thirty percent (30%) of the income limit applicable to Low or Moderate Income Tenants or such other amount as allowed or required by law.

(g) The distribution of units occupied or set aside for occupancy by Low or Moderate Income Tenants among different-sized units in the Facility shall reflect the same percentage distribution as the number of different sized units bears to the total number of units, provided that greater percentage of the Low or Moderate Income Tenant units than would otherwise be required may be allocated to larger units.

(h) The Borrower shall file with the Trustee and the Issuer, on the first day of each month, copies of the Income Certifications specified in Section hereof obtained by the Borrower during the previous month and annually within thirty (30) days of the end of each calendar year, a certificate, to the knowledge of the Borrower, representing that the provisions contained in Section hereof have been satisfied for the preceding calendar year.

(i) The Borrower shall prepare and submit to the Trustee and the Issuer, on the first day of each quarter, the monthly rent rolls for the Facility during the previous quarter.

(j) The Borrower agrees that it shall include as a tenant covenant within each Low or Moderate Income Tenant's lease an obligation on the part of the tenant to furnish Income Certifications in compliance with subsection hereof.

(k) The Borrower agrees that all tenant lists, applications, and waiting lists relating to the Facility shall at all times be kept separate and identifiable from any other business of the

Borrower which is unrelated to the Facility and shall be maintained in a reasonable condition for proper audit and subject to examination during business hours upon reasonable notice by representatives of the Issuer and the Trustee. Failure to keep such lists and applications or to make them available to the Issuer or the Trustee will be a default hereunder.

(l) All dwelling units have been and shall be occupied by or held available for rental only to members of the general public, without regard to race, creed, religion, national origin or sex.

Section 3.3. Covenant of Borrower Regarding Tax-Exempt Status of the Bonds. The Borrower hereby represents, warrants, covenants and agrees as follows:

(a) The Borrower will comply with the provisions of the Code applicable to the Bonds applicable to it and will not take any action or fail to take any action which would cause the interest on the Bonds to lose the exclusion from gross income under Section 103(a) of the Code.

(b) Upon the request of the Issuer or the Trustee, the Borrower will take such action or actions as may be reasonably necessary in a Qualified Bond Counsel's Opinion, to comply fully with all provisions of the Act which relate, and all rules, rulings, policies, procedures, Regulations or other official statements promulgated, proposed or made by the Department of the Treasury under the Code which relate, to maintenance of the exclusion from gross income of interest on the Bonds.

(c) The Borrower hereby covenants to include (by incorporation by reference or verbatim) the requirements and restrictions contained in this Restriction Agreement in any deed and other documents transferring any interest in the Facility to another to the end that such transferee has notice of, and is bound by such restrictions to the extent and for the period required thereby and to obtain the agreement from any transferee to so abide.

Section 3.4. Covenant of Trustee Regarding Tax-Exempt Status of the Bonds. The Trustee hereby covenants as follows:

(a) The Trustee shall not knowingly fail to comply with the provisions of the Code applicable to the Bonds and will not knowingly take any action or knowingly fail to take any action which would cause the interest on the Bonds to lose the exclusion from gross income under Section 103(a) of the Code.

Section 3.5. Borrower To Maintain Its Existence. The Borrower agrees to maintain its existence as a limited liability company duly organized under the laws of the State of Georgia and qualified to transact business under the laws of the State.

Section 3.6. Borrower to Remain Qualified in State and Appoint Agent. If required by laws of the State, the Borrower will remain duly qualified to transact business in

the State and will maintain an agent in the State on whom service of process may be made in connection with any actions against the Borrower.

Section 3.7. Covenants To Run With the Land. The covenants, reservations and restrictions set forth herein shall be deemed covenants running with the Land and, except as provided in Section 5.9 hereof, shall pass to and be binding upon the Borrower, its heirs, assigns and successors in title to the Land or the Facility; provided, however, that upon the termination of this Restriction Agreement in accordance with the terms hereof said covenants, reservations and restrictions shall expire. Except as provided in Section hereof, each and every contract, deed or other instrument hereafter executed covering or conveying the Land or the Facility or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instrument. If a portion or portions of the Facility are conveyed, all of such covenants, reservations and restrictions shall run to each portion of the Facility.

ARTICLE 4 EVENTS OF DEFAULT AND REMEDIES

Section 4.1. Events of Default. The occurrence of any one or more of the following events shall constitute an Event of Default under this Restriction Agreement:

(a) If notice is given to the Borrower by the Trustee or the Issuer that the Borrower has failed to comply with or to perform any of the covenants, conditions or provisions of this Restriction Agreement which apply to the Borrower, and, in any such case, the passage of thirty (30) days from the date of such notice during which time the Borrower shall be entitled to cure any such failure to comply (or such longer period of time if permitted under the Agreement or the Mortgage thereafter grants its permission for such longer period in writing so long as the Borrower commences cure within such thirty (30) day period and after commencement thereof diligently continues such cure to completion). Notwithstanding the foregoing, in the case of a failure to comply with the requirements of Sections 3.1, 3.2 or 3.3 hereof, such breach shall not constitute an Event of Default if within thirty (30) days after the date of such notice the Trustee receives an opinion of Qualified Bond Counsel stating that such failure or Event of Default does not produce a material risk that interest on the Bonds will become includable in the gross income for federal income tax purposes of the recipient thereof (except respecting Bonds owned by a "substantial user" of the Facility or a "related person"), or such failure or Event of Default can be remedied with the effect of permitting the interest on the Bonds to continue to be excludable from gross income for purposes of federal income taxation and such failure or Event of Default is so remedied within the period of time determined by Qualified Bond Counsel to be necessary to permit interest on the Bonds to continue to be excludable from gross income for purposes of federal income taxation (except respecting Bonds owned by a "substantial user" of the Facility or a "related person," and such failure or Event of Default does not cause a violation of the Act, the Indenture or the Resolution by the Trustee.

Section 4.2. Remedies for Failure to Perform.

(a) Upon the occurrence of an Event of Default specified in Section above, the Trustee may exercise one or more of the following remedies subject in all respects to the provisions relating thereto in the Indenture:

(i) through its duly authorized agents, have access to and inspect, examine and make copies of, the books, records and accounts of the Borrower;

(ii) upon any required court approval, assume possession and management of the Facility;

(iv) take whatever action at law or in equity may appear necessary or desirable to enforce observance or performance of any covenant, condition or agreement of the Borrower under this Restriction Agreement and to collect the amounts then due and thereafter to become due consistent with the obligations of the Borrower under this Restriction Agreement; or

(v) exercise any remedy available to the Trustee or the Issuer hereunder.

(b) Upon the receipt of notice of noncompliance pursuant to Section hereof, the Trustee may but need not take one or more of the following actions as it so reasonably determines to be necessary or appropriate to protect the interests of the Bondholders hereunder:

(i) notify the Borrower that with the passage of time the noncompliance may result in an Event of Default; and

(ii) direct the Borrower to take such steps as necessary to correct the noncompliance in a timely fashion.

Section 4.3. Discontinuance of Proceedings. In case any proceeding taken by the Issuer or the Trustee on account of any failure to perform under this Restriction Agreement shall have been discontinued or determined adversely to the Issuer or the Trustee, then and in every case the Issuer, the Trustee and the Borrower shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies and powers of the Issuer and the Trustee shall continue as though no such proceeding had been taken, except with respect to any final and binding determination rendered in such proceeding.

Section 4.4. Remedies Cumulative. No remedy conferred upon or reserved to the Issuer or the Trustee by this Restriction Agreement is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Restriction Agreement or the Indenture or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any failure to perform under this Article shall impair any such right or power or shall be construed to be a waiver thereof. In order to entitle the Issuer or the Trustee to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice other than as otherwise specified in this Restriction Agreement.

behalf of the Borrower and the Trustee which are contained in this Restriction Agreement shall bind and inure to the benefit of their respective successors and assigns.

Section 5.3. Governing Law. This Restriction Agreement and the exhibits attached hereto shall be construed in accordance with and governed by the laws of the State and, where applicable, the laws of the United States of America.

Section 5.4. Amendments; Waivers. This Restriction Agreement may be amended only by an instrument in writing executed and acknowledged on behalf of the Trustee and the Borrower in such manner as the instrument may be recorded. No waiver by the Trustee in any particular instance of any event of default or required performance by the Borrower and no course of conduct of the parties or failure by the Trustee to enforce or insist upon performance of any of the obligations of the Borrower under this Restriction Agreement at any time shall preclude enforcement of any of the other terms of this Restriction Agreement or the Loan thereafter.

Any provision of this Restriction Agreement requiring the consent or approval of the Trustee for the taking of any action or the omission of any action requires such consent by the Trustee in writing signed by a fully authorized officer of the Trustee. Any such consent or approval, unless it expressly states otherwise, is limited to the particular action or omission referred to therein and does not apply to subsequent similar actions or omissions.

Section 5.8. Counterparts. This Restriction Agreement may be signed in any number of counterparts with the same effect as if the signatures thereto and hereto were upon the same instrument.

Section 5.9. Effective Date and Term. This Restriction Agreement shall become effective upon its execution and delivery by the parties hereto, shall be effective and remain in full force from the date hereof, and, subject to the provisions hereof, shall expire on the latest of the expiration of the Qualified Project Period or the first date on which none of the Bonds remain outstanding or satisfaction in full of the Loan. Notwithstanding the preceding sentence, the Borrower's obligations set forth herein shall expire on the later of (i) the first date on which none of the Bonds remains Outstanding, or (ii) satisfaction in full of the Loan. Notwithstanding the foregoing, this Restriction Agreement shall automatically terminate in the event of foreclosure or transfer by deed in lieu of foreclosure, and further provided that this Restriction Agreement shall terminate in the event of any involuntary noncompliance with the provisions of this Restriction Agreement caused by fire, seizure, requisition, change in a federal law or an action of a federal agency that prevents the Trustee from enforcing the provisions hereof, or condemnation or a similar event, but only if (i) within a reasonable period thereafter, the Bonds are retired or (ii) the proceeds received as a result of such event are used to finance a development that complies with the provisions hereof and any other applicable requirements of the Code and the Regulations. In the case of foreclosure or transfer of title by deed in lieu of foreclosure or similar event, such termination will cease to be in effect if, at any time during the remainder of the Qualified Project Period, the Borrower, any subsequent obligor under the or a "related person" (as defined in Section 147(a)(2) of the Code) obtains an ownership interest in the Facility for federal tax purposes. Notwithstanding any other provision in this Restriction Agreement, all restrictions on the operation and occupancy of the Facility contained in this Restriction Agreement which are not necessary, in the opinion of Qualified Bond Counsel, to maintain the exclusion from gross income of interest on the Bonds for purposes of federal income taxation, shall terminate when either the Bonds or the Loan has been paid in full.

Section 5.10. No Liability of Officers. No recourse under or upon any obligation, covenant, or agreement or in any of the Bonds, or under any judgment obtained against the Trustee, or by the enforcement of any assessment or by any legal or equitable proceeding by virtue of any constitution or statute or otherwise or under any circumstances, shall be had against any incorporator, member, director or officer, as such, past, present, or future, of the Trustee, either directly or through the Trustee, or otherwise, for the payment for or to the Trustee or any receiver thereof, or for or to the holder of any Bonds, of any sum that may be due and unpaid by the Trustee upon any of the Bonds. Any and all personal liability of every nature, whether at common law or in equity, or by statute or by constitution or otherwise, of any such incorporator, member, director or officer, as such, to respond by reason of any act or omission on his part or otherwise, for the payment for or to the Trustee or any receiver thereof, or for or to the holder of any Bonds, of any sum that may remain due and unpaid upon the Bonds or any of them, is hereby expressly waived and released as a condition of and consideration for the execution of this Restriction Agreement and the issuance of the Bonds.

Section 5.11. Recording and Filing. The Borrower shall cause this Restriction Agreement and all amendments and supplements hereto to be recorded and filed in the conveyance and real property records of the county in which the Facility is located and in such

other places as the Issuer and the Trustee may reasonably request. The Borrower shall pay all fees and charges incurred in connection with any such recording.

Section 5.12. Modification of Tax Covenants. To the extent any amendments, modifications or changes to the Regulations, the Code shall, in a Qualified Bond Counsel's Opinion addressed to the Trustee and filed with the Borrower, impose requirements upon the ownership, occupancy or operation of the Facility which require observance and/or compliance to maintain the exclusion from gross income for purposes of Federal income taxation different from those imposed by the Regulations, the Code and stated herein, this Restriction Agreement shall be amended and modified in accordance with such requirements. The parties hereto agree to execute, deliver and record, if applicable, any and all documents or instruments reasonably necessary in the opinion of and in the form approved by Qualified Bond Counsel to effectuate the intent of this Section.

Section 5.13. Burden and Benefit. The Trustee and the Borrower hereby declare their understanding and intent that the burden of the covenants set forth herein touch and concern the Land in that the Borrower's legal interest in the Land and the Facility is rendered less valuable thereby. The Trustee and the Borrower hereby further declare their understanding and intent that the benefit of such covenants touch and concern the Land by enhancing and increasing the enjoyment and use of the Land and the Facility by Low or Moderate Income Tenants to the extent set forth herein, the intended beneficiaries of applicable covenants, reservations and restrictions as set forth herein, and by furnishing the public purposes for which the Bonds were issued. The provisions hereof are imposed upon and made applicable to the Land and shall run with the Land and shall be enforceable against the Borrower or any other person or entity that has or had an ownership interest in the Facility at the time of such violation or attempted violation.

Section 5.14. Uniformity; Common Plan. The covenants, reservations and restrictions hereof shall apply uniformly, in accordance with their terms, to the entire Facility.

Section 5.15. Notice of Noncompliance. As soon as is reasonably possible, the Borrower shall notify the Trustee and the Issuer of the existence of any situation or the occurrence of any event of which the Borrower has knowledge, the existence or occurrence of which would violate materially any of the provisions of this Restriction Agreement or cause the interest on the Bonds to lose the exclusion from gross income for purposes of federal income taxation.

Section 5.16. Reliance; Compliance. The Trustee and the Borrower hereby recognize and agree that the representations and covenants set forth herein may be relied upon by all persons interested in the legality and validity of the Bonds and in the exclusion from gross income for federal income tax purposes of the interest on the Bonds. In performing their duties and obligations hereunder, the Trustee may rely upon statements and certificates of the Borrower and the Low and Moderate Income Tenants and upon audits of the books and records of the Borrower pertaining to the Facility. In addition, the Issuer and the Trustee may consult

with Qualified Bond Counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the Trustee hereunder in good faith and in conformity with such opinion.

Promptly following its receipt thereof, the Trustee will review each Income Certificate and compliance certificate delivered pursuant to this Restriction Agreement in order to determine that each such document is complete and to determine that the percentage set forth in paragraph 2 of the compliance certificate is at least twenty percent (20%).

Promptly upon determining that any report or certificate submitted to it is incomplete or that the percentage set forth in paragraph two (2) of any compliance certificate is less than 20%, the Trustee shall give written notice by certified mail, return receipt requested, of such deficiency or lack of completeness to the Borrower and direct the Borrower to correct or complete the same, as the case may be, within a reasonable period of time thereafter. If the Borrower fails to submit to the Trustee any certification required pursuant to this Restriction Agreement within forty-five (45) days of the time set forth herein, the Trustee shall immediately give written notice of that fact to the Issuer and the Borrower. If any compliance certificate reflects that the occupancy of the Facility has ceased to meet the requirements of this Restriction Agreement that at least twenty percent (20%) of the units therein be "occupied" or previously occupied by Low and Moderate Income Tenants or that the Borrower has not certified on a quarterly basis to the non-occurrence of any of the events described in paragraph (3) of the compliance certificate or that the compliance certificate is incomplete, the Trustee shall immediately give written notice of such fact or facts to the Issuer and the Borrower.

Section 5.17. Survival of Covenants. Marcus & Millichap has been court approved to assist Healthcare Management Partners in the marketing and sale of 9 assisted living facilities in Georgia and Alabama. The facilities were acquired by a small regional operator during 2014 with the proceeds of bond offerings. The borrower defaulted on most the bond offerings. The borrowers are under SEC review, and the court has appointed Healthcare Management Partners to oversee the management and sale of the assets. The receiver is managing three of the buildings (Gainesville, Social Circle and Douglas). There is a third party company (Affinity Living Group) which is managing the other buildings. All of the buildings are operating with the exception of Montgomery. This building was renovated, but is not licensed and is currently vacant.
